Personal Identity John Perry Paperback:

Personal Identity John Perry, 1975 This volume brings together the vital contributions of distinguished past and contemporary philosophers to the important topic of personal identity The first part sets forth the attempts by John Locke Anthony Quinton and H P Grice to analyze personal identity in terms of memory The eleven other selections are largely critical of this approach and provide alternative perspectives Part II contains classic contributions by Joseph Butler Thomas Reid and Sydney S Shoemaker and a new paper by John Perry *Personal Identity Memory and the Problem of Circularity* in which he defends some of the central features of the Locke Grice Quinton approach Part III contains three sections from David Hume's *Treatise of Human Nature* Our idea of Identity Of Personal Identity and an appendix which the editor has entitled *Second Thoughts* In the fourth part of the volume Bernard Williams discusses *The Self and the Future* and Derek Parfit contributes his view of *Personal Identity* A recurring theme throughout the work is the possibility of body transfer of a single person having at different times different bodies In the final section of the volume Brian Bisection and the Unity of Consciousness Thomas Nagel examines the philosophical implications of recent scientific research on split brain patients he discusses the possibility entertained by some researchers that such cases involve two persons simultaneously inhabiting a single body In his long introduction to this unique anthology on a topic of prime interest to the philosophical community Mr Perry scrutinizes the differing approaches and vocabularies of the various authors The editor also includes *Suggestions for Further Reading*

Identity, Personal Identity, and the Self John Perry, 2002 This volume collects a number of Perry's classic works on personal identity as well as four new pieces *The Two Faces of Identity* *Persons and Information* *Self Notions* and *The Self and The Sense of Identity* Perry's Introduction puts his own work and that of others on the issues of identity and personal identity in the context of philosophical studies of mind and language over the past thirty years

Identity, Personal Identity, and the Self John Perry, 2002-09-13 This volume collects a number of Perry's classic works on personal identity as well as four new pieces *The Two Faces of Identity* *Persons and Information* *Self Notions* and *The Self and The Sense of Identity* Perry's Introduction puts his own work and that of others on the issues of identity and personal identity in the context of philosophical studies of mind and language over the past thirty years

Personal Identity John Perry, 2008-05-07 This volume brings together the vital contributions of distinguished past and contemporary philosophers to the important topic of personal identity The essays range from John Locke's classic seventeenth century attempt to analyze personal identity in terms of memory to twentieth century defenses and criticisms of the Lockean view by Anthony Quinton H P Grice Sydney Shoemaker David Hume Joseph Butler Thomas Reid and Bernard Williams New to the second edition are Shoemaker's seminal essay *Persons and Their Past* selections from the important and previously unpublished Clark Collins correspondence and a new paper by Perry discussing Williams

A Dialogue on Personal Identity and Immortality John Perry, 1977-12-01 Perry's excellent dialogue makes a complicated topic stimulating and accessible without any sacrifice of

scholarly accuracy or thoroughness Professionals will appreciate the work s command of the issues and depth of argument while students will find that it excites interest and imagination David M Rosenthal CUNY Lehman College

Personal Identity Ellen Frankel Paul,Fred Dycus Miller,Jeffrey Paul,2005 What is a person What makes me the same person today that I was yesterday or will be tomorrow Philosophers have long pondered these questions In Plato s Symposium Socrates observed that all of us are constantly undergoing change we experience physical changes to our bodies as well as changes in our manners customs opinions desires pleasures pains and fears Aristotle theorized that there must be some underlying substratum that remains the same even as we undergo these changes John Locke rejected Aristotle s view and reformulated the problem of personal identity in his own way is a person a physical organism that persists through time or is a person identified by the persistence of psychological states by memory These essays written by prominent philosophers and legal and economic theorists offer valuable insights into the nature of personal identity and its implications for morality and public policy

Personal Identity Georg Gasser,Matthias Stefan,2012-11-15 We take it for granted that a person persists over time when we make plans we assume that we will carry them out when we punish someone for a crime we assume that she is the same person as the one who committed it Metaphysical questions underlying these assumptions point towards an area of deep existential and philosophical interest In this volume leading metaphysicians discuss key questions about personal identity including What are we How do we persist and Which conditions guarantee our identity over time They discuss whether personal identity is complex whereby it is analyzable in terms of simpler relations such as physical or psychological features or whether it is simple namely something that cannot be analyzed in terms of more fundamental relations Their essays offer an innovative discussion of this topic and will be of interest to a wide readership in metaphysics

Philosophy through Film Amy Karofsky,Mary M. Litch,2014-07-11 Many of the classic questions of philosophy have been raised illuminated and addressed in celluloid In this Third Edition of *Philosophy through Film* Mary M Litch teams up with a new co author Amy Karofsky to show readers how to watch films with a sharp eye for their philosophical content Together the authors help students become familiar with key topics in all of the major areas in Western philosophy and master the techniques of philosophical argumentation The perfect size and scope for a first course in philosophy the book assumes no prior knowledge of philosophy It is an excellent teaching resource and learning tool introducing students to key topics and figures in philosophy through thematic chapters each of which is linked to one or more focus films that illustrate a philosophical problem or topic Revised and expanded the Third Edition features A completely revised chapter on Relativism now re titled Truth with coverage of the correspondence theory the pragmatist theory and the coherence theory The addition of four new focus films *Inception* *Moon* *Gone Baby Gone* *God on Trial* Revisions to the General Introduction that include a discussion of critical reasoning Revisions to the primary readings to better meet the needs of instructors and students including the addition of three new primary readings excerpts from Bertrand Russell s *The Problems of Philosophy* from

William James Pragmatism A New Way for Some Old Ways of Thinking and from J L Mackie s Evil and Omnipotence Updates and expansion to the companion website including a much expanded list of films relevant to the various subfields of philosophy Films examined in depth include Hilary and Jackie The Matrix Inception Memento Moon I Robot Minority Report Crimes and Misdemeanors Gone Baby Gone Antz Equilibrium The Seventh Seal God on Trial Leaving Las Vegas **An Encyclopedia of Philosophy** G.H.R. Parkinson,2012-10-12 Presents a broad survey of philosophical thought Each chapter explores and places in context a major area of philosophical enquiry including the theory of meaning and of truth the theory of knowledge the philosophies of mathematics science and metaphysics the philosophy of mind moral and political philosophy aesthetics and religion Annotated bibliographies for each chapter and indexes of names and subjects Glossary of commonly used philosophical terms Chronological table of the history of philosophy from 1600 It is a fine achievement and deserves the warmest praise Anyone interested in learning what contemporary philosophical debate is about will find this book invaluable for a book of this size and quality of content the cover price is modest Every public library as well as every university college and school library should have a copy on its shelves Times Higher Education Supplement A stimulating collection Reference Reviews *There Are Two Errors in the the Title of This Book, Revised and Expanded (Again)* Robert M. Martin,2011-10-26 As this book richly and entertainingly demonstrates philosophy is as much the search for the right questions as it is the search for the right answers Robert M Martin s popular collection of philosophical puzzles paradoxes jokes and anecdotes is updated and expanded in this third edition with dozens of new entries *Philosophy Through Video Games* Jon Cogburn,Mark Silcox,2009-09-10 In Philosophy Through Video Games Jon Cogburn and Mark Silcox philosophers with game industry experience investigate the aesthetic appeal of video games their effect on our morals the insights they give us into our understanding of perceptual knowledge personal identity artificial intelligence and the very meaning of life itself arguing that video games are popular precisely because they engage with longstanding philosophical problems **Identities of Persons** Amélie Oksenberg Rorty,1976 In this volume thirteen philosophers contribute new essays analyzing the criteria for personal identity and their import on ethics and the theory of action it presents contemporary treatments of the issues discussed in Personal Identity edited by John Perry University of California Press 1975 **Persons, Souls and Death** David H. Lund,2009-04-22 Awareness of mortality is the price of intelligent consciousness This book argues that a person is essentially an immaterial subject of conscious states who though intimately linked by causal ties to the body is nevertheless distinct from it The book also examines apparently paranormal occurrences supporting the belief that some persons have survived bodily death Cases of near death experiences apparitions reincarnation experiences and mediumship phenomena are presented and discussed Though it might seem contrary to natural law for a person to exist apart from a body and properly functioning brain these cases suggest otherwise Critical evaluation of alternative interpretations is provided *Communities of Memory* William James Booth,2018-07-05 Memory has fueled merciless violent strife and it has been at

the core of reconciliation and reconstruction It has been used to justify great crimes and yet it is central to the pursuit of justice In these and more everyday ways we live surrounded by memory individual and social in our habits our names the places where we live street names libraries archives and our citizenship institutions and laws Still we wonder what to make of memory and its gifts though sometimes we are hardly even certain that they are gifts Of the many chambers in this vast palace I mean to ask particularly after the place of memory in politics in the identity of political communities and in their practices of doing justice from the Preface W James Booth seeks to understand the place of memory in the identity ethics and practices of justice of political communities Identity is he believes a particular kind of continuity across time one central to the possibility of agency and responsibility and memory plays a central role in grounding that continuity Memory identity takes two forms a habitlike form the deep presence of the past that is part of a life led in common and a more fragile vulnerable form in which memory struggles to preserve identity through time notably in bearing witness a form of memory work deeply bound up with the identity of political communities Booth argues that memory holds a defining place in determining how justice is administered Memory is tied to the very possibility of an ethical community one responsible for its own past able to make commitments for the future and driven to seek justice Underneath and motivating the politics of memory understood as contests over the writing of history over memorials museums and canons he writes there lies an intertwining of memory identity and justice Communities of Memory both argues for and maps out that intertwining *The Commercial Appropriation of Fame* David Tan, 2017-04-20 9 1 A Pragmatic Cultural Framework for Legal Analysis 9 2 Concluding Remarks Bibliography Index **Should You Choose to Live Forever?** Stephen Cave, John Martin Fischer, 2023-11-22 In this book Stephen Cave and John Martin Fischer debate whether or not we should choose to live forever This ancient question is as topical as ever while billions of people believe they will live forever in an otherworldly realm billions of dollars are currently being poured into anti ageing research in the hope that we will be able to radically extend our lives on earth But are we wise to wish for immortality What would it mean for each of us as individuals for society and for the planet In this lively and accessible debate the authors introduce the main arguments for and against living forever along with some new ones They draw on examples from myth and literature as well as new thought experiments in order to bring the arguments to life Cave contends that the aspiring immortalist is stuck on the horns of a series of dilemmas such as boredom and meaninglessness or overpopulation and social injustice Fischer argues that there is a vision of radically longer lives that is both recognizably human and desirable This book offers both students and experienced philosophers a provocative new guide to a topic of perennial importance Key Features Gives a comprehensive overview of the main arguments for and against living forever Uses lively examples from myth literature and novel thought experiments Highly accessible avoiding jargon and assuming no prior knowledge without sacrificing intellectual rigour Includes helpful pedagogical features including chapter summaries an annotated reading list a glossary and clear examples **The**

Philosophical Inquiry Jonathan Eric Adler, Catherine Z. Elgin, 2007-01-01 Provides a problems oriented approach This book contains substantial readings from major classical and contemporary thinkers engaged in philosophical inquiry

Moral Psychology and Human Agency Justin D'Arms, Daniel Jacobson, 2014-11-06 These ten original essays examine the moral and philosophical implications of developments in the science of ethics the growing movement that seeks to use recent empirical findings to answer long standing ethical questions Efforts to make moral psychology a thoroughly empirical discipline have divided philosophers along methodological fault lines isolating discussions that will profit more from intellectual exchange This volume takes an even handed approach including essays from advocates of empirical ethics as well as those who are sceptical of some of its central claims Some of these essays make novel use of empirical findings to develop philosophical research programs regarding such crucial moral phenomena as desire emotion and memory Others bring new critical scrutiny to bear on some of the most influential proposals of the empirical ethics movement including the claim that evolution undermines moral realism the effort to recruit a dual process model of the mind to support consequentialism against other moral theories and the claim that ordinary evaluative judgments are seldom if ever sensitive to reasons because moral reasoning is merely the post hoc rationalization of unthinking emotional response

Medicine and Moral Reasoning K. W. M. Fulford, Grant Gillett, Janet Martin Soskice, 1994-03-03 A collection examining the theoretical basis of medical ethics and the nature of moral thinking

Personal Identity John Perry Paperback Introduction

In today's digital age, the availability of Personal Identity John Perry Paperback books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Personal Identity John Perry Paperback books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Personal Identity John Perry Paperback books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Personal Identity John Perry Paperback versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Personal Identity John Perry Paperback books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Personal Identity John Perry Paperback books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they

can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Personal Identity John Perry Paperback books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Personal Identity John Perry Paperback books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Personal Identity John Perry Paperback books and manuals for download and embark on your journey of knowledge?
