A Whole Life's Work Lewis Richmond, 2005-02-22 What is work truly In its widest sense work is not just a job It is all our purposeful activities Seen in this light work is our whole life Out of this idea Lewis Richmond author of the acclaimed book *Healing Lazarus* brings us a new book that examines the eight important modes of work the Earner the Hobbyist the Creator the Monk the Helper the Parent the Learner and the Elder along with their corresponding eight modes of inner work which are Precepts Vitality Patience Calm Equanimity Giving Humility and Wisdom These inner modes of work are drawn from the author's Buddhist training but in some form they can be found in most spiritual traditions demonstrating the broad recognition throughout history that even when life was short and survival hard our whole life's work has inner as well as outer dimensions Although the Earner's work has been predominant through most of history Richmond argues that to grow spiritually all eight modes of work are necessary It is through these modes that our lives gain purpose and meaning not to mention such vital attributes as spiritual virtue and practice Put simply *A Whole Life's Work* provides its readers a roadmap for a practical as well as spiritual journey that melds outer livelihood with inner life so that as we grow old we can look back and say I did the best I could what I did counted I am satisfied

Music Of The Sky: An Anthology Of

Spirit Patrick Laude, 2010-08-01 A collection of spiritual poetry from antiquity to the present reflecting many styles and expressions of our experience of the sacred through the medium of poetry Organized into three universal dimensions of spiritual life the awareness of suffering and death the experience of the depth of compassion and love and the knowledge of the unity of the transcendent and immanent Real Music of the Sky collects short poems from Buddhist Christian Hindu Islamic and Native American traditions Meant neither as an historical survey of spiritual poetry nor as a definitive collection of essential poems the reader may open this book at any page at any time in virtually any situation traveling or at rest The truth and beauty of these poems are certain to provide a source of inspiration for countless generations Mindfulness and Money Dominic J. Houlter, Kulananda Houlter, 2007-12-18 From two leading instructors in business and Buddhism comes a fresh approach to making peace with your finances and creating true abundance It may seem contradictory that Buddhist teachers Kulananda and Dominic Houlter have also been highly successful in the business arena but they have learned that Buddhist teachings do not require a life of poverty and can indeed go hand in hand with wealth and prosperity Mindfulness and Money brings to light the teachings of Buddha as they apply to the money part of life and shares the stories of others who have found the Buddhist path to freedom creativity and abundance Using the Buddhist Wheel of Life as a starting point the authors explore the mechanism by which desire for money and material things is confining and how mastery of desire can free us to live peacefully with our finances Kulananda and Houlter offer five precepts for living on the Path of Abundance including kindness generosity contentment honesty and awareness Through prescriptive meditations reflections and exercises we can begin to earn and spend more purposefully the key to finding financial peace whatever one's income An enlightening combination of practical wisdom and spirituality Mindfulness and Money is a valuable asset for all seekers

Deep Human Connection was originally published as *Soul Friends* [Down to Earth Dharma](#) Rebecca Bradshaw, 2024-11-26 Buddhist teachings and heart centered practices from the feminine paradigm to embrace receptivity and bring more balance to your life relationships and the world With deeply thoughtful lyrical prose this book invites readers to engage with the world from a unique perspective that encourages feeling intuitive understanding embodiment interdependence and sacredness Weaving together classical Theravada Buddhist teachings and mindfulness practices the book teaches us when and how to channel our receptive and active orientations sometimes called the feminine and masculine paradigms to feel more at home in ourselves and the world and drop more deeply into the Buddhist teachings on suffering and happiness

Rebecca Bradshaw a respected Buddhist teacher in the Insight Meditation community offers teachings that are simple yet require us to explore aspects of ourselves that go against much of our social conditioning that values goal oriented busyness productivity independence outgoing energy and other active qualities When overemphasized this orientation can cause destructive emotions and behaviors but we can counter them by embracing more receptive qualities The receptive or feminine paradigm takes us deeper into the heart of the classical Buddhist teachings leading to openness and freedom of the heart mind Bradshaw illustrates her own resistance to letting go of her strong active orientation with relatable stories like her efforts to be a perfect meditator Drawing on our connectedness to nature she offers guidance for grounded practices including useless gazing getting lost sense based reality practicing in the wildness accepting uncertainty and more These Buddhist teachings are as comforting as they are thought provoking Bradshaw's debut book helps us let go and nurture our ability to receive listen embrace vulnerability and just be Through this process we heal the imbalances within ourselves and in our relationships to all beings
