

A photograph of a dirt road winding through a forest. The trees are covered in autumn foliage, with shades of orange, yellow, and brown. The road leads towards a bright light at the end of the path, creating a sense of mystery and depth. The overall mood is serene and contemplative.

Only mystery allows us
to live, only mystery.

Only Mystery:

Weird U.S. Mark Scurman, Mark Moran, Matthew Lake, 2008 Explores ghosts and haunted places local legends cursed roads crazy characters and unusual roadside attractions found in the United States **Books of the Saviour** W. Iamwe Ph.D., 2021-02-01 The resurrection teachings Jesus taught to his disciple Matthew 13 10 confirms the separate teachings The disciples came to Jesus and asked Why do you speak to the people in parables He replied The knowledge of the secrets of the kingdom of heaven has been given to you but not to them For this people s heart has become calloused they hardly hear with their ears and they have closed their eyes Otherwise they might see with their eyes hear with their ears understand with their hearts and turn and I would heal them This is why I speak to them in parables Though seeing they do not see though hearing they do not hear or understand In them is fulfilled the prophecy of Isaiah You will be ever hearing but never understanding you will be ever seeing but never perceiving But blessed are your eyes because they see and your ears because they hear For truly I tell you many prophets and righteous people longed to see what you see but did not see it and to hear what you hear but did not hear it Matthew 13 10 16 It is not only important to fully understand all of the knowledge within Jesus teachings the level within the heavens you will inherit after your life depends upon it **Pistis Sophia Revised** G. R. S. Mead, *Amen Code* W. Iamwe Ph.D., 2009-02-02 Amen Code diagrams the original sacred teachings written prior to the formation of Christianity reveals the process of how all things come into being from the invisible realms reveals the divine map of the heavens and our path to our true home and is a thorough analysis and mathematical confirmation of Jesus advanced teachings Jesus original teachings were found in Egypt taught only to his disciples and contain elements of mathematics and Greek and Egyptian culture Jesus sacred teachings reveal the secrets of the heavens and the process of creation to confirm the invisible and visible multiverse and our purpose while in the material world 839 pp Full color More than 400 images **Pistis Sophia** G. R. S. Mead, 2012-03-13 This important historical document chronicles the teachings of Jesus who explains life s mysteries to his disciples and Mary Magdalene Their discussions take place after Christ s resurrection and include accounts of his ascension **Eye To Form Is Only Love** Traktung Yeshe Dorje, 2020-08-27 For 100 days Traktung Yeshe Dorje an American born lama in the Nyingma lineage of Vajrayana Buddhism kept a journal of short reflections Some mornings the heartbreaking poetry of devotion or essays in celebration of dawn light trees on others razor like distinctions about the nature of the mind challenges to conventional views of seeing or seething commentary on the shallowness of contemporary culture Taken together but in small considered bites the entries will provide a rare meal to any sincere practitioner who recognizes direct and authentic spiritual discourse The unique offering of this book is the deeply personal manner in which insights are presented using a journal format rather than direct instructions about spiritual topics An astute reader will glimpse even fall into the way of perceiving of a tantric spiritual adept We experience if only for a moment how things appear to one whose mind is free from conditioning Eye to Form challenges the reader to consider

familiar topics and scenarios from a new perhaps radical perspective The invitation here is to profound consideration of life s deeper meanings through the unique intersection of beauty wisdom and silence This is not a practical guide it offers no plans for or steps to enlightenment or happiness In fact the author has no compunction in undermining such fast food approaches to the recognition of Buddhahood Eye to Form therefore can be extremely beneficial to those who not looking to be told what to do but rather are inspired to think deeply carefully and freshly Intelligent choices on the spiritual path can be made only as one s considerations reach beyond ordinary mind s conditioning The challenge for this type of consideration is perhaps more useful than yet another self help manual Traktung Yeshe Dorje has been guiding both individuals and community for the last 23 years drawing his students and friends into the world of spiritual awakening by offering them a window into a different way of considering appearances He teaches in the U S and Europe and is also president of Wishing Tree Gardens a non profit sustainable agriculture educational program in Ann Arbor Michigan

Pistis Sophia and The Corpus Hermeticum ,1947-01-01 It came to pass when Jesus had risen from the dead that he passed eleven years discoursing with his disciples and instructing them only up to the regions of the First Commandment and up to the regions of the First Mystery that within the Veil within the First Commandment which is the four and twentieth mystery without and below those four and twenty which are in the second space of the First Mystery which is before all mysteries the Father in the form of a dove What the First Mystery surroundeth And Jesus said to his disciples I am come forth out of that First Mystery which is the last mystery that is the four and twentieth mystery And his disciples have not known nor understood that anything existeth within that mystery but they thought of that mystery that it is the head of the universe and the head of all existence and they thought it is the completion of all completions because Jesus had said to them concerning that mystery that it surroundeth the First Commandment and the five Impressions and the great Light and the five Helpers and the whole Treasury of the Light And moreover Jesus had not told his disciples The regions of the great Invisible the total expansion of all the regions of the great Invisible and of the three triple powers and of the four and twenty invisibles and all their regions and their ons and their orders how they are extended those which are the emanations of the great Invisible and their ungenerated and their self generated and their generated and their light givers and their unpaired and their rulers and their authorities and their lords and their archangels and their angels and their decans and their servitors and all the houses of their spheres and all the orders of every one of them The Treasury of the Light And Jesus had not told his disciples the total expansion of the emanations of the Treasury nor their orders how they are extended nor had he told them their saviours according to the order of every one how they are nor had he told them what guard is at every gate of the Treasury of the Light nor had he told them the region of the Twin saviour who is the Child of the Child nor had he told them the regions of the three Am ns in what regions they are expanded nor had he told them into what region the five Trees are expanded nor as to the seven Am ns that is the seven Voices what is their region how they are expanded The Light world And Jesus had not

told his disciples of what type are the five Helpers nor into what region they are brought nor had he told them how the great Light hath expanded itself nor into what region it hath been brought nor had he told them of the five Impressions nor as to the First Commandment into what region they have been brought But he had discoursed with them generally teaching that they exist but he had not told them their expansion and the order of their regions how they are For this cause they have not known that there were also other regions within that mystery And he had not told his disciples I have gone forth out of such and such regions until I entered into that mystery and until I went forth out of it but in teaching them he said to them I am come forth from that mystery For this cause then they thought of that mystery that it is the completion of completions and that it is the head of the universe and that it is the total Fulness For Jesus had said to his disciples That mystery surroundeth that universe of which I have spoken unto you from the day when I met with you even unto this day For this cause then the disciples thought there is nothing within that mystery **Earn Extra Money In Your Spare Time, GUARANTEED!**
