Personal Touch Encouraging Others Through Hospitality:

The Personal Touch Rachael Crabb, Raeann Hart, 1990 *Renewal on the Run* Jill Briscoe, 1992 The Joy of Hospitality Dee Brestin, 1993 Dee Brestin knows women wish to make their homes a haven from the storms of life whether that home is a dorm room an apartment or a mansion This guide will help them to do that for their own families their extended family their friends and those in their path who are in spiritual emotional or physical need A Christian home is a miracle to be shared and Scripture abounds in models to show us how We are commanded to practice hospitality and obedience to this will lead to the joyful fruitful life God longs for us to have A special section on hospitality and the holidays can be reprinted for groups Dee Brestin ministers to the hearts of women with her speaking and writing She is the author of *The Friendships of Women* *The Lifestyles of Christian Women* Victor and eight Fisherman Bible study guides Shaw She and her husband Steve are the parents of five children and live in Nebraska *The Other Philadelphia Story* Ram A. Cnaan, Stephanie C. Boddie, Stephanie Boddie, Charlene C. McGrew, Jennifer Kang, 2010-11-24 For people living in U S cities social services come not only from the government but increasingly also from local religious communities Ever since the Clinton administration s welfare reform faith based institutions and especially congregations have been allowed to bid for federal funds for their programs In *The Other Philadelphia Story* drawing on the first ever census of congregations in any American city Ram Cnaan and his colleagues provide an authoritative account of the functioning of congregations their involvement in social services and their support of other charitable organizations An in depth study of 1 392 congregations in Philadelphia the book illuminates how these groups function as community hubs where members and neighbors alike gather throughout the week Cnaan s findings show that almost every assembly of parishioners emphasizes caring for others even if the help is modest Thus American congregations uphold an implicit but strong norm of social responsibility and work to improve the quality of life for members and nonmembers alike Many of the problems associated with urban life persist in the face of governmental inaction and the burden of responsibility cannot be shouldered entirely by congregations However in a city such as Philadelphia where half the residents are regular attenders of religious congregations hopes for urban improvement are largely to be found in these local groups Special focus is given in the book to kinds of care that often go unnoticed volunteerism provision of refuge and informal assistance to community members in need All told Cnaan asserts congregations are an essential component of Philadelphia s civil society Without them the quality of life would deteriorate immeasurably *Report Commonwealth Shipping Committee*, 1916 *Hospitality Management* Simon Hudson, 2025-02-13 This engaging and accessible textbook takes an international approach gives students an opportunity to gain a comprehensive understanding of the principles of hospitality management whilst being exposed to real life examples that influence today s hospitality marketplace This insightful and richly illustrated book is logically structured comprising 14 carefully crafted chapters which follow the curriculum Key features include Engaging content on the latest trends in

hospitality management in a post COVID world including innovation technology and sustainability Unique core concepts are supported by international case studies to illuminate the practical realities of hospitality management in different parts of the world each chapter includes two case studies with questions to encourage further analysis and discussion Each chapter contains Industry Voices and Technology in Practice boxes detailed reference lists and links to relevant websites and videos The book is also accompanied by additional online teaching resources including PowerPoint slides for each chapter a test bank of questions and links to further resources such as additional case studies and videos This volume is a vital resource for undergraduate hospitality students as well as educators and practitioners globally

In Search of Hospitality Conrad Lashley, Alison Morrison, 2010-02-17 In Search of Hospitality is a unique contribution to the study of hospitality exploring the practice of hospitality across disciplines and adopting an international perspective where appropriate This title brings together an extraordinary collection of leading researches and writers in hospitality sociology philosophy and social history thereby providing a broad and comprehensive perspective on hospitality It focuses the study of hospitality across the range of human social and economic settings and provides a reference point for the future development of hospitality as an academic discipline Harnessing this wide range of viewpoints In Search of Hospitality offers an intellectually stimulating and innovative approach to the study of hospitality It is ideal for students and academics within both the applied fields of hospitality and tourism studies and the general fields of business studies and behaviour sciences It is also suitable for practitioners in hospitality leisure and tourism businesses for whom it provides a provocative and informative guide to understanding and providing hospitality within a commercial context
