**The Sugar Masters** Richard Follett, 2007-02-01 Focusing on the master slave relationship in Louisiana s antebellum sugarcane country *The Sugar Masters* explores how a modern capitalist mind set among planters meshed with old style paternalistic attitudes to create one of the South s most insidiously oppressive labor systems As author Richard Follett vividly demonstrates the agricultural paradise of Louisiana s thriving sugarcane fields came at an unconscionable cost to slaves Thanks to technological and business innovations sugar planters stood as models of capitalist entrepreneurship by midcentury But above all labor management was the secret to their impressive success Follett explains how in exchange for increased productivity and efficiency they offered their slaves a range of incentives such as greater autonomy improved accommodations and even financial remuneration These material gains however were only short term According to Follett many of Louisiana s sugar elite presented their incentives with a facade of paternal reciprocity that seemingly bound the slaves interests to the apparent goodwill of the masters but in fact the owners sought to control every aspect of the slaves s lives from reproduction to discretionary income Slaves responded to this display of paternalism by trying to enhance their rights under bondage but the constant bargaining process invariably led to compromises on their part and the grueling production pace never relented The only respite from their masters demands lay in fashioning their own

society including outlets for religion leisure and trade Until recently scholars have viewed planters as either paternalistic lords who eschewed marketplace values or as entrepreneurs driven to business success Follett offers a new view of the sugar masters as embracing both the capitalist market and a social ideology based on hierarchy honor and paternalism His stunning synthesis of empirical research demographics study and social and cultural history sets a new standard for this subject

[Chosen Capital](#) Rebecca Kobrin,2012-08-20 At which moments and in which ways did Jews play a central role in the development of American capitalism Many popular writers address the intersection of Jews and capitalism but few scholars perhaps fearing this question s anti Semitic overtones have pondered it openly *Chosen Capital* represents the first historical collection devoted to this question in its analysis of the ways in which Jews in North America shaped and were shaped by America s particular system of capitalism

Jews fundamentally molded aspects of the economy during the century when American capital was being redefined by industrialization war migration and the emergence of the United States as a superpower Surveying such diverse topics as Jews participation in the real estate industry the liquor industry and the scrap metal industry as well as Jewish political groups and unions bent on reforming American capital such as the American Labor Party and the International Ladies Garment Workers Union contributors to this volume provide a new prism through which to view the Jewish encounter with America The volume also lays bare how American capitalism reshaped Judaism itself by encouraging the mass manufacturing and distribution of foods like matzah and the transformation of synagogue cantors into recording stars These essays force us to rethink not only the role Jews played in American economic development but also how capitalism has shaped Jewish life and Judaism over the course of the twentieth century Contributors Marni Davis Georgia State University Phyllis Dillon independent documentary producer textile conservator museum curator Andrew Dolkart Columbia University Andrew Godley Henley Business School University of Reading Jonathan Karp executive director American Jewish Historical Society Daniel Katz Empire State College State University of New York Ira Katznelson Columbia University David S Koffman New York University Eli Lederhendler Hebrew University Jerusalem Jonathan Z S Pollack University of Wisconsin Madison Jonathan D Sarma Brandeis University Jeffrey Shandler Rutgers University Daniel Soyer Fordham University
