One In The Many Christian Identity In A Multicultural World:

The One in the Many Thomas R. Thompson, 1998 Copublished with the Calvin Center for Christian Scholarship this collection of essays is both compelling and timely because it comes from a Christian college struggling to make multiculturalism a reality timely because it allows Christian academics to join the national and international discourse on the meaning of cultural diversity The authors present a range of viewpoints but they share a desire to communicate about what is and what should be as Christians engage multiculturalism **An Introduction to Christian Theology** Richard J.

Plantinga, Thomas R. Thompson, Matthew D. Lundberg, 2022-11-03 Far from being solely an academic enterprise the practice of theology can pique the interest of anyone who wonders about the meaning of life This introduction to Christian theology exploring its basic concepts confessional content and history emphasizes the relevance of the key convictions of Christian faith to the challenges of today's world Part I introduces the project of Christian theology and sketches the critical context that confronts Christian thought and practice today Part II offers a survey of the key doctrinal themes of Christian theology including revelation the triune God and the world as creation identifying their biblical basis and the highlights of their historical development before giving a systematic evaluation of each theme Part III provides an overview of Christian theology from the early church to the present Thoroughly revised and updated the second edition of *An Introduction to Christian Theology* includes a range of new visual and pedagogical features including images diagrams tables and more than eighty text boxes which call attention to special emphases observations and applications to help deepen student engagement

Christian Faith and English Language Teaching and Learning Mary Shepard Wong, Carolyn Kristjansson, Zoltán Dörnyei, 2013 Ideological and educational political aspects of the link between language and faith especially between Global English and Christianity is a topic of growing interest in the field of English language teaching This book explores the possible role and impact of teachers and students faith in the English language classroom Bringing together studies representing a diversity of experiences and perspectives on the philosophies purposes practices and theories of the interrelationship of Christianity and language learning and teaching it is on the front line in providing empirical data that offers firm insights into the actual role that faith plays in various aspects of the language learning teaching experience By adding a data based dimension the volume contributes to the cultivation of valid research methods and innovative ways to analyze and interpret studies of the intersection of Christian faith and the practice of teaching and learning language The Gift of the Stranger David Smith, Barbara Maria Carvill, 2000 A pioneering look at the implications of Christian faith for foreign language education It has become clear in recent years that reflection on foreign language education involves more than questioning which methods work best This new volume carries current discussions of the value laden nature of foreign language teaching into new territory by exploring its spiritual and moral dimensions David Smith and Barbara Carvill show how the Christian faith sheds light on the history aims content and methods of foreign language education They also propose

a new approach to the field based on the Christian understanding of hospitality *Exploring Kenotic Christology* C. Stephen Evans, 2006 This collection of essays by a team of Christian philosophers theologians and biblical scholars explores the viability of a kenotic account of the incarnation Such an account is inspired by Paul's lyrical claims in Philippians 2:6-11 that Christ Jesus though God in nature emptied himself or made himself nothing by becoming human The biblical support for such a view can be found throughout the four gospels and the book of Hebrews as well as in other places A kenotic account takes seriously the possibility that Christ in becoming incarnate temporarily divested himself of such properties as omnipotence omniscience and omnipresence Several of the contributors argue that this view is fully orthodox and that it has great strengths in giving us a picture of a God who is willing to become completely vulnerable for the sake of human beings and one that is completely consistent with the very human portrait of Jesus in the New Testament The proponents of kenotic Christology argue that the philosophical accounts of God's nature that have led to rejection of this theory ought themselves to be subjected to criticism in light of the biblical data Some essays test the theory by raising critical questions and arguing that traditional accounts of the incarnation can achieve the goals of kenotic theories as well as kenotic theories can The book also explores the implications of a kenotic view of the incarnation for philosophical theology in general and the doctrine of the Trinity in particular and it concludes with essays that examine the validity of the ideal of kenosis for women and a challenge to traditional Christology to take a kenotic theory seriously Book jacket *Gender and Diversity Issues in Religious-Based Institutions and Organizations* Glimps, Blanche Jackson, Ford, Theron, 2015-09-10 As religions grow and evolve they adapt to their current circumstances with new ideologies often deviating dramatically from their roots The variety of religious institutions in modern society necessitates a focus on diversity and inclusiveness in the interactions between organizations of different religions cultures and viewpoints Gender and Diversity Issues in Religious Based Institutions and Organizations elucidates the impact of gender identity and race within religious based institutions and organizations Policymakers academicians researchers government officials and religious leaders will find this text useful in furthering their research related to inclusiveness and diversity in their respective roles This essential reference source builds on the available literature on gender and diversity issues in religious based settings and contexts with chapters relating to race relations in the Churches of Christ the role of women in religious movements in Latin America gay straight alliances at religious based colleges and universities and lessons and insights for religious institutions and faculty *Teacher Training and Professional Development: Concepts, Methodologies, Tools, and Applications* Management Association, Information Resources, 2018-05-04 Regardless of the field or discipline technology is rapidly advancing and individuals are faced with the challenge of adapting to these new innovations To remain up to date on the current practices teachers and administrators alike must constantly stay informed of the latest advances in their fields Teacher Training and Professional Development Concepts Methodologies Tools and Applications contains a compendium of the latest academic material on the methods skills

and techniques that are essential to lifelong learning and professional advancement Including innovative studies on teaching quality pre service teacher preparation and faculty enrichment this multi volume book is an ideal source for academics professionals students practitioners and researchers Learning from the Stranger David Smith,2009-06-09 Cultural differences increasingly impact our everyday lives Virtually none of us today interact exclusively with people who look talk and behave like we do David Smith here offers an excellent guide to living and learning in our culturally interconnected world Learning from the Stranger clearly explains what culture is discusses how cultural difference affects our perceptions and behavior and explores how Jesus call to love our neighbor involves learning from cultural strangers Built around three chapter length readings of extended biblical passages from Genesis Luke and Acts the book skillfully weaves together theological and practical concerns and Smith s engaging readable text is peppered with stories from his own extensive firsthand experience Many thoughtful readers will resonate with this insightful book as it encourages the virtues of humility and hospitality in our personal interactions and shows how learning from strangers not just imparting our own ideas to them is an integral part of Christian discipleship **Christian identity and justice in a globalized world from a Southern African perspective** Hermen Kroesbergen,2014-08-01 What does the globalized world that we live in mean for our Christian identity and for our struggle for social justice That is the central question that is addressed in this book from a wide array of angles by members of the Association of Theological Institutions of Southern and Central Africa ATISCA and Justo Mwale Theological University College Lusaka Zambia This book is about the struggle for social justice in relation to the self understanding of Christians from Southern and East Africa in a globalizing world Among other concerns it brings out the connection between theology and disability where disability is reflected as an issue that calls for self identity and self re definition This book is an important resource on contextualisation of theology and it is worthy reading Dr Samuel Kabue Executive Director of the World Council of Churches network EDAN In a work long overdue theologians and other researchers in Christianity investigate discuss and critique the influence of globalization on Christian identity in Southern Africa and its consequences in the struggle for justice Despite all talk about a global village the voices of Christians from Southern Africa are hardly ever heard This book represents an important change in this respect The book has been well edited by Hermen Kroesbergen and it is a must read for all theologians and ministers who want to reflect on our shifting identifies Christian Literature Fund *Journal of Christian Education* ,2002
