The International Relations of Northeast Asia Samuel S. Kim, 2003-10-07 Is Northeast Asia primed for peace or ripe for great power rivalry In this turbulent region all the world order challenges of arms control and disarmament global North South tensions human rights and humanitarian intervention environmental protection and eco development and democratization and humane governance are concentrated More than any other part of the world the divided Korean peninsula is the strategic crossroad where the four major regional global powers the United States Russia China and Japan uneasily interact This authoritative work explores the complex and evolving interplay of national regional and global forces influencing Northeast Asia s security economy and identity Written by a team of leading scholars the book presents a variety of theoretical perspectives and case studies to offer a comprehensive analysis of the pressures that shape the policy choices of China Russia Japan the United States North and South Korea and Taiwan The authors historically and culturally informed narratives help track and explain the changes and continuities of relationships within the region and with the United States and Russia Concise and current this book will be essential reading for all those concerned with the role of a changing Northeast Asia in world politics

National Identity and Foreign Policy Ilya Prizel, 1998-08-13 This book is based on the premise that the foreign policy of any country is heavily influenced by a society s evolving notions of itself Applying his analysis to Russia Poland and Ukraine the author argues that national identity is an ever changing concept influenced by internal and external events and by the manipulation of a polity s collective memory The interaction of the narrative of a society and its foreign policy is therefore paramount This is especially the case in East Central Europe where political institutions are weak and social coherence remains subject to the vagaries of the concept of nationhood Ilya Prizel s study will be of interest to students of nationalism as well as of foreign policy and politics in East Central Europe

South Korean Identity and Global Foreign Policy Patrick Flamm, 2019-05-13 In the 20th century South Korea was usually seen as a shrimp amongst whales a minor player with limited agency in regional and global affairs Korea s risen status as a middle power today however begs the question about related changes in the South Korean identity or sense of self in the world In this book Patrick Flamm presents the first comprehensive and agency oriented empirical account of South Korean international state identity and Seoul s global foreign policy in the 21st century Advancing a performative and narrative understanding of identity in International Relations Flamm uses South Korea s global engagement in peacekeeping and

climate diplomacy to offer much needed insight into the various identity narratives and role conceptions at play In the case of peacekeeping and climate diplomacy South Korea s identity as an international actor has been dominated by practices of self identification that position the country at the brink of advanced countries aspiring to lead the rest of the world but with the overall objective to maintain national autonomy in a changing regional and global context South Korean Identity and Global Foreign Policy is a must read for scholars of International Relations Foreign Policy Analysis and Asian Korean Studies

China and the Great War Guoqi Xu,2005-02-24 Publisher Description National Identity in Times of Crises Nora Femenia,1996 As the 21st century dawns the world is experiencing a firestorm of local and regional wars But these wars are significantly different from other such wars during the past hundred years The two major differences are the current advanced state of weaponry and the presence of big media simultaneously constructing different and contradicting realities National identity mobilization is the driving force behind these disputes which UN seems unable to resolve The Falklands Malvinas War between Argentina and the United Kingdom is particularly instructive for understanding of regional and local wars The participants were from different continents cultures military strengths and possessed vastly different basic assumptions The author examines this war as a case study crucial to a clearer understanding of national self images mobilization of national identity and aggressive decision making Amazon com *Kinship & Diasporas in International Affairs* Yossi Shain,2007 A major study of the vast but until now unappreciated influence of kinship and diaspora on international politics

The Top Books of the Year Personal Identity National Identity And International Relations The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Pappen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
