Tom Cruise Andrew Morton, 2008-01-15 Andrew Morton uncovers the true story of the biggest celebrity of our age. Everyone knows Tom Cruise or at least what he wants us to know. We know that the man behind the smile overcame a tough childhood to star in an astonishing array of blockbusters: *Top Gun*, *Rain Man*, *Born on the Fourth of July*, *A Few Good Men*, *Jerry Maguire*, several *Mission Impossible* movies, and more. We know he has taken artistic chances, too, earning him three Academy Awards and Golden Globe nominations. But beyond that, the picture becomes a bit less clear. We know that Tom is a devoted follower of the Church of Scientology. We know that despite persistent rumors about his sexuality, he has been married to Mimi Rogers, Nicole Kidman, and Katie Holmes. But it was not until he jumped on Oprah's couch to proclaim his love for Katie and denounced Brooke Shields for turning to the Nazi science of psychiatry that we began to realize how much we did not know about the charming, hardworking star. For all the headlines and the rumors, the real Tom Cruise has remained surprisingly hidden until now.

This Time, This Place Jack Valenti,2007-05-15 With the nation at war in the 1940s twenty two year old Jack Valenti flew fifty one combat missions as the pilot of a B 25 attack bomber with the 12th Air Force based in Italy In the 1960s with the nation reeling from the assassination of a beloved president and becoming embroiled in a far different kind of war in Vietnam he was in that fateful Dallas motorcade in 1963 flew back to Washington with the new president and for three years worked in the inner circle of the White House as special assistant to President Lyndon Johnson Then for the next thirty eight years with American society

and popular culture undergoing a revolutionary transformation Valenti was the public face of Hollywood in his capacity as head of the Motion Picture Association of America Been there done that indeed Texas born and Harvard educated Valenti has led several lives any one of which could have provided ample material for an unforgettable memoir As it is This Time This Place is the gripping story of a man who saw the terrible face of war while fighting with skill and bravery for his country who was in the room listening participating and remembering as political decisions were made that would benefit or devastate countless lives in this country and on the other side of the world and who championed the interest of the vast and globally influential movie industry with tenacity and vision The list of boldface names whom Valenti knew and with whom he worked is as varied as it is astonishing in number Aside from LBJ there were Jack and Bobby Kennedy Kirk Douglas Frank Sinatra Robert McNamara Jacqueline Kennedy Onassis Julia Roberts Cary Grant Lew Wasserman Catherine Zeta Jones Jack Nicholson Michael Douglas Warren Beatty and Bill Clinton to begin a very long list The life of a man who earned both the Distinguished Flying Cross and his own star on the Hollywood Walk of Fame is inherently intriguing but Valenti's warm sometimes rueful always engaging account gives this memoir a depth of humanity and a taste of life's unpredictability that will linger long after you turn the final page From growing up poor but largely oblivious to that fact in a hardscrabble neighborhood of Greek and Italian immigrants in Houston to rising to the highest summits both of national government and Hollywood This Time This Place is a candid and clear-eyed reflection of the joys and sorrows ambitions and disappointments of a life fully recognizable in its extraordinary variety It is also a sweeping and important historical record written by a brilliantly successful man who helped to shape politics and entertainment in the second half of the twentieth century and who always found himself in the center of the current storm
