Perspectives And Issues In International Political Economy:

Perspectives and Issues in International Political Economy Chronis Polychroniou, 1992-09-30 This work brings together a collection of original essays on the contemporary study of international political economy IPE It provides contrasting and challenging interpretations of the study of IPE and the global political economy in general It also exposes the reader to major issues and problems in international political economy such as European unification U S Japanese trade tensions Africa's role in the world economy international debt and international financial reform A cross section of viewpoints provide challenging and insightful analyses of the major contemporary issues in international political economy The volume will be of interest to scholars and students of international relations political economy and political science **Routledge Encyclopedia of**

International Political Economy: Entries G-O R. J. Barry Jones, 2001 This important new work is the first comprehensive reference to the rapidly developing field of international political economy IPE Featuring over 1200 A Z entries the coverage encompasses the full range of issues concepts and institutions associated with IPE in its various forms Comprehensively cross referenced and indexed each entry provides suggestions for further reading along with guides to more specialized sources Selected entries include African Development Bank benign neglect Black Monday casino capitalism debt management efficiency floating exchange rates General Agreement on Tariffs and Trade GATT information society economy Organization of Petroleum Exporting Countries OPEC Microsoft multinational corporations definitions NATO patents rent seeking Schellin Thomas tax havens trusts Value Added Tax VAT zero sum games and many more International Political Economy Raymond C. Miller, 2018-03-13 The second edition of *International Political Economy* continues to be the perfect short introduction to the fundamental theories and issues of international political economy IPE Written in a concise accessible style by an experienced teacher and scholar it combines theoretical perspectives real world examples and comparative policy analysis The text offers students an in depth balanced understanding of the contrasting core perspectives in IPE allowing them to critically evaluate and independently analyze major political economic events Having emerged from both the classical and modern schools of political economy the book's unique structure is organized around the threefold world view classification of IPE that the author labels as free market institutionalist and Marxist The book Compares contrasts and critiques the different approaches in the context of major global issues such as financial crises free vs fair trade ecological degradation growing inequality gender globalization and multinational corporations Explains key economic concepts such as financial markets banking systems monetary policy foreign exchange Keynesian economics fiscal policy comparative advantage value theory money role of corporations and ecological economics as well as their relationship to political concepts such as international regimes and governance Contains 30 original figures and tables review questions at the end of each chapter and a detailed glossary to enhance student learning Responds to the call from eminent IPE specialists Robert Keohane and Benjamin Cohen for textbooks that take a pluralistic approach This thoroughly updated

second edition is essential reading for students of international political economy economics political science and global governance Routledge Encyclopedia of International Political Economy R. J. Barry Jones, 2002-09-11 This three volume Encyclopedia offers the first comprehensive and authoritative survey of the rapidly developing field of international political economy Its entries cover the major theoretical issues and analytical approaches within the field The set also provides detailed discussion of the contributions of key individuals and surveys a wide range of empirical conditions and developments within the global political economy including its major institutions The Encyclopedia has been designed to be eclectic in approach and wide ranging in coverage Theoretical entries range from discussions of the definition and scope of the field through core methodological questions such as rationalism and the structure agent problem to surveys of the major theories and approaches employed in the study of the international political economy *The Theoretical Evolution of International Political Economy, Third Edition* Darel Paul, Abba Amawi, 2013-10-03 This collection of seminal readings in international political economy charts the historical and theoretical evolution of the field from the seventeenth century to the present day Bringing together classic works and leading contemporary arguments this book outlines the development of three schools of IPE thought Economic Nationalism Liberalism and Marxism while also including theoretical perspectives beyond the dominant traditions The third edition not only retains but increases the number of classic works from the previous editions while also updating the reader with contemporary writings reflecting the most important recent theoretical developments in the field It also incorporates new theoretical terrains with sections on feminist and Green IPE as well as a wholly new introduction Readings include works by Thomas Mun Adam Smith David Ricardo John Stuart Mill Alexander Hamilton Friedrich List Karl Marx Friedrich Engels V I Lenin Karl Kautsky Robert Keohane Andrew Moravcsik Robert Wade Benjamin Cohen Robert W Cox Giovanni Arrighi Roland Vaubel Ronald Rogowski Michael Hardt Antonio Negri Marieke de Goede Ann Tickner Spike Peterson Eric Helleiner and Alf Hornborg Providing many of the most frequently cited IPE references in a single volume the third edition of *The Theoretical Evolution of International Political Economy* continues to be an essential resource for students of both international relations and international economics **The Theoretical Evolution of International Political Economy, Third Edition** Darel E. Paul, Abba Amawi, 2013-09-16 This collection of seminal readings in international political economy charts the historical and theoretical evolution of the field from the seventeenth century to the present day Bringing together classic works and leading contemporary arguments this book outlines the development of three schools of IPE thought Economic Nationalism Liberalism and Marxism while also including theoretical perspectives beyond the dominant traditions The third edition not only retains but increases the number of classic works from the previous editions while also updating the reader with contemporary writings reflecting the most important recent theoretical developments in the field It also incorporates new theoretical terrains with sections on feminist and Green IPE as well as a wholly new introduction Readings include works by Thomas Mun Adam Smith David Ricardo John Stuart Mill Alexander

Hamilton Friedrich List Karl Marx Friedrich Engels V I Lenin Karl Kautsky Robert Keohane Andrew Moravcsik Robert Wade Benjamin Cohen Robert W Cox Giovanni Arrighi Roland Vaubel Ronald Rogowski Michael Hardt Antonio Negri Marieke de Goede Ann Tickner Spike Peterson Eric Helleiner and Alf Hornborg Providing many of the most frequently cited IPE references in a single volume the third edition of *The Theoretical Evolution of International Political Economy* continues to be an essential resource for students of both international relations and international economics

Critical Perspectives on International Political Economy J. Abbott, O. Worth, 2002-08-21 *Critical Perspectives on International Political Economy* considers and revises the progress of critical thinking within IPE and engages with issues such as finance the practices of health and work the relevance of new social movements and the political economy of the Internet In so doing it provides a possible map for the next stage of critical development in the study of International Political Economy

Introduction to International Political Economy David N. Balaam, Bradford Dillman, 2015-07-17 A complete and accessible overview of how politics and economics collide in a global context This text surveys the theories institutions and relationships that characterize IPE and highlights them in a diverse range of regional and transnational issues The bestseller in the field *Introduction to International Political Economy* positions students to critically evaluate the global economy and to appreciate the personal impact of political economic and social forces

International Political Economy James H. Nolt, 2014-12-17 This book offers a completely new and unique introduction to the economics of international relations It treats all the traditional major themes of international relations theory while giving each a refreshing new twist with the incorporation of the influence of private power particularly in the realm of war and peace It reframes the history of the modern global economy and politics by thoroughly purging the myth of the market a systematic blindness to private power It not only draws on but also illuminates major themes and empirical findings of comparative politics business history business strategy business cycle theory social evolutionary theory as well as the practical wisdom of traders and investors Part one introduces the major concepts of competing theories of international relations emphasizing a unique approach corporatism Part two introduces the critical importance dynamic and oppositional analysis of issues Part three traces the rise of the modern world from the mercantilist period until the rise of modern corporate organizations and the demise of imperialism in the crucible of World War I Part four begins with the origins of the contemporary dominance of business internationalism before and during World War II then analyzes three major facets of the postwar era the unification of much of Europe the industrialization of the Third World and the Cold War and its aftermath The final chapter considers the present and future of a fairly peaceful yet economically unstable world This book presents a refreshing and exciting portrayal of the global economy which challenges every major subject from money to markets to the business cycle This book eschews the economics of dull averages to restore the drama of contending business forces struggling for wealth and in the process influencing war and peace

Issues and Actors in the Global Political Economy André Broome, 2014-03-11 A major new text on contemporary

global political economy that focuses centrally on key issues and actors Concise and accessibly written it provides an ideal introduction to the contemporary dynamics and processes of change in the global political economy *Handbook of the International Political Economy of Migration* Leila Simona Talani, Simon McMahon, 2015-08-28 This Handbook discusses theoretical approaches to migration studies in general as well as confronting various issues in international migration from a distinctive and unique international political economy perspective With a focus on the relation bet **International Political Economy** Nicola Phillips, Catherine Weaver, 2010-10-04 The book gathers together a set of lively provocative essays by leading voices in International Political Economy to debate the evolution of the field its current state and its future directions Prompted by recent commentaries on the existence of a transatlantic divide in IPE between an American school and a British school the essays provide a wide ranging discussion of whether it is useful to think of the field in these terms what the American and British schools look like what their achievements and shortcomings are and what are the desirable future directions for IPE scholarship The diverse responses to these questions reflect the ongoing vibrancy and diversity of the field of IPE and open up an imaginative and engaging discussion about where we need to go from here Featuring contributions from the most influential scholars in the field from North America Canada and the UK this book is essential reading for anyone interested in the cutting edge debates in contemporary international political economy *International Political Economy and the Global South* Zaynab El Bernoussi, Adriana María Garriga-López, Giuliano Martiniello, Bashir Saade, 2025-06-13 International Political Economy and the Global South provides students from both the Global South and the Global North a textbook that speaks to distinct concepts categories and issues of International Political Economy IPE from a Southern and Northern perspective while identifying how they differ The primary goal is to provide an alternative or complementary reading of IPE derived from the experiences of the periphery The textbook asks how has the Global South responded to the demands of a global economy What is the meaning of sovereignty to those who have experienced colonialism and imperialism How can the Global South claim the international when the Global North sets its norms institutions and practices It opens with a standard introduction offering an intellectual history of key IPE concepts including state firm capital power labor globalization and finance Each subsequent chapter follows a similar structure exploration of the problem discussion of what may be missing from dominant understandings of the problem and or how orthodox IPE may tell us something different about the problem compared to what is experienced in the Global South and identification of alternative frameworks and perspectives Aiming to de Westernize and decentralize the production of knowledge the textbook introduces students to the discipline and phenomenon of IPE with a genuinely global perspective **Handbook on International Political Economy** Ralph Pettman, 2012 International political economy IPE is a highly complex discipline drawing not only from the fields of politics and economics but also those as varied as philosophy history and anthropology Now widely accepted as a key dimension to contemporary world affairs it is no longer possible to talk about international

relations without talking about production and distribution finance and investment as well as consumption and trade To ensure that our understanding of these topics is relevant to today's world there is a constant need to revisit and challenge what is known about these topics Besides being a comprehensive account of international political economy for academic study this extensive collection also highlights salient issues that scholars analysts and state leaders are most concerned with in today's world Amongst these are issues concerning the rise of China and India as new economic superpowers stability in the EU's political economy the viability of the existing multilateral system of global trade recent financial crises as well as the impact of globalisation and marketisation on the world's workers and our physical environment With contributions from prominent academics such as Susan K Sell George Washington University D C and Geoffrey Blainey Professor Emeritus University of Melbourne this volume makes for both a stimulating and thought provoking read

The Political Economy of COVID-19 Luke A. Amadi, Prince I. Igwe, 2025-03-15 Political Economy of COVID 19 Understanding the Dynamics of a Global Pandemic provides a theoretical conceptual and methodological approach to the understanding of the pandemic through multiple case analyses It produces and discusses COVID 19 research with interdisciplinary perspectives by addressing how the pandemic distinctly impacted the local and global economy and how numerous stakeholders responded The book is truly global and interdisciplinary through chapter contributions and case analysis from practitioners and emerging and established scholars The ideas raised in this book have the potential to take central elements of post pandemic political social and economic thinking to a new line of inquiry and provide more compelling nuances The book will be essential reading for researchers students and scholars interested in development studies political economy historicity of the pandemic conspiratorial debates and country specific policy response

Paths to International Political Economy (Routledge Revivals) Susan Strange, 2010-02-25 The problems of a troubled world economy and the essentially political issues of how it should be managed make up the stuff of international political economy The overwhelming importance of these questions has drawn ever increasing numbers of students and teachers in universities colleges and schools to study the subject There are many paths into international political economy for them to follow and this volume originally published in 1984 discusses most of them The collection as a whole demonstrates that the field should be seen as the exclusive preserve of neither the economists nor the political scientists On the contrary there is much to learn from specialists and practical people in government and business with a variety of backgrounds A rich selection is therefore offered including history population studies money trade technology and law from which the reader can pick and choose at will The contributions point to the landmarks of the subject and provide useful tips on the best books to read and the most interesting ideas to look out for

The Routledge Handbook to Global Political Economy Ernesto Vivares, 2020-04-16 The Routledge Handbook to Global Political Economy provides a comprehensive guide to how Global Political Economy GPE is conceptualized and researched around the world Including contributions that range from traditional International Political Economy IPE to GPE approaches

the Handbook gathers the investigations varying perspectives and innovative research of more than sixty scholars from all over the world Providing undergraduates postgraduates teachers and researchers with a complete set of traditional contending and regional perspectives the book explores current issues conceptual tools key research debates and different methodological approaches taken Structured in five parts methodologically correlated the book presents GPE as a field of global regional and national research historical waves and diverse ontological axes major theoretical perspectives beyond traditional perspectives regional inquiries research arenas Carefully selected contributions from both established and upcoming scholars ensure that this is an eclectic pluralist and multidisciplinary work and an essential resource for all those with an interest in this complex and rapidly evolving field of study *Global Political Economy* Theodore H.

Cohn,2015-08-07 Praised for its authoritative coverage *Global Political Economy* places the study of IPE in its broadest theoretical context This text not only helps students understand the fundamentals of how the global economy works but also encourages them to use theory to more fully grasp the connections between key issue areas like trade and development Written by a leading IPE scholar *Global Political Economy* equally emphasizes theory and practice to provide a framework for analyzing current events and long term developments in the global economy Foundations of International Political Economy

Matthew Watson,2017-09-16 Despite a burgeoning debate on substantive issues in IPE little attention has been devoted to its theoretical foundations In this important new text Matthew Watson reviews the main current theoretical approaches to IPE and highlights the problems that arise from treating states and markets as separate and contesting units of analysis Foremost among these problems is the lack of attention given to theorizing the constitution of the individual as both an economic agent and a moral being *The Palgrave Handbook of Contemporary International Political Economy* Timothy M. Shaw,Laura C. Mahrenbach,Renu Modi,Xu Yi-chong,2018-12-19 Published 35 years after Palgrave Macmillan s landmark *International Political Economy* IPE series was first founded this Handbook captures the state of the art of contemporary IPE It draws on the series history of focusing on the oft neglected study of the global South Providing interdisciplinary perspectives from scholars hailing from the global North and South the Handbook illustrates the theoretical innovations and empirical richness necessary to explain today s ever changing world This is a world in which the global South and North are not only being transformed by the end of bipolarity and the rise of the BRICS but also by diverse global crises and growing cross border challenges It is a world where human development governance and security are becoming ever more elusive where profoundly altered by the rise of new technologies the structure of relations between nations itself is changing becoming increasingly interconnected both digitally and physically Understanding these issues is of critical importance to better anticipate current and future global transformations This Handbook is the ideal primer for all scholars practitioners and policy makers looking to do so

Perspectives And Issues In International Political Economy Introduction

In today's digital age, the availability of Perspectives And Issues In International Political Economy books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Perspectives And Issues In International Political Economy books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Perspectives And Issues In International Political Economy books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Perspectives And Issues In International Political Economy versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Perspectives And Issues In International Political Economy books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Perspectives And Issues In International Political Economy books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Perspectives And Issues In International Political Economy

books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Perspectives And Issues In International Political Economy books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Perspectives And Issues In International Political Economy books and manuals for download and embark on your journey of knowledge?

FAQs About Perspectives And Issues In International Political Economy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
