The Routledge International Handbook on Narrative and Life History Ivor Goodson, Ari Antikainen, Pat Sikes, Molly Andrews, 2016-10-04 In recent decades there has been a substantial turn towards narrative and life history study. The embrace of narrative and life history work has accompanied the move to postmodernism and post structuralism across a wide range of disciplines: sociological studies, gender studies, cultural studies, social history, literary theory, and most recently psychology. Written by leading international scholars from the main contributing perspectives and disciplines, *The Routledge International Handbook on Narrative and Life History* seeks to capture the range and scope as well as the considerable complexity of the field of narrative study and life history work by situating these fields of study within the historical and contemporary context. Topics covered include: The historical emergences of life history and narrative study; Techniques for conducting life history and narrative study; Identity and politics; Generational history; Social and psycho-social approaches to narrative history. With chapters from expert contributors, this volume will prove a comprehensive and authoritative resource to students, researchers, and educators interested in narrative theory, analysis, and interpretation. *Promoting Career Development after Personal Injury* James A. Athanasou, 2017-01-28 The text provides postgraduate students with a comprehensive introduction to career development for this specialised field. It covers the disadvantages commonly experienced in education and work by someone with a disability. The relevance of ability, interest, and values for job choice is stressed. Assessment, guidance, and counselling are outlined. Job placement and accommodation to the workplace are treated as key issues. This book is the second in a series of books and could be read usefully in conjunction with the author's previous Sense publication *Encountering Personal Injury* 2016. However, there is no pre-requisite knowledge needed. The current text arose from a background of some 30 years teaching research and clinical practice in this field. Each chapter builds towards the satisfactory educational and vocational placement of a person. A total of 19 clinical case studies are used. This text is written in an informal, easy-to-read and light-hearted style. It will find applications wherever personal injury is encountered in special education, career development, vocational and rehabilitation psychology, rehabilitation counselling, social work, occupational therapy, and physiotherapy. **TIMELINE DECODING COURSE** DUKE SOUZA, This course is a deep dive into the fascinating concept of timelines and how to apply it to transform your reality. Throughout its chapters, the reader embarks on a journey through quantum science, spirituality, and neuroscience, learning how their choices, thoughts, and emotions directly influence the timeline they experience. The book offers practical tools and techniques to access higher versions of reality, break repetitive patterns, and co-create a life aligned with personal purpose. With clear and accessible language, this guide is perfect for those looking to expand their consciousness and become the protagonist of their own journey. **Experience Personal Fulfillment and Achieve Your Life's Destiny** James Anderson Charleson, 2013-12-31 In *Experience Personal Fulfillment and Achieve Your Life's Destiny*, author James Anderson Charleson reveals the deep lessons and connections between nature, the science of quantum physics, and the psychic sources of ancient mystical wisdom.
