Integration Paul J. Morrison, 2022-06-23 While the Southern Baptist Convention has so often been a step behind on the issue of race since its formation there was still light shining in the darkness a group of biblically faithful men and women who both recognized and fought for their racially marginalized brothers and sisters Chief among these men and women was Thomas Buford Maston T B Maston faithfully engaged the topic as the SBC's preeminent ethicist from 1922-1963 as a professor at Southwestern Baptist Theological Seminary This stand ultimately cost him his job Even still some sixty years later his theology and ethics model the full unity in Christ This book examines the writings of T B Maston in his efforts to reform the racially misguided interpretations of Scripture in the church and their subsequent prejudices Maston is not merely a visionary who foreshadowed the eventual position of the SBC and more widely the evangelical church but is one who directly caused legitimate change Maston's profound yet humble work gives a blueprint for future racial reconciliation through integration in the church

The Routledge International Handbook of Sociology and Christianity Dennis Hiebert, 2023-10-18 The Routledge International Handbook of Sociology and Christianity examines the intersection of the sociology of religion a long standing focus of sociology as a discipline and Christianity the world's largest religion An internationally representative and thematically comprehensive collection it analyzes both the sociology of Christianity and Christian approaches to sociology with attention to the Roman Catholic Orthodox and Protestant branches of Christianity An authoritative state of the art review of current research it is organized into five inter connected thematic sections considering the overlapping emergence of both the Christian religion and the social science the conceptualization of and engagement with Christianity by sociological theory the ways in which Christianity shapes and is shaped by various social institutions the manner in which Christianity resists and promotes various forms of social change and the identification diagnosis and correction of social problems by sociology and Christianity This volume is an invaluable collection for scholars and advanced students with special appeal for those working in the fields of sociology and social theory as well as religious studies and theology

Christian Perspectives on the Role of the State, Justice, and Taxation Robert F. van Brederode, 2025-07-19 This book *Christian Perspectives on the Role of the State Justice and Taxation* examines the historical and ongoing influence of Christian ethical thought on taxation governance and distributive justice Building on themes introduced in *Political Philosophy and Taxation* Springer 2022 which focused on secular perspectives this sequel shifts attention to the contributions of Christian thinkers from Medieval times to the present The book explores key questions surrounding the role of the state the relationship between the state and its subjects the moral right to tax and what constitutes fairness in taxation It investigates how Christian ethical teachings have shaped Western political philosophy particularly in the context of distributive justice and evaluates their relevance in contemporary discussions By analyzing the

intersection of theology ethics and political philosophy this book provides a deeper understanding of how Christian traditions have influenced historical notions of justice fairness and governance It offers insights into how these principles can inform modern policy debates and ethical considerations in taxation This book serves as a valuable resource for scholars students and professionals interested in religious ethics political philosophy and public policy It invites readers to reflect on the enduring impact of Christian thought on concepts of justice and the responsibilities of the state Psychology in Christian Perspective Harold Faw,1995-06-01 This book follows the standard progression of introductory psychology texts and adds a Christian perspective that contributes needed diversity to the study of the mind and behavior Topics range from ESP to moral development Each chapter provides an introduction and overview of a given theme a discussion of issues an exploration of how psychological and biblical perspectives might be complementary and a recap with suggested readings **Assessment for Counseling in Christian Perspective** Stephen P. Greggo,2019-03-19 Assessment in counseling is an ongoing and dynamic routine to encourage movement in a productive direction toward what is truly best In this Christian perspective on assessment Stephen P Greggo equips counselors to put assessment techniques into practical use charting a course for care that brings best practices of the profession together with practices of Christian discipleship Applied Christian Ethics Matthew Lon Weaver,2014-09-09 Applied Christian Ethics addresses selected themes in Christian social ethics The book is divided in three parts In the first section Foundation several contributors reveal their Christian realist roots and discuss the prophetic origins and multifarious agenda of social ethics Thus the names of Reinhold Niebuhr and Paul Tillich come up frequently In the second section Economics and Justice the focus turns to the different levels at which economics has significance for social justice These chapters discuss fair housing at the local level the dialogue between Christians and Native Americans over property rights at the regional and national levels and trade and international organization In the third and final section Politics War and Peacemaking the content ranges from the existential experience of a soldier to that of a veteran of civil rights activism from theorizing about peacemaking to commenting on the use of drones *Global Theology in Evangelical Perspective* Jeffrey P. Greenman,Gene L. Green,2012-04-07 Jeffrey P Greenman and Gene L Green edit this collection of essays from the proceedings of the 2011 Wheaton Theology Conference The essays explore the past present and future shape of biblical interpretation and theological engagement in the Majority World Leading scholars from around the world interact with the key theological issues being discussed in their regions In addition some theological voices from minority communities in North America address issues particular to their context and which often overlap with those central in Majority World theology Contributors include Vince Bacote Samuel Escobar Ken Gnanakan James Kombo Mark Labberton Terry LeBlanc Juan Mart nez Ruth Padilla DeBorst Lamin Sanneh Andrew Walls K K Yeo and Amos Yong **A Christian Perspective on Political Thought** Stephen Charles Mott,1993-05-27 Arguing that Americans make political choices in terms of a general notion of right and wrong yet lack a sound objective foundation for such values evangelical scholar

Stephen Mott formulates a Christian political theory that supplies such norms Drawing on theological and biblical sources Mott thoroughly develops the biblical and theological foundations for politics and political evaluation Mott proposes that political philosophies should be evaluated in light of Christian theological and ethical values specifically the understanding of power human nature the nature of group life justice and love government and time He then applies this critical framework in an evaluation of political ideologies including traditional conservatism liberalism democracy laissez faire conservatism Marxist socialism and democratic socialism He gives special attention to their classical exponents and ideas Asserting that political visions ultimately depend on cultural values that themselves require vigorous religious faith in a particular society Mott s study offers a valuable introduction to Christian political thought as well as an illuminating look at the connection between politics and religion

The Rowman & Littlefield Handbook of Contemporary Christianity in the United States Mark A. Lamport, 2022-02-15 The Handbook of Contemporary Christianity in the United States is a one volume examination of Christianity in its role contributions and embattled engagements with the contemporary culture of the postmodern United States While Christianity has been a sustaining force and dominant storyline of the historical foundations of America obvious social political and scientific inroads have lessened its influence and altered the issues considered The handbook explores the strengths and weaknesses of the Christian faith and traditions in the United States and its rich and textured history with a discernable eye toward how the message strategies and initiatives of Christianity has adapted to contemporary American life

Positive Psychology in Christian Perspective Charles Hackney, 2021-03-16 Positive psychology is about fostering strength and living well about how to do a good job at being human Charles Hackney connects this still new movement to foundational concepts in philosophy and Christian theology He then explores topics such as subjective states cognitive processes and the roles of personality relationships and environment

Perspectives on theology of religions Jaco Beyers, Piet J. van der Merwe, Wilhelmina Magdalena Shaw, Ronald Allen Baatsen, Johannes Janse van Rensburg, Tessa Freeman, 2017-11-23 In the public theology discourse the concept public square has become significant In today s multicultural and globalised world it is inevitable that people with different religious affiliations will encounter one another in the public square Public theology cannot but become theology of religions Scholars in the field of religion studies are compelled to reflect theologically on the relevance of religiosity in the postmodern secular world The term theology of religions refers to the academic inquiry into the relationship between religions The collected essays constitute such an inquiry In the end it is not so much about the encounter of religions but rather of people Religion is no longer regarded as a monolithic body of beliefs and practices The authors concede that the concept religion is too fluid to be delineated precisely The book s approach to the relationship between religions i e theology of religions reflects how the authors understand the origin and nature of religion a theology of religion in the singular This book focuses more on theology of religions plural than on theology of religion singular The main objective of the book is to present a variety of perspectives on how theology of religions manifested in different contexts This includes historical i e Luther s theology of religions and the Roman Catholic position on other religions as taken by Vatican II as well as cultural and religious perspectives In the first chapter the editor gives a brief overview of the development of the discipline of theology of religions The postmodern era is characterised by an almost non foundational approach The second chapter traces the development of the discipline in the Roman Catholic tradition in particular This contribution is based on the insights of P J van der Merwe 1944 2014 who as researcher and Head of the Department of Science of Religion and

Missiology at the University of Pretoria developed a specific theological position on non Christian religions A whole generation of theologians was trained in this school of thought He passed away in 2014 and this publication pays tribute to his life s work on religions and their relations The contributions that follow are the culmination of the research of postgraduate students at the University of Pretoria The third chapter presents a perspective on the Reformation with a particular focus on Martin Luther In this year of the quincentenary anniversary of the Reformation the legacy of Reformed belief is highlighted The fourth chapter describes the relationship between Christianity and Islam from the perspective of a willingness to embrace The fifth chapter analyses the relation between Christianity Judaism and Islam from the perspective of intergroup threat theory A model for theology of religions in a South African context is developed in the sixth and final chapter This scholarly book pays tribute to the academic contribution of P J van der Merwe mentor of the authors of these multifaceted reflections on theology of religions The target audience is specialists in the field of religion studies The distinctive contribution of the book is the innovative perspectives on the relationship between Islam and Christianity in both the Roman Catholic and Protestant contexts Transforming Missiology Fohle Lygunda li-M,2018-02-28 Dr Fohle Lygunda li M provides a thorough analysis of missiological teaching in theological institutions in Africa with special reference to ten Christian universities in the Democratic Republic of the Congo His detailed examination of current teaching of mission theory and practice builds a solid foundation for the articulation of a new paradigm of missiological education In this book Dr Lygunda presents the case for a transformed approach to raising up seminarians who are equipped to lead indigenous missional churches that will fulfil the Great Commission in their own communities and beyond their national borders

Christianity with Power Charles H. Kraft,2005-07-25 Power Politicians crave it Money buys it And some people will do anything to get it In a world where New Agers rely on crystals and channeling to tap into spiritual power the Christian is reminded that Jesus used supernatural power to heal the sick cast out demons and raise the dead Two thousand years later the world still desperately needs a Savior who works in power However many modern Christians are embarrassed and reluctant to preach a gospel accompanied by supernatural power Our Western worldview conditions us to fit God into a neat predictable mold But Kraft is convinced that the power of the gospel will not be confined to our categories Step by step he offers a biblical understanding of signs and wonders and shows how Christians can become God s instruments to heal the sick to work miracles and to oppose the counterfeit powers of this age There is something that makes Christianity with Power quite possibly great maybe even a major publishing event to be noted some day when the history of the modern church is written Kraft helps us as no one else has in understanding our Western worldview in relation to the way the Holy Spirit is working today from the Foreword **An International Perspective** Vicente Navarro,Daniel M. Berman,2019-03-19 While the health effects of many aspects of life from diet to marital status have been extensively explored little study has been made of the health effects of work Covering such topics as on the job dangers the role of unions in worker protection and

occupational health in both developed and developing countries this collection of articles conclusively demonstrates the negative impact that neglect of citizens working lives has on public health With more Americans dying each year from job related causes than were killed in a decade of combat in Vietnam *Health and Work Under Capitalism* is a long overdue and unusually significant book

[How Christians Grow](#) Andrew James Prince, 2022-09-27 When someone becomes a Christian they enter into a lifelong journey of God driven transformation into the likeness of Christ But what does this transformation process look like and what means does God use to bring about spiritual growth How does a Christian continue growing spiritually How do they prevent the practice of the spiritual discipline of meditating on God's word from become mechanical when they may have read through the Bible many times How do they mature in prayer And how do they continue being conformed to the image of Christ for the rest of their lives rather than simply putting their spiritual gearstick into neutral and coasting into eternity This book seeks to answer such questions It begins by exploring the contours of this spiritual transformation into Christlikeness before introducing various means God uses to bring this about The book seeks to give hope and instruction both to the weary and to the strong so that they can grow more like Christ through the means of grace that God has provided
