Lamport**

Perspectives On The Christian Reformed Church:

Perspectives on the Christian Reformed Church John H. Kromminga, Peter De Klerk, 1983 Religious Perspectives on Bioethics Mark Cherry, 2013-12-02 First published in 2004 Religious Perspectives in Bioethics surveys recent bioethics discussion in thirteen religious traditions Christian contributions include chapters on Roman Catholicism Orthodox Christianity the Episcopal German Protestant and Baptist traditions Reformed Christianity and the Latter Day Saints The volume also includes chapters on Judaism Islam Hinduism Buddhism Sikhism and Daoism *The Lost Soul of American Protestantism* D. G. Hart, 2004-08-27 In *The Lost Soul of American Protestantism* D G Hart examines the historical origins of the idea that faith must be socially useful in order to be valuable Through specific episodes in Presbyterian Lutheran and Reformed history Hart presents a neglected form of Protestantism confessionalism as an alternative to prevailing religious theory He explains that unlike evangelical and mainline Protestants who emphasize faith's role in solving social and personal problems confessional Protestants locate Christianity's significance in the creeds ministry and rituals of the church Although critics have accused confessionalism of encouraging social apathy Hart deftly argues that this form of Protestantism has much to contribute to current discussions on the role of religion in American public life since confessionalism refuses to confuse the well being of the nation with that of the church The history of confessional Protestantism suggests that contrary to the legacy of revivalism faith may be most vital and influential when less directly relevant to everyday problems whether personal or social Clear and engaging D G Hart's groundbreaking study is essential reading for everyone exploring the intersection of religion and daily life Family Quarrels in the Dutch Reformed Churches in the Nineteenth Century Robert P. Swierenga, Elton J. Bruins, 1999 Volume 32 in the HSRCA series chronicles the internal quarrels that have occurred in RCA history particularly the landmark secessions that occurred in 1850 1857 and 1882 While exploring the unity and disunity that have characterized the RCA since the Dutch immigration to the United States this study also points out the righteous motivations that lay behind these struggles and shows how these historic quarrels have their counterpart in contemporary debates over the ordination of women and the church's acceptance of homosexuals **Encyclopedia of Christianity in the United States** George Thomas Kurian, Mark A. Lamport, 2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a

statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation

What Is Truth? James Emery White, 2006-09-01 SEARCHING FOR ABSOLUTES IN A POSTMODERN WORLD In this postmodern age truth especially religious or moral truth is widely criticized and constantly challenged yet perhaps more important than ever It was this realization that led James Emery White to examine the concepts of truth as held by five twentieth century theologians Cornelius Van Til Millard J Erickson Francis A Schaeffer Donald G Bloesch Carl F H Henry

Epistemology as Theology James Beilby, 2017-09-29 Alvin Plantinga is arguably one of the most influential philosophers of our time Much of his career has been devoted to explaining and defending the intellectual acceptability of Christian belief Recently he has developed a comprehensive rigorous and distinctively Christian religious epistemology This book presents the development of Plantinga's religious epistemology before considering Plantinga's mature religious epistemology in detail Locating Plantinga's most recent work in the context of his theological assumptions his previous work on religious epistemology and in the context of the current debate over how knowledge should be characterized Beilby blends theological and philosophical discussion to offer a unique perspective on Plantinga's influential proposal

Vicissitudes of Reformed Theology in the Twentieth Century George Harinck, Dirk van Keulen, 2020-01-13 Preliminary Material George Harinck and Dirk van Keulen Introduction George Harinck and Dirk van Keulen Swiss Reformed Theology in the Twentieth Century Christian Zangger Reformed Theology in Germany in the Twentieth Century Georg Plasger A Christianized Society according to Reformed Principles Theological Developments in The Netherlands in the Twentieth Century Abraham van de Beek The Theological Course of the Reformed Churches in The Netherlands Dirk van Keulen From Common Grace to Secularization Barend Kamphuis Reformed Theology in Britain in the Twentieth Century A Bibliographical Survey Allan Sell The Theological Reflection of the Transylvanian Reformed Church in the Twentieth Century Botond Gudor and Foka van de Beek From Princeton to Wheaton John Bolt Reconciling Two Kingdoms and One Lord Conservative Presbyterians and Political Liberalism in the United States Darryl Hart On Adventures and Misfortunes More Stories about Reformed Theology in South Africa Dirkie Smit Our own Point of View Dolf Britz A Reformed Theological Perspective on the Gereformeerde Kerke in Suid Afrika and Apartheid Dries le Roux du Plooy An Historical Survey of the Church and Theology of the Reformed Tradition in Korea Yung Jae Kim List of Contributors George Harinck and Dirk van Keulen Index of Names George Harinck and Dirk van Keulen

Toward the Future of Reformed Theology David Willis-Watkins, Michael Welker, 1999 This is a print on demand book and is therefore non returnable *Toward the Future of Reformed Theology* brings together the voices of leading contemporary Reformed theologians from around the world providing a unique summary of the range and wealth of Reformed theology today and exploring its potential for the future

These thirty one essays consider the task of Reformed theology in the modern world give Reformed perspectives on key theological themes and suggest fruitful present day trajectories of Reformed thought from the past Contributors Brian Gerrish M Janos Pasztor Nobuo Watanabe Choan Seng Song Edmund Za Bik Wafiq Wahba John de Gruchy J rgen Moltmann Michael Welker Beatriz Melano Thomas Torrance David Willis William Placher Alexander McKelway Leanne Van Dyk Christian Link Lukas Vischer Walter Herrenbr ck Nancy Duff Hans Joachim Kraus John Leith Willem Balke Hans Helmut Esser Dawn DeVries Jan Milic Lochman John Hesselink Sang Hyun Lee Amy Plantinga Pauw Bruce McCormack Daniel Migliore Eberhard Busch

Dutch Calvinism in Modern America James D. Bratt, 2002-12-30 In this scholarly yet entertaining book James D Bratt takes a look at the Dutch in America from the late 19th century to the present A comprehensive study of an ethnic subculture the book is in large part a study of the group s religious history as well since as Bratt points out the contours of the Dutch presence in America have been overwhelmingly shaped by the church and its subsidiary organizations Although the book is extensively and scrupulously documented Bratt has infused his scholarship with a considerable amount of anecdote that is by turns poignant and tragic and hilarious In Bratt s analysis of the fitful progress of Americanization that this close knit religious community has undergone we are treated to the sharp insights of a bemused and sometimes disaffected insider Included is a chapter on novelists Arnold Mulder David Cornel DeJong Frederick Manfred and Peter DeVries four sons of the Dutch who fled the subculture only to reflect upon it almost obsessively from the outside Well written scholarly and highly readable Dutch Calvinism In Modern America will have wide appeal among both academic and general readers

Dutch Chicago Robert P. Swierenga, 2002-11-07 Now at least 250 000 strong the Dutch in greater Chicago have lived for 150 years below the radar screens of historians and the general public Here their story is told for the first time In Dutch Chicago Robert Swierenga offers a colorful comprehensive history of the Dutch Americans who have made their home in the Windy City since the mid 1800s The original Chicago Dutch were a polyglot lot from all social strata regions and religions of the Netherlands Three quarters were Calvinists the rest included Catholics Lutherans Unitarians Socialists Jews and the nominally churchd Whereas these latter Dutch groups assimilated into the American culture around them the Dutch Reformed settled into a few distinct enclaves the Old West Side Englewood and Roseland and South Holland where they stuck together building an institutional infrastructure of churches schools societies and shops that enabled them to live from cradle to grave within their own communities Focusing largely but not exclusively on the Reformed group of Dutch folks in Chicago Swierenga recounts how their strong entrepreneurial spirit and isolationist streak played out over time Mostly of rural origins in the northern Netherlands these Hollanders in Chicago liked to work with horses and go into business for themselves Picking up ashes and garbage jobs that Americans despised spelled opportunity for the Dutch and they came to monopolize the garbage industry Their independence in business reflected the privacy they craved in their religious and educational life Church services held in the Dutch language kept outsiders at bay as did a comprehensive

system of private elementary and secondary schools intended to inculcate youngsters with the Dutch Reformed theological and cultural heritage Not until the world wars did the forces of Americanization finally break down the walls and the Dutch passed into the mainstream Only in their churches today now entirely English speaking does the Dutch cultural memory still linger Dutch Chicago is the first serious work on its subject and it promises to be the definitive history Swierenga's lively narrative replete with historical detail and anecdotes is accompanied by more than 250 photographs and illustrations Valuable appendixes list Dutch owned garbage and cartage companies in greater Chicago since 1880 as well as Reformed churches and schools This book will be enjoyed by readers with Dutch roots as well as by anyone interested in America's rich ethnic diversity **Publication** ,1987 **Encyclopedia of Christian Education** George Thomas Kurian,Mark A.

Lamport,2015-05-07 Christianity regards teaching as one of the most foundational and critically sustaining ministries of the Church As a result Christian education remains one of the largest and oldest continuously functioning educational systems in the world comprising both formal day schools and higher education institutions as well as informal church study groups and parachurch ministries in more than 140 countries In The Encyclopedia of Christian Education contributors explore the many facets of Christian education in terms of its impact on curriculum literacy teacher training outcomes and professional standards This encyclopedia is the first reference work devoted exclusively to chronicling the unique history of Christian education across the globe illustrating how Christian educators pioneered such educational institutions and reforms as universal literacy home schooling Sunday schools women's education graded schools compulsory education of the deaf and blind and kindergarten With an editorial advisory board of more than 30 distinguished scholars and five consulting editors The Encyclopedia of Christian Education contains more than 1 200 entries by 400 contributors from 75 countries These volumes covers a vast range of topics from Christian education History spanning from the church's founding through the Middle Ages to the modern day Denominational and institutional profiles Intellectual traditions in Christian education Biblical and theological frameworks curricula missions adolescent and higher education theological training and Christian pedagogy Biographies of distinguished Christian educators This work is ideal for scholars of both the history of Christianity and education as well as researchers and students of contemporary Christianity and modern religious education **Abortion from the Religious and Moral Perspective:** George F. Johnston,2003-03-30 For approximately three decades the abortion debate has polarized America Views range from the extreme conservative position that all abortions are morally objectionable to the extreme liberal position that abortion throughout all nine months of pregnancy is acceptable In the middle are those who advocate laws limiting the number of valid reasons for abortion This comprehensive volume includes bibliographic citations that address the moral and religious aspects of abortion It covers such topics as the various arguments both for and against abortion the status of the fetus and overviews of several religions stances on abortion Citations also include references on how Christianity has influenced abortion politics and law discussions of Operation

Rescue and official statements on abortion by the Catholic Church and several Protestant denominations Researchers as well as anyone interested in the moral and religious elements of abortion will find this resource invaluable It covers the literature on abortion and religion found in books essays journal articles academic dissertations and Web sites And unlike many of the available bibliographies this one focuses only on the religious and moral issues therefore providing greater depth on those two issues within one work **Private Schools in Contemporary Perspective** Donald A. Erickson,1983 **Religion in Sociological Perspective** David Yamane,Keith A. Roberts,Jonas M. Hart,2025-09-16 Religion in Sociological Perspective Eighth Edition introduces the systems of meaning structure and belonging that make up the complex social phenomena we know as religion The author team uses an active learning approach to illustrate the central theories and methods of research in the sociology of religion and show students how to apply these analytical tools to new groups they encounter

Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954 ,2002 **Religion in Sociological Perspective** Keith A. Roberts,David Yamane,2020-07-15 The authors are proud sponsors of the 2020 SAGE Keith Roberts Teaching Innovations Award enabling graduate students and early career faculty to attend the annual ASA pre conference teaching and learning workshop Religion in Sociological Perspective introduces students to the systems of meaning structure and belonging that make up the complex social phenomena we know as religion Authors Keith A Roberts and David Yamane use an active learning approach to illustrate the central theories and methods of research in the sociology of religion and show students how to apply these analytical tools to new groups they encounter The Seventh Edition departs from previous editions by emphasizing that the sociology of religion is an ongoing conversation among scholars in dialogue with existing scholarship and the social world This perspective is established in the new second chapter Historical Development of the Sociology of Religion Other chapters feature important voices from the past alongside the views of contemporary sociologists and conclude with a glimpse of where the sociology of religion might be heading in the future At every opportunity the text has been enriched by research and examples that are meant to challenge parochial limits in the sociology of religion pushing beyond Christianity congregations beliefs national borders especially the United States and even beyond religion itself to take nonreligion more seriously Included with this title The password protected Instructor Resource Site formally known as SAGE Edge offers access to all text specific resources including a test bank and editable chapter specific PowerPoint slides A student activity guide includes chapter specific exercises linked to resources within the ARDA *Encyclopedia of Protestantism* Hans J. Hillerbrand,2004-08-02 This Encyclopedia is the definitive reference to the history and beliefs that continue to exert a profound influence on Western thought *In Order to Serve* Leo J. Koffeman,2014 Ecclesiology is in the centre of current ecumenical dialogue However this hardly seems to influence theological reflection on church polity This book explores new avenues in this respect in an attempt to enhance a truly ecumenical and inter cultural approach of the theological discipline of church polity without neglecting its juridical character

Right here, we have countless books **Perspectives On The Christian Reformed Church** and collections to check out. We additionally come up with the money for variant types and then type of the books to browse. The within acceptable limits book, fiction, history, novel, scientific research, as skillfully as various supplementary sorts of books are readily affable here.
