Commandery,1892 **The Making of a Leader** Josiah Bunting III,2024-03-19 A portrait of one of the greatest leaders of modern history George Catlett Marshall 1880 1959 and a distillation of the essential lessons his formative years offer to the leaders of today and tomorrow George Marshall's accomplishments are well known after helping to guide the Allies to victory during World War II he set Europe on the postwar path to recovery with the plan that bears his name and was awarded the Nobel Peace Prize in 1953 But how did he become such an effective leader By eschewing the years and accomplishments for which Marshall is most often remembered and focusing instead on the decisive moments that preceded them *The Making of a Leader* provides the most detailed look yet at the mettle of Marshall's character from his arrival as a cadet at the Virginia Military Institute and his Fort Leavenworth days where he learned how to learn to his instructive time as John J Pershing's aide de camp and his critical experiences during World War I Josiah Bunting III a lifelong educator and former superintendent of Marshall's alma mater highlights the importance of Marshall's activity between the wars when he led the single most influential period of military education at Fort Benning eventually culminating in his appointment as Army Chief of Staff in 1939 In this illuminating portrait Bunting cuts through the legend of Marshall to the man his frustrations passions loves and brilliance revealing a humble commander who knew not only how to lead but how to see the leader in others
