My Story An Autobiography:

My Story Mary Astor, 2013-08-20 My Story an Autobiography By Mary Astor Prologue People have often said to me You haven't changed a bit They meant it as a compliment but I could hear it only as an accusation a statement of brutal fact And I have thought bitterly You are so right For I knew that if I had not changed I had not grown To be a perennial child an ethereal Peter Pan playing with pirates and Indians throughout all eternity can be a lovely thing in the never never land of fantasy but it is an unhappy thing in life The child is born so that he may become a man It is his destiny to grow to learn to understand to assume responsibilities Growth can be painful I know but I have found that a stunted and retarded growth can be a pain beyond belief My father often used to rebuke me by saying You are almost nine years old and then ten and then eleven and twelve and you haven't learned a thing Well here I was fifty years old and I still hadn't learned a thing My father's rebuke had always seemed to imply a promise that years the very accumulation of years would bring experience and understanding So at whatever age I was I wished I were older At seventeen I longed to be twenty five At twenty I wanted to be a woman of the world of thirty At thirty I read that the French thought a woman did not reach a full maturity of beauty and attractiveness until she was forty Finally at forty five I decided that the whole thing was a pack of lies Where was the serenity that the years were to bring Where was the cooling of passion's blood I realized that I who leaned on so many people and things had been leaning even on the abstraction of time I was still refusing to grow up to face the oppressive fact that I should long since have become a responsible mature adult I continued to seek people and things I could lean on to escape the need for making my own decisions and assuming responsibility for my own acts One event above all others should have brought me to a full realization of my responsibility and dignity as an individual but even in that I failed My conversion to the Catholic Church was almost purely emotional I felt instinctively that I had finally found something substantial to lean on never realizing that it is the Church above all else that demands a stern and courageous individuality So my conversion did not turn out to be the conventional conversion story where the sinner is baptized and lives happily ever after I leaned and I fell It is true the Church would repeatedly pick me up and dust me off after each fall She would dry my tears and heal my wounds and comfort me Then she would gently say Go Walk alone with God But I couldn't walk alone So I Windham Press is committed to bringing the lost cultural heritage of ages past into the 21st century through high quality reproductions of original classic printed works at affordable prices This book has been carefully crafted to utilize the original images of antique books rather than error prone OCR text This also preserves the work of the original typesetters of these classics unknown craftsmen who laid out the text often by hand of each and every page you will read Their subtle art involving judgment and interaction with the text is in many ways superior and more human than the mechanical methods utilized today and gave each book a unique hand crafted feel in its text that connected the reader organically to the art of bindery and book making We think these benefits are worth the occasional imperfection resulting from the age of these books at the time of

Kamala Das Pier Paolo Piciucco, 2001 As A Poet Kamala Das Merits A Place Among The Best Women Poets Of The Twentieth Century She Has Made Enormous Contribution To Indian Poetry In English By Adding A Feminist Dimension To It Although She Is Not Inclined To Admit It Perhaps Deriving Her Inspiration From Her Matrilineal Background She Celebrates Woman S Body And Pleads For Its Integrity In Her Poems She Writes Poetry As Only As Woman Can Write And Takes Pride In The Fact Of Being A Woman And That Is Certainly The Starting Point Of All Kinds Of Feminism The Present Volume Puts Together Deeply Perceptive Articles Which Study Various Facets Of Her Poetry From Feminist And Other Perspectives And Often With Reference To Her Life A Confessional Poet That She Is Confessions, Revised and Updated Matthew Fox, 2015-11-10 Matthew Fox s stirring autobiography Confessions reveals his personal intellectual and spiritual journey from altar boy to Dominican priest to his eventual break with the Vatican Five new chapters in this revised and updated edition bring added perspective in light of the author s continued journey and his reflections on the current changes taking place in the Catholic church Instead of living out his vows as a Dominican brother Matthew Fox was expelled from the Order after 34 years by Cardinal Ratzinger who later became Pope Benedict XVI Fox took this as a warning from the Church that henceforth thinkers should not think but get in line It is from this anti intellectual inquisition style mentality that the cover up of priestly pedophilia also grew as the Vatican appointed several generations of bishops and cardinals whose only criterion for selection

was that they be uncritical yes men Confessions tells the inside story of what it was like standing in front of the train when the Vatican was on the attack It also reflects on the meaning of the encouragingly healthy papacy of Pope Francis but holds little hope for the institutional church Rather this book points to the main interest and accomplishments of the author s work to bring spirituality and prophetic warriorhood alive again in society and religion Fox draws inspiration from great mystics of the past such as Hildegard of Bingen a champion of the Divine Feminine and Meister Eckhart a profoundly mystical and ecumenical champion of those without a voice and the return of the archetype of the Cosmic Christ alongside the teachings of the historical Jesus and the bringing forth of the wisdom traditions from all the world s spiritual traditions to stand up for eco justice gender justice economic justice and social justice

Considering Counter Narratives Michael G. W. Bamberg, Molly Andrews, 2004-01-01 Counter narratives only make sense in relation to something else that which they are countering The very name identifies it as a positional category in tension with another category But what is dominant and what is resistant are not of course static questions but rather are forever shifting placements The discussion of counter narratives is ultimately a consideration of multiple layers of positioning The fluidity of these relational categories is what lies at the center of the chapters and commentaries collected in this book The book comprises six target chapters by leading scholars in the field Twenty two commentators discuss these chapters from a number of diverse vantage points followed by responses from the six original authors A final chapter by the editor of the book series concludes the book
