Death Elisabeth Kübler-Ross, 2009-11-24 From the author of the groundbreaking work On Death and Dying comes an exploration on why discussing death is considered taboo and how normalizing that discussion can enrich our lives Ours is a death denying society But death is inevitable and we must face the question of how to deal with it Coming to terms with our own finiteness helps us discover life s true meaning So why do we treat death as a taboo What are the sources of our fears How do we express our grief and how do we accept the death of a person close to us How can we prepare for our own death Drawing on our own and other cultures views of death and dying

Elisabeth K bler Ross MD provides some illuminating answers to these and other questions She offers a spectrum of viewpoints including those of ministers rabbis doctors nurses and sociologists and the personal accounts of those near death and of their survivors Once we come to terms with death as a part of human development the author shows death can provide us with a key to the meaning of human existence *Abomination* Robert Swindells,2010-08-03 Martha is twelve and very different from other kids because of her parents Strict members of a religious group the Brethren their rules dominate Martha s life And one rule is the most important of all she must never ever invite anyone home If she does their shameful secret Abomination could be revealed But as Martha makes her first real friend in Scott a new boy at school she begins to wonder Is she doing the right thing by helping to keep Abomination a secret And just how far will her parents go to prevent the truth from being known **A Nightmare's Point of View** April Kuper Winterblade1980,2021-06-02 Nightmares never go away You may chase them away You can think you killed them You may stop believing and forget them but Nightmares never go away Nightmares don t die They just wait *The Stairway* Moody Dwight Knotts, Jr., Can God ask too much of a believer That was the question Rev Rufus Riley was struggling with After years of faithful service God took his wonderful wife from him Rufus walked away from God He walked away from his church He walked away from his faith He walked away from his life But try as he could he could not escape terror in the middle of the night Each evening he found himself running in his dream He ran in complete darkness unable to see what was ahead He ran in fear until his foot stepped out and there was nothing there He fell in his dreams only to wake up the entire household with his blood curdling screams Although Rufus gave up on God God refused to give up on him God still had plans for Rufus But there were secrets buried within his past and despite all his efforts to fight God had a mystery woman waiting in his future who held the key to everything What was the truth about Rufus that only this mystery woman of Masada could unlock He would only know when he discovered the truth about himself and the truth about the hidden stairway in the house on Lyden Avenue **The Fellowship** Eric Casimir,2001-04 The Fellowship is a fast paced action adventure thriller which wends its way through exotic locales all the way to its shocking slam bang finish After working his entire life to become wealthy aged billionaire Jonas B Dawson decides why should smart deserving young people work until retirement to live it up on a nest egg Wouldn t it be better to have it all up front while young and better able to enjoy it This is the premise of Dawson s fellowship one million dollars given to Shawn Dawes fresh out of the University of Chicago with no strings attached Simultaneously Dawson s largest business rival James Hunt Robinson has discovered that Dawson is building a nuclear facility of unspecified purpose in the Idaho Rockies As Shawn and his girlfriend Lisa travel the globe they find themselves on a rapidly spiralling collision course between Dawson Robinson and the Fellowship **Wes Craven** Shannon Blake Skelton,2019-11-29 With a career spanning four decades Wes Craven 1939 2015 bridged independent exploitation cinema and Hollywood big budget horror A pioneer of the modern horror cinema Craven directed such landmark films as *The Last House on the Left* *The Hills Have Eyes* *A Nightmare on Elm*

Street and *Scream* considered not only classics of the genre but examples of masterful filmmaking. Producing an impressive oeuvre that mixed intellectual concerns and political ideas, Craven utilized high tension suspense, devastating visual brutality and dark humor to evoke a unique brand of fear. Moreover, his films draw attention to the horror of American society, namely racism, classism, and the traumas often associated with family. This collection of twenty-nine interviews spanning from 1980 until his final interview in 2015 traces Craven's life and career from his upbringing in a strict religious family and his life as an academic to his years toiling in exploitation cinema. The volume also chronicles Craven's ascendancy as an independent director, his work within the studio system, and his eventual triumph in mainstream cinema. Within the interviews gathered here, including three previously unpublished pieces, Craven reflects on failed projects and the challenges of working with studios while offering thoughtful meditations on the dynamics and appeal of horror. *Wes Craven: Interviews* cements Craven's legacy as a master of horror who left an indelible mark on the genre by forever altering expectations of and approaches to the cinema of fear.

Wes Craven John Kenneth Muir, 1998-01-01 Filmmaker Wes Craven has consistently and imaginatively scared movie audiences since the early 1970s. His films encompass a variety of styles, elements, and themes from the nihilistic existentialism of *The Last House on the Left* to the successful *A Nightmare on Elm Street*, which sent horror in a bold new direction to the hallucinatory dreamscapes of *The Serpent and the Rainbow*. And in the nineties, Craven returned with the *Scream* films, which were simultaneously funny, clever, and scary films that overturned the horror clichés of the eighties. The present work provides a history of Craven's film career since 1972, examining all the themes and techniques the filmmaker explored. For each film, a synopsis, cast, and credits, historical context, and critical commentary are provided. Also covered in detail are Craven's forays into television, including movies such as *Stranger in the House* and work on such series as *The New Twilight Zone*.

A Breaker of Laws William Pett Ridge, 1900 **In the Nick of Time** Robert Swindells, 2011-09-30 Charlotte is out in the woods on her own one day when something mysterious happens: she walks along a row of stones laid like stepping stones on the forest floor and finds herself in another age. She has somehow slipped back to 1955 and is now in the same woods on the site of a very unique school, an open air school for sick city children. No one believes her tales of the world she's come from; her mobile doesn't work, and she can't see how on earth she's going to get back. A friendship with another pupil proves the key is Jack, more than he seems.

The Cornell Magazine, 1896 **A Skull in Shadows Lane** Robert Swindells, 2012-01-05 The war has just ended in the tiny village of Coney Cley, and Josh and his gang are desperate for some excitement. When they head for the eerie abandoned *Shadows Lane* to explore a deserted house, they find more than they bargained for: a human tooth. Then a creepy skeletal face appears at a dark window. Believing there's a skeleton haunting *Shadows Lane*, the children are shocked to learn the truth about Boney: he's an escaped prisoner of war. But someone else is also hiding in the village, someone much more dangerous. Tense and chilling, this is another fantastically gripping tale from the award-winning author of *Room 13* and *Stone Cold*.
