**God,
We pray that Your Church
would be hospitable to all of
Your people—particularly the
elderly. Would Your people
see the beauty and benefit of
being in relationship and
sharing life with our elderly
neighbors who have much to
teach us. We pray for
enduring, mutually beneficial
relationships for our elderly
neighbors.
Amen.**

Personal Prayers For Seniors Personal Prayers:

Personal Prayers for Seniors Alan Schreiber, 2002 This book offers brief simple prayers that are down to earth and deal with everyday topics and situations senior adults face The prayers encourage readers in their day to day Christian faith and help them talk to God about their concerns It includes 31 days of morning and evening prayers This is part of the Personal Prayers Series

Prayers of Jewish Women Markus H. McDowell, 2006 Markus McDowell examines how the literature of the Second Temple period portrays women at prayer through an examination of the literary context and character of those prayers The goal of this work is a greater understanding of how women were portrayed in literary sources and an offering of some fresh insights for the study of women's religious and social roles in the ancient world The texts are analyzed and categorized within five areas social location content form occasion and gender perspective The prayers are also compared and contrasted with men's prayers in the same sources The analysis includes locating as much as possible the historical literary and cultic context of each document in which these prayers appear By examining all prayers in these texts uttered by women not just prayers of named or prominent women and then comparing them with all the prayers of men in those same texts certain patterns appear This study adds to our knowledge of women and religion in Second Temple Judaism by primarily exploring patterns that appear among the prayers in the literature of the Second Temple period While there are fewer prayers by women than men in this literature the prayers of women are not portrayed as significantly different from those of men in terms of social location content form or occasion At the same time the prayers of women exhibit other patterns of language and in a minor way form and occasion that differ from the prayers of men

How to Make Prayer More Effective Herbert Lockyer, 2012-05-01 Without a doubt prayer is the greatest art in the world a holy art that needs only to be learned and practiced The greatest difference between effective and anemic Christianity is prayer The most fruitful soul winners are those who make much of prayer The greatest preachers of the gospel and missionaries of the cross are those who pray long and often Everyday believers who walk in the power and miracles of God are people who see prayer not as a series of isolated acts but as an attitude of life To succeed at prayer is to realize that heaven is not far from earth It is the ability to bend the arm of God Join with best selling author Dr Herbert Lockyer as he sets out to study the nature of prayer and to better understand the simplicity and effectiveness of heartfelt communication with God **Improving Your Prayer Life through a Study of the Psalter** Randall C. Bailey, 2021-10-04 How should we pray Do we believe God answers our prayers Is it acceptable to complain to God Should we bargain with him to receive the

response we desire Why do we praise God Does our praise make him any more God John Calvin argued basically that the purpose of prayer is to realign the petitioner s feelings and beliefs with God s Many today seem to have adopted this idea One says Why pray at all God knows everything so my prayers cannot change his mind I must pray to discover God s will for my life I must realign my will with God s will for my life In contrast the psalmists assumed a reciprocal process They believed they could bring pressures on God to answer their requests They would bargain with God and promise him certain things if he would only grant their petitions Indeed this was part of the process They would obligate themselves to praise God if he would grant their desires Such bargaining was the foundation of their prayers Comparisons of Calvin s views with the psalmists allows the reader to investigate the nature of his or her prayer life and make improvements where necessary

Jesus Imandars and Christ Bhaktas Jonas Adelin Jørgensen,2008 The massive changes of Christianity during the 20th century raise the perennial question about its identity in a new radical form The author addresses the question of identity and asks how globalisation religious pluralism and the polycentric nature of Christianity affect Christian self identification and theological reflection First religious life and theological reflection among believers in Jesus from Muslim and Hindu background in South Asia is presented in two empirical studies Secondly the findings are analysed and interpreted within a broad theoretical framework drawing on models for syncretistic processes from history of religions cultural anthropology and Christian theology Finally the study concludes with a systematic theological perspective on the interreligious hermeneutics underlying the changes of Christianity and discusses how interreligious hermeneutics might inform missiology as well as Christian theologies of religions and how this might challenge our understanding of the church s nature and mission In conclusion it is argued that a global polycentric Christianity can be interpreted as fellowship created by the Spirit and centred on Christ
