Southerland**

Perspectives On Social Group Work Practice:

Perspectives on Social Group Work Practice Albert S. Alissi, 2008-06-30 Not simply another how to book this provocative collection of readings does not advance a single viewpoint or approach to group work. Instead the 25 selections present the full spectrum of classic and current perspectives providing student and practitioner alike with a sound basis for evaluating contemporary practice and for formulating a personal approach to social group work. The historical and conceptual roots of modern social group work methods are examined in Part I Conceptual Foundations which contains some of the classic statements in the field. Part II Current Perspectives explores the most widely influential contemporary models of group work: social goals perspectives, remedial perspectives and mediative perspectives. The two part section that concludes the volume focuses on applications: group work is first discussed in relation to family and community casework and administration then self help groups and other techniques used in the fields of medicine, counseling and psychology are surveyed in light of their implications for social workers. To encourage the reader's active participation in the development of an individual philosophy and approach to social group work Dr Alissi concludes each chapter with probing study questions. These open ended questions stimulate comparisons among the methods presented and urge the reader to relate new ideas to his or her own experience in the field. Introductions to each part and chapter also stress comparative aspects. An annotated list of articles and books on the subject of each chapter allows the reader to explore it in greater depth. A stimulating and systematic exposure to the most important ideas in social group work today. **Perspectives on Social Group Work Practice** expands the repertoire of working concepts vital to contemporary practice. [Perspectives on Social Group Work Practice](#) Albert S. Alissi, 1977

Social Group Work Joseph Lassner, Kathleen Powell, Elaine Finnegan, 1987 Learn from expert new insights into such areas as the single session, the effects of leader gender and race on group behavior, selection of groups, volunteers in group work and much more. *Theory and Practice of Social Group Work in Indian Society* Pallassana R. Balgopal, Suresh Pathare, Meena M. Balgopal, 2024-10-26 This book describes relevant theories such as task centered and strength perspective interventions for the practice of social group work within contemporary India. These two theories are complemented by additional theories including Gestalt Therapy, Spirituality and Raja Yoga. These theories fill the gap in the literature to indigenize social group work interventions. The book is divided into four parts: History of Social Group Work and Introduction in India, The Indian Family, Structural Properties of Group Work, Using Case Studies in Social Group Work Education. In addition there are two separate chapters on leadership: leadership in social work groups and leader interventions relevant to Indian society. At the end of each chapter a summary and applicable practice principles are presented. It explicitly presents the value of short and task oriented group work. It mobilizes the group members' strengths to work through problems that Indian children, parents, working adults and the elderly experience. The group process is presented with a focus on the present day Indian cultural context which is relevant for a range of practitioners in the helping

professions This important book is a valuable resource for students and scholars of social work community practitioners voluntary organizations and social activists

Theory and Practice in Social Group Work Kenneth L. Chau, Marie Weil, Danna Southerland, 2019-06-04 Here is an important look at creative ways to successfully blend theoretical knowledge with skillful intervention in social group work Theory and Practice in Social Group Work represents leading works in conceptual development that creatively connect practice with theory and also reflect the current diversity of interventions in group work practice The book calls for more carefully articulated connections between knowledge and action and maps a strategy for strengthening social work curriculum and expanding group work practice Some of the areas discussed include group work in medical and health settings group work with people undergoing life cycle transitions and group work interventions with vulnerable populations A wide range of possibilities for applying theories in group work situations are presented in this thought provoking volume Some specific examples discussed include group work interventions with persons affected by the AIDS crisis and persons at high risk of contracting HIV a group model for the management of chronic pain group intervention services for the homeless mentally ill delivered through a mobile outreach team a bingo group in an SRO hotel group work with adults molested as children and a model of practice for work with minority populations and communities

Human Behavior Theory and Social Work Practice Roberta R. Greene, 2011-12-31 Human Behavior Theory and Social Work Practice remains a foundation work for those interested in the practice and teaching of social work Roberta Greene covers theoretical areas and individual theorists including classical psychoanalytic thought Eriksonian theory Carl Rogers cognitive theory systems theory ecological perspectives social construction feminism and genetics She discusses the historical context its philosophical roots and major assumptions of each theory The general theme which distinguishes this volume is that the person in environment perspective has been a central influence in the formation of the profession s knowledge base as well as its approach to practice Greene provides perspective on how individuals and social systems interact This book examines how social workers can use theory to shape social work practice by increasing his or her understanding of and potential for enhancing human well being Greene covers the relationship between human behavior theory and professional social work practice She also explores the challenges and limitations of each theory and addresses the following issues how the theory serves as a framework for social work practice how the theory lends itself to an understanding of individual family group community or organizational behavior what the implications are of the theory for social work interventions or practice strategies and what role it proposes for the social worker as a change agent Throughout the profession s history social workers have turned to a number of theoretical approaches for the organizing concepts needed to define their practice base The aims of social work to improve societal conditions and to enhance social functioning of and between individuals families and groups are put into action across all fields of practice and realized through a variety of methods in a range of settings This third edition completely revised represents a fundamental contribution to the field and

like its predecessors will be widely used as a basic text **Social Work with Groups** N. Sullivan, L. Mitchell, D. Goodman, N.C. Lang, E.S. Mesbur, 2013-10-11 Help change the world by bringing ideas of social justice into your group work practice Social workers who use hip hop music to reach out to troubled adolescents Practitioners who compare First Nations talking circles with social work practice with groups A retired professor who transforms the way her fellow senior living center residents participate in their world Fathers of children with spina bifida who help one another through an online discussion group These and other examples you ll discover in *Social Work with Groups Social Justice Through Personal Community and Societal Change* will help you to assist groups to gain a sense of empowerment and create change in their own lives and communities In *Social Work with Groups Social Justice Through Personal Community and Societal Change* you ll also find definitions of social justice within the context of social work a proposal to help focus on social justice in teaching guidelines for group facilitators making decisions about self disclosure studies of innovative group work discussion of the challenges to achieving social justice in group work valuable ways to ground social group work in rich cultural traditions This new book rides the crest of the growing wave of justice in social work with groups Culled from the proceedings of the 22nd International Symposium of the Association for the Advancement of Social Work with Groups it gives you the innovations and current thinking of professionals who while coming from different cultural and professional backgrounds are focused on helping all people enjoy the same rights and opportunities If you want to use group work to challenge social inequality *Social Work with Groups* will be a welcome addition to your library Social action that gets results has to start somewhere let it begin with you *Encyclopedia of Social Work with Groups* Alex Gitterman, Robert Salmon, 2009-06-02 What do you have to know today to be an effective group worker and what are the different group work approaches With 110 articles and entries this book provides a comprehensive overview of social work with groups from its initial development to its astounding range of diverse practice today with many populations in different places The articles have been written by social workers trained in the group approach from the United States Canada England Australia Spain and Japan and all involved are well known group workers acknowledged as experts in the area The book covers all aspects of social work with groups including its history values major models approaches and methods education research journals phases of development working with specific populations and ages plus many more Each article includes references which can be a major resource for future exploration in the particular subject area Both editors have many years of productive work in group work practice and other areas and are board members of The Association for the Advancement of Social Work with Groups The *Encyclopedia of Social Work with Groups* will be of interest to students practitioners social work faculty novice and experienced group workers

Group Work Practice to Advance Social Competence Norma Lang, 2010-10-14 Small social groups are fundamental for achieving personal growth social development socialization and the skills of sustaining relevance relationships and connections to society Unfortunately those who would benefit most from small groups often find themselves unable to

achieve membership Lacking the necessary skills for entry these individuals may never enjoy the advantages of group membership Advancing a practice methodology that specifically targets the socially unskilled Norma C Lang provides much needed guidance to practitioners helping individuals become part of group life Grounded in extensive practice Lang s methodology addresses the special needs and anomalous functioning of individuals who lack the skills to form and use groups She outlines the unique pregroup processes of socially unskilled populations and provides a methodology for advancing social competence She also identifies the professional and agency requirements for working with presocial processes Widely applicable to practice with social work groups Lang s method greatly expands the literature on social work theory and practice with individuals and groups Encyclopedia of Social Work ,1965

Growth and Development Through Group Work Claudia Carson,Elizabeth Lewis,Anna Fritz,2014-04-08 Examine group work s roots and fundamental beliefs to get a glimpse of the future For more than 80 years social group work has survived difficult times a testament to the persistence of its practitioners as well as the strength of its methods Growth and Development Through Group Work chronicles the evolution of this groundbreaking practice through a collection of peer reviewed papers presented at the 23rd Annual International Symposium on Social Work with Groups The book examines practice policy and education issues in specific settings and populations from both theoretical and historical perspectives Presented in the wake of the September 11 terrorist attacks in New York City and Washington DC the papers that comprise Growth and Development Through Group Work reflect a heightened awareness of the importance of social action group work now and in the future The book represents the best of social work s tradition of social reform and concern for oppressed people never straying far from the concept of the group with its multiple helping relationships as the primary source of change A comprehensive overview of the field in international intercultural and cross gender contexts Growth and Development Through Group Work is equally effective for coursework or independent reading Topics addressed in Growth and Development Through Group Work include contributions of the late Ruby B Pernell to the development of social group work research in support of group work education and practice group work in Germany its development from American roots and its current advances social justice as a major objective of group work practice teaching group work mutual aid in support groups for particularly sensitive health problems psychoeducational group work contributions from Hull House as guides for the future of social group work Growth and Development Through Group Work is an invaluable resource for clinicians neighborhood and community activists educators and students researchers therapists administrators and anyone working in policy and or program development Social Groups Mr. Rohit Manglik,2023-09-23 In this book we will study about the subject of Social Groups exploring its key themes developments and importance in the broader context of the discipline The book offers foundational and in depth understanding tailored to build academic insight and critical thought *The Mutual-Aid Approach to Working with Groups* Dominique Moyse Steinberg,2013-05-13 This updated edition of The Mutual Aid Approach to Working with Groups includes

four new chapters that address single session groups short term groups open ended groups and very large groups This book provides a foundation for practice examining theories concepts and practice principles specific to mutual aid Readers are directed to ample study resources in key areas via recommended reading lists at the end of each chapter Case examples are used to help bridge the gap between theory and practice in an immediately useful manner and handy tables and figures make important points easy to access and understand To view an excerpt online find the book in our QuickSearch catalog at www.HaworthPress.com **Handbook of Social Work with Groups** Charles D. Garvin, Lorraine M. Gutiérrez, Maeda J.

Galinsky, 2017-05-16 This definitive text now revised and expanded has introduced thousands of students and practitioners to the theory and practice of social work with groups Leading authorities outline major models of group work and address critical issues in planning implementing and evaluating interventions The Handbook describes applications in all the major practice settings mental health prevention child welfare substance abuse health care aging corrections and more as well as organizational and community settings A strong focus on empowerment social justice and diversity is woven throughout The empirical foundations of group work are reviewed and innovative research methods discussed New to This Edition Incorporates over a decade of advances in the field Heightened focus on practitioner researcher collaboration Two chapters on substance abuse prevention with youth Chapters on social justice work evidence based practice offender reentry intimate partner violence intergroup dialogue working with immigrants and refugees qualitative methods and intervention research Major updates on existing topics such as cognitive behavioral group work psychoeducational groups health care settings and technology mediated groups Integrative epilogue that synthesizes key themes **Mutual Aid Groups, Vulnerable and Resilient Populations, and the Life Cycle** Alex Gitterman, Lawrence Schulman, 2005-02-23 The contributors to this volume examine the role of mutual aid groups and social workers in helping members of oppressed vulnerable and resilient populations regain control over their lives The chapters reveal the ways in which mutual aid processes help individuals overcome social and emotional trauma in contemporary society by reducing isolation universalizing individual problems and mitigating stigma Using the life cycle as a framework the editors establish a theoretical model for practice and demonstrate how social workers as group leaders can foster the healing and empowering process of mutual aid The contributors also consider the fundamentals of the mutual aid process the institutional benefits of group service and specific clinical examples of mutual aid groups Each chapter offers detailed case materials that illustrate both group work skills and developmental issues for a variety of populations and settings including HIV positive and AIDS patients the homeless and perpetrators and victims of sexual abuse and family violence New chapters in this completely revised and updated third edition illustrate the power of mutual aid processes in dealing with children traumatized by the events of September 11 adult survivors of sexual abuse parents with developmentally challenged children people with AIDS in substance recovery and mentally ill older adults

Perspectives On Social Group Work Practice Introduction

In today's digital age, the availability of Perspectives On Social Group Work Practice books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Perspectives On Social Group Work Practice books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Perspectives On Social Group Work Practice books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Perspectives On Social Group Work Practice versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Perspectives On Social Group Work Practice books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Perspectives On Social Group Work Practice books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Perspectives On Social Group Work Practice books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized

books and historical documents. In conclusion, Perspectives On Social Group Work Practice books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Perspectives On Social Group Work Practice books and manuals for download and embark on your journey of knowledge?

FAQs About Perspectives On Social Group Work Practice Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Perspectives On Social Group Work Practice is one of the best book in our library for free trial. We provide copy of Perspectives On Social Group Work Practice in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Perspectives On Social Group Work Practice. Where to download Perspectives On Social Group Work Practice online for free? Are you looking for Perspectives On Social Group Work Practice PDF? This is definitely going to save you time and cash in something you should think about.
