Perspectives On War In The Bible:

Perspectives on War in the Bible John A. Wood, 1998 Perspectives on War in the Bible offers a comprehensive study of varying traditions of war in the Bible The author examines the traditional categories of holy war just war and pacifism to show that people then as now were sharply divided 4 *Religious Perspectives on War* David R. Smock, 2002 If when why and how to fight a war In the case of the Gulf War that debate encompassed three faiths Christianity Islam and Judaism and the debate has acquired new dimensions in the aftermath of the September 11 attacks and the war on terrorism In this volume Jews Muslims and Christians with very diverse views address such issues as the just war doctrine explaining their differences and finding often surprising common ground This new edition reprints the full text of the first edition A new preface describes the differences and similarities between the Gulf War and the war against al Qaeda Taliban Also included is an introduction explaining the just war doctrine a glossary of terms and an expanded and updated Suggestions for Further Reading

War in the Bible and Terrorism in the Twenty-first Century Richard S. Hess, E. A. Martens, 2008 In February 2004 Denver Seminary's annual Biblical Studies conference addressed the question of modern war and the teachings of biblical ethics regarding it A year earlier the invasion of Iraq had taken place The questions created by the outbreak of war prompted an urgency in the consideration of the topic Association for Christian Conferences Teaching and Service ACCTS provided ethicists and practitioners from within the military of both the U S and Great Britain Hess and Martens also solicited papers from leading theologians and advocates representing pacifist and just war views They have succeeded in bringing together a group of Christians representing a wide range of perspectives to debate and discuss their heritage and biblical roots with regard to questions of war and its ethical dilemmas from publisher description

War and Peace in Jewish Tradition Yigal Levin, Amnon Shapira, 2012-03-15 The transition between the reality of war and a hope for peace has accompanied the Jewish people since biblical times However the ways in which both concepts are understood have changed many times over the ages and both have different implications for an independent nation in its own land than they do for a community of exiles living as a minority in foreign countries This book explores the concepts of war and peace throughout the history of Judaism Combining three branches of learning classical Jewish sources from the Bible to modern times related academic disciplines of Jewish studies humanities social and political sciences and public discussion of these issues on political military ideological and moral levels contributors from Israel and the USA open new vistas of investigation for the future as well as an awareness of the past Chapters touch on personal and collective morality in warfare survival though a long and often violent history and creation of some of the world's great cultural assets in literature philosophy and religion as well as in the fields of community life and social autonomy An important addition to the current literature on Jewish thought and philosophy this book will be of considerable interest to scholars working in the areas of Jewish Studies theology modern politics the Middle East and biblical studies

The Oxford Handbook of Evolutionary Perspectives on

Violence, Homicide, and War Todd K. Shackelford, Viviana A. Weekes-Shackelford, 2012-08-23 This volume synthesizes the theoretical and empirical work of leading scholars in the evolutionary sciences to produce an extensive and authoritative review of this literature

I Glanced Out the Window and Saw the Edge of the World Catherine Halsall, 2020-07-08 This book is about WAR not the causes and results not the planning and the campaigns not the artillery and the bombs It is about the heinous crimes committed by the combatants the horrifying experiences of civilians the devastation of cities and villages the killing and the dying the glory leading to revulsion and guilt and the assimilation of suffering that either ends in death or in the triumph of the soul It looks at the struggle of the church to remain faithful and the servants of the church who seek to bring sense and solace to the victims It discusses antisemitism racism and war itself from biblical perspectives It reveals the unjustifiable reasons for engaging in war and how this brings catastrophic results for all peoples the mental instability of the survivors and the loss and grief of those on the home front In war how can men and women carry out the actions that they do As Viktor Frankl writes After all man is that being who has invented the gas chambers of Auschwitz however he is also that being who has entered those gas chambers upright with the Lord's Prayer or the Shema Yisrael on his lips
