## **My Sister The Nightmare:**

**Childhood Nightmares And Adult Fears** Rose Keaton,2021-12-07 Childhood Nightmares and Adult Fears goes back to the beginning of not understanding what was really going on The chilling horrifying memory is our stepmother leaving to go find our biological mother to get us the help we needed to survive All my life he always told my siblings and me she was dead or in a mental home This was an unbelievable shock then we learned that our stepmother didn t make it to our mother She was murdered We didn t witness it At the same time we learned the truth and much more The horror of learning what I once didn t understand that our father was the perpetrator My nightmare is a tall shadow of a man with a hat on his head carrying me naked in his arms as I sniffed and cried softly as he walks toward the bed This tells me that something did happen During my adulthood my fear was always something going wrong when I allow unhealthy men into my life and I walked into a road of destruction when I saw a sign in my mind that read Welcome to the Fast Life Everything that I would never do you could say it became my very own manifestation I couldn t escape This is my true story of how I struggled to succeed and survive my trauma never giving up on myself 144 *Daydreams and Nightmares* Irving Horowitz,2018-02-06 Winner of the National Jewish Book Award for Biography and Autobiography This is the story of the making of a world famous sociologist It is even more the story of a boy hustling to survive Here in an astonishing and candidly written memoir by one of America s premier social scientists recounting the intensely personal story of his tormented youth in a ghetto within a ghetto It etches the painful details of a boy s overcoming alienation and isolation in a hostile place in an unloving family In the 1930s a small remnant community of Eastern European Jewish immigrants still resided in predominantly black Harlem As shopkeepers trying to make out a marginal existence Harlem s Jews were a minority within a minority Into this restricted world the author of this book was born Irving Louis Horowitz s parents had fled Russia his father the victim of persecution in the Tsarist army during World War I The boy s schoolmates were the children of black sharecroppers who had immigrated to the North Poverty language and culture all cut off the Horowitz family from traditional community life and the stress of a survival existence led to the trauma of a deteriorating family unit Harlem and its environs the Apollo and the Alhambra theaters the Polo Grounds and Central Park were the stage on which a youngster from this ghetto built a kind of self reliance at the cost of social graces The recipient of the National Jewish Book Award for Biography and Autobiography this new augmented edition contains the author s reflection of the impact of the Great Depression on Harlem family life The Nightmares of Abuse & The Power of Forgiveness Tavisha,2025-03-26 I was a victim at a young age and as an adult I victimized myself but through a spiritual relationship with God I have found peace The Queens of Nightmares and Dreams Victor C. Brice,2011-10-24 King Arthur s royal court and the Knights of the Round Table are established in the 21st Century In an all too brief period of peace Guinevere gives birth to her husband s son and daughter The fallen princess of Cornwall Morgana the renegade Fey summons from the Dark Ages the supreme leader of her dark witch s coven the hellish she demon Rapter

Morgana's aim is to once again usurp Camelot's throne But Rhapsody has her own secret plans for revenge against humanity and her personal nemesis Vivian the Lady of the Lake and queen of mystic Avalon From the frigid depths of space Rhapsody entices an evil race of aliens to attack planet earth with their futuristic war machines starting with Arthur's new kingdom

**Feminist Nightmares** Susan Ostrov Weisser, Jennifer Fleischner, 1994-10 Though all women are women no woman is only a woman wrote Elizabeth Spelman in *The Inessential Woman* Gone are the days when feminism translated simply into the advocacy of equality for women Women's interests are not always aligned race class and sexuality complicate the equation In recent years feminist ideologies have become increasingly diverse Today one feminist's most ardent political opponent may well be another feminist As feminism grows increasingly diverse the time has come to ask a painful and frequently avoided question what does it mean for women to oppress women This pathbreaking provocative anthology addresses this troublesome dilemma from various feminist perspectives offering an interdisciplinary collection of writings that widens our understanding of oppression to take into account women who are at odds The book examines the social political and psychological ramifications of this phenomenon as evidenced in a range of texts from women's antislavery writing to women's anti abortion writing from mother daughter incest stories to maternal surrogacy narratives from the Bible to the popular romance novel from Jane Austen to Alice Walker The value of the volume is perhaps best summed up by an early response to the idea This is a book that should never be written feminists should concentrate on how men oppress women Ironically it is precisely because the subject triggers such responses the authors argue that a volume such as *Feminist Nightmares* has become a necessity

*Her Venomous King* A.L. Maruga, 2025-01-26 The Serpent A Serpent shows no mercy She thought she could get away hiding for years hoping that I'd release her from my obsession But I will have my broken doll back She is mine and I'll destroy anyone who blocks my path to her Isabella my cartel queen will once again rule by my side Or risk meeting her bloody end by my villainous hands There are no other outcomes for her She will endure my venom or perish The Queen Queens bow to no one His obsession blinded him and helped fuel my escape I've been hiding for years pretending to be someone else Living the life I was supposed to with my other love But I should've known Diego would never give up He's a coiled snake waiting to strike Now that he's found me I fear I won't survive his insanity and rage The Healer Sometimes love means letting go She was mine long before she was his My exquisite rose fragile delicate and horrified by the beast who stalks her I vow to protect her and shield her forever But her unhinged psychopath is determined to take what I love the most away from me If he sinks his fangs into her again we may not live to see another day If I set her free I can ensure both our survival even if it means selling our souls to the very devil we hide from

Original War Nightmares Michael Montero,2017-04-19 What you are about to read is what I remember from my childhood set against the backcloth of the Spanish Civil War I was slightly over seven years old at the time I would have preferred to set my childhood on a pallet of beautiful colors but as a mere mortal I could not choose where to be then Destiny did that for me This book is neither political nor religious I am neither It is simply a recollection of things I saw heard and felt It may sound paradoxical but because of this my feelings have always been numb Whether this is due to my psychological makeup or to the fact that I went through adversity at a very young age I know not I accept life as it is the everyday merry go round of sweetness and bitterness Circumstances taught me to expect the unexpected and forged the need for survival at all costs Although in my darker moments I wondered if that need should even be considered The events I relate happened mainly in Madrid where I was born where my brothers and sisters were born and where my parents worked hard for a more rewarding life Madrid where during three years of agony and hope the revolution changed my life forever City of Nightmares Rebecca Schaeffer,2023-01-10 Gotham meets Strange the Dreamer in this thrilling young adult fantasy about a cowardly girl who finds herself at the center of a criminal syndicate conspiracy in a city where crooked politicians and sinister cults reign and dreaming means waking up as your worst nightmare Ever since her sister became a man eating spider and slaughtered her way through town nineteen year old Ness has been terrified terrified of some other Nightmare murdering her and terrified of ending up like her sister Because in Newham the city that never sleeps dreaming means waking up as your worst fear Whether that means becoming a Nightmare that s monstrous only in appearance to transforming into a twisted unrecognizable creature that terrorizes the city no one is safe Ness will do anything to avoid becoming another victim even if that means lying low among the Friends of the Restful Soul a questionable organization that may or may not be a cult But being a member of maybe cult has a price In order to prove herself Ness cons her way into what s supposed to be a simple job for the organization only for it to blow up in her face Literally Tangled up in the aftermath of an explosive assassination now Ness and the only other survivor a Nightmare boy who Ness suspects is planning to eat her must find their way back to Newham and uncover the sinister truth behind the attack even as the horrors of her past loom ominously near Dreams of Nightmares Kat Thomas,2023-09-15 One horrible day Dr Kit Jones is finally on her way home from work when her best friend and co worker Mitsuhide Akechi is completely blindsided and is left unable to sift through the events in his own life leading him to ask her for help Kit of course steps up and helps Mitsuhide but in the process finds out her own family could possibly be involved somehow Nothing makes sense as June Mitsuhide s twin sister who has been comatose for five years since a horrible car accident is now pregnant The two have to do what they can to help each other find a way to handle all of the events surrounding June s mysterious pregnancy After the initial shock of everything the two

have to wade through medical exams and getting a few court orders but in the meantime things have changed between the two friends As their lives become fuller because of each other and dealing with this situation they find a happiness neither of them thought they would have As they deal with the case that has engulf them they prepare for a life after it raising the two babies Mitsuhide's sister is carrying Through ups and downs we watch these two battle to see the light at the end of the tunnel However they are left to wonder is this just the beginning of the nightmare Though fictional the plot is based off headlines in 2019 in a care facility where at least one woman was raped while she was on life support systems and did deliver the child safely People were left to deal with the aftermath and help raise the child This story is a reflection of those people and how it got to that point      *A Nightmare's Point of View* April Kuper Winterblade 1980, 2021-06-02 Nightmares never go away You may chase them away You can think you killed them You may stop believing and forget them but Nightmares never go away Nightmares don't die They just wait      **Memories, Dreams, Nightmares** Jack Weiss, 2005 The compelling memoir tells the story of Holocaust survivor Jack Weiss This is the story of his abused childhood how a deported eleven year old boy escaped from certain death to join his father in the middle of a war He was deported again to the infamous Auschwitz-Birkenau concentration camp where he was selected for forced labour Somehow he miraculously survived these horrors and at the age of 17 he was brought by the Canadian Jewish Congress to Winnipeg Manitoba where he was finally able to carve out a life for himself      *Nightmares Book VII* F. D. Land, 2012-07 Nightmares In an assortment of dreams and imagination F D Land brings you amazing tales and sagas that will haunt your dreams With a little mystery also thrown in See if you can tell who is really telling the tale Now sit back and get ready for the thrilling ride through the twisted mind of F D Land      **My Amazing Journey** Donna Lamberti, 2003-08 My Amazing Journey chronicles the life of the author a woman born with Muscular Dystrophy It is a series of vignettes detailing circumstances and situations in the life of Ms Donna Lamberti During the course of the manuscript the author however does not describe the sadness of being a disabled child and never dwells on the disease as the cause of difficulties in her life Instead the book is incredibly uplifting and positive while at the same time extremely honest The story begins with childhood memories including Ms Lamberti's early education at the Crippled Children's Center and goes on to describe how she overcame obstacles to pursue a Bachelor's degree and later a Master's degree in Rehabilitation Counseling It continues to detail her career as a Leisure Counselor working with others with disabilities There is even a bit of romance as the story progresses My Amazing Journey touches upon Ms Lamberti's contributions to the community her accomplishments on the State level and her participation in the Victory Awards in Washington D C Finally the manuscript concludes by describing her illness and how she overcame the odds with courage and strength Even today she challenges herself and her world while using a stretcher for mobility and a ventilator to breathe      **Lovers' Revenge** Erin Dixon, 2021-07-22 Tara Shaws and Emily Winters have been best friends since high school and while their personalities are the exact opposite of each other they have remained friends into adulthood Emily is a shy

woman who works as a ghostwriter for Tara Emily would rather be unseen and listen to her favorite band while writing and quietly living her life Although being behind the scenes suits her best someone from her past thinks otherwise This culprit will do anything to drag her into the spotlight including murder Will this mystery person succeed in taking revenge on her for the past or be stopped before the evil plans come to fruition Detective Li Jie is the best investigator in the business but when he needs a helping hand he calls on his longtime best friend Jin Kang The multitalented Jin Kang is also extremely good at what he does and never gets too attached to a client He simply does his job and moves on Detective Li Jie contacts Emily's brother alerting him of the danger his sister is in asking him to return home immediately As they all work together to protect Emily from the dangers that lurk in the shadows and around every corner more than one person's past will try to catch up to them Just when they think they have it all figured out something unexpected happens Just who is it that is after Emily and why Can they succeed in protecting Emily and finding her tormentor before it's too late **Nightmares!** Jason
