Leadership (The Leading Edge Series) George Barna, 1998-04-22 How does a Christian lead By following today s secular business models or by simply studying the life of Christ and pursuing a servant based style In this insightful practical book George Barna has pulled together some of today s top Christian leaders to talk about the subject of Christian leadership Articles include The Tasks of a Leader by Ken Gangel The Character of a Leader by Jack Hayford Prayer in Leading People by Peter Wagner and much more See what today s leaders have to say about leadership and learn what it takes to serve the Church as a Christ centered change agent **Just One Hour** Rev. Dr. Winelle Kirton-Roberts, 2022-06-07 Go ye therefore and teach all nations Teaching them to observe all things whatsoever I have commanded you Matthew 28 19a 20a is the Great Commission of Jesus Christ Jesus in his ministry taught his followers the Word of God and mandated them to continue to teach all nations peoples and tongues Today Christian believers gather weekly for public worship There is singing praying musical renditions reading of the scriptures rites and sacraments and the preaching of the Word Unfortunately most teaching ministries including the weekly Bible Studies attract little interest resulting in small attendances Busy schedules inadequate preparation and misguided focus are but some of the reasons why our Churches are failing to fulfil the instructions of Jesus to teach This book Just One Hour is a prayerful thoughtful systematic teaching tool that would inspire all believers to go deeper into God's word. The wide range of topics covered are important for evangelism discipleship pastoral care family life and social action It is a book that can be used by the believer at home for personal and family study as well as for leaders of small or large Bible Study groups Coaching Ministry Teams Kenneth O. Gangel, 2006-10-18 In competitive sports we prize teamwork We know that a mature team will usually beat an astounding collection of individual players The burden of creating such esprit de corps falls to the coach and the team of leaders he has assembled After all a team without a coach cannot win But what happens when the coach himself does not understand the dynamics of teamwork In a similar manner every leader of every church is a coach of sorts with a ministry team responsible for the life of the church The question put to you as a pastor is this Are you a team player Even more to the point Whose team are you building Too many church leaders writes author Kenn Gangel have fallen into the trap of personal kingdom building a focused concern on one s own and present ministry without a wider recognition of kingdom participation. The net effect of this condition has led to narrow vision stunted church growth and frustrated relationships within the body of Christ In contrast Gangel explores broad and penetrating support throughout the Word of God for team based inclusive cooperative leadership From Jethro s advice to Moses all the way to Jesus s approach to discipleship biblical leadership is viewed as a tool to be shared a model of servanthood mentoring and the mutual interdependence of gifts Along the way Gangel explores the character attributes of successful biblical leadership common things like humility patience and quiet dignity From there he reveals how these qualities open an authentic leader up to the wide and thrilling possibilities of working hand in hand with others in the Lord s work together The Intercollegian ,1900 Towards Vital Wholeness in Theological Education Jessy Jaison, 2017-08-14
