Perspectives On A Grafted Tree Thoughts For Those Touched:

Perspectives on a Grafted Tree Patricia Irwin Johnston,1983 **Shattered Dreams--Lonely Choices** Joanne Finnegan,1993-07-13 Dreams of pregnancy include the expectation that nine months of waiting will end with a joyous event But each year a shattered dream occurs for thousands of couples who receive the news that their child will have a disabling condition severe enough that they may question if they are the best parents for their child Societal expectation is that parents will raise their child or if the condition of the child is detected prenatally abortion is offered as an alternative Parents who explore other options face scrutiny and sometimes condemnation lonely choices Joanne Finnegan shares her personal experience and that of several families she interviewed who like herself explored options other than raising their child with a disability Parents express with candor the overwhelming pain they felt when receiving the news the frustration when searching for options the no win feeling of decision making the resolve with a final decision and finally life after the decision Parent quotes also address issues such as spiritual dilemmas and interactions with friends family their other children and medical professionals Words of advice for new parents include how to build support systems and gather information how to search for an adoptive family and arranging the details of communication between adoptive and birth parents Interviews with adoptive parents poetry and extensive resource lists complete the book Written as a gift for other parents to help them cope with the pain and loneliness of decision making this book will also be a valuable resource for medical professionals adoption and social workers counselors and spiritual advisors and friends and family of the parents It is a helpful as well as a deeply therapeutic book providing a strong lesson in how to manage during this stressful time from receiving the news about the baby s condition and prognosis to weighing the factors involved in the various decisions Should one take the baby home from the hospital If not home then where Foster care respite care guardianship and other forms of substitute care are mentioned The author also examines decisions about finances and support services family issues finalizing an adoption plan living with the decision regrets and future pregnancies *Seven Core Issues in Adoption and Permanency* Sharon Roszia,Allison Davis Maxon,2019-07-18 Based on a hugely successful US model the Seven Core Issues in Adoption is the first conceptual framework of its kind to offer a unifying lens that was inclusive of all individuals touched by the adoption experience The Seven Core Issues are Loss Rejection Shame Guilt Grief Identity Intimacy and Mastery Control The book expands the model to be inclusive of adoption and all forms of permanency adoption foster care kinship care donor insemination and surrogacy Attachment and trauma are integrated with the Seven Core Issues model to address and normalize the additional tasks individuals and families will encounter The book views the Seven Core Issues from a range of perspectives including multi racial LGBTQ Hispanic Asian Native American African American International openness search and reunion and others This essential guide introduces each Core Issue its impact on individuals offering techniques for growth and healing

Parenting Adopted Adolescents Gregory Keck,2014-02-27 In his newest release Dr Gregory C Keck offers new insights

and parenting strategies relative to adolescents especially adopted adolescents Parents will find humor and relief as they realize their role in their child's journey in the adoption process The Spirit of Adoption Jeanne Stevenson

Moessner,2003-01-01 In this theology of adoption Stevenson Moessner argues that while the church has long understood the grounding self concept of a Christian as a child of God it has failed to underscore that all people come into the family of faith by adoption **Brothers and Sisters in Adoption** Arleta James,2012-02-15 What about the kids already there How do they

do when a child with a challenging past joins a family by adoption When experienced parents decide to adopt an older child or a sibling group they jump through all kinds of bureaucratic hoops background checks interviews group meetings reading assignments classes etc But most often the typically developing children these adults are already parenting whether through birth or adoption are left out of the process informed that a new kid is coming and simply expected to adjust to the addition of another sibling The addition of a child with a history of neglect or trauma cannot be a seamless transition The expectations of everyone involved parents new siblings and yes professionals facilitating the adoption must be realistic taking into account that the new child will need special attention that may take away time and attention from the already resident kids that family life is likely to be turned topsy turvy until appropriate counseling and support are in place that relationships will change Therapist Arleta James is certainly not the first person to recognize this but she is the first to do something about it Brothers and Sisters in Adoption offers insights and examples and sturdy practical proven tools for helping newly configured families prepare accept react and mobilize to become a new and different family meeting the practical physical and emotional needs of all its members These well prepared and supported families are the ones who thrive *Adoption and the*

Jewish Family Shelley Kapnek Rosenberg,1998 An indispensable resource to those families considering or affected by adoption this book takes an informed look at adoption from a Jewish perspective and will prepare readers for the many unforeseen challenges that may arise *Adopting On Your Own* Lee Varon,2000-10-04 Addresses questions and concerns of

prospective single adoptive parents and provides information on transracial and international adoption and the rights of gays and lesbians to adopt **Adoption** Barbara A. Moe,2007-03-29 This compilation of the best thinking about adoption by both

historical and current authorities reveals a vital ever changing practice affecting the lives of millions of people around the globe The ancient practice of adoption has changed significantly through history In colonial America parents adopted out their unwanted children those who were rude stubborn and unruly to other families Today Americans go abroad looking for children to adopt and have adopted more than a quarter million internationally Adoption A Reference Handbook Second

Edition not only traces the development of expert thinking about adoption it also looks at both sides of the latest controversial issues Should adoptions be open or closed Should the government regulate adoptions more closely or less This updated second edition offers an international perspective with a new chapter on how countries outside the United States provide adoption services This work is an indispensable resource for those thinking about adoption or researching its history
