## **Perspectives On America:**

**America in Perspective** Andrew S. Weeks,2000-08 Numerous books and pamphlets have been written on what the author calls the American theme However many of these publications are nothing more than a synopsis of American tragedy and government corruption This book has a larger more ideal ambition says the author In the truest sense America in Perspective is not as much a book about what s wrong with America as it is a book about what s right or will be right with America America in Perspective is a catchy book different than the masses The author writes of America s past present and future as seen through a religious perspective Though primarily LDS Latter day Saint or Mormon oriented America in Perspective can inspire anyone who has even an inkling of American patriotism With numerous quotes from scripture past and present religious authorities political leaders and other sources America in Perspective is a classy book that fills a contemporary need

**Our Perspective From An American View** Pasquale De Marco,2025-05-06 Embark on a captivating journey of discovery as we delve into the intriguing differences and surprising similarities between the United States of America and France Through a comparative lens this book unveils the unique tapestry of each culture unraveling the threads that weave together their customs traditions and values From the bustling streets of New York City to the romantic cobblestone alleyways of Paris we explore the complexities of language lifestyle politics and social customs revealing the profound impact of history geography and societal norms on the shaping of these two great nations This book is not merely a surface level exploration it is an invitation to delve deeper to question our own assumptions and embrace the richness of diversity By gaining a deeper understanding of our own culture and that of others we can foster empathy tolerance and mutual respect As we navigate the chapters that lie ahead we will encounter a kaleidoscope of perspectives challenging stereotypes and preconceived notions We will learn to appreciate the beauty of diversity and recognize the common threads that unite us as human beings Throughout our exploration we will uncover fascinating contrasts and unexpected connections between American and French society From the nuances of language and dining etiquette to the contrasting approaches to healthcare and education we will gain a deeper understanding of the factors that contribute to the unique identity of each nation Join us on this captivating journey as we uncover the intriguing world of cultural differences and forge a deeper understanding of our own culture and that of others Embrace the richness of diversity and embark on a voyage of discovery that will broaden your horizons and challenge your perspectives If you like this book write a review on google books [In Search of America's Past](#) Bruce VanSledright,2002-04-12 Offers alternatives to conventional textbook learning for history students describing the use of in depth historical projects and investigations that result in better retention of knowledge

**In American Literature: An Anthology** Pasquale De Marco,2025-07-20 In American Literature An Anthology is an immersive journey through the kaleidoscope of American literary heritage This comprehensive anthology captures the essence of a nation in perpetual motion exploring the dreams struggles and triumphs of its people through the eyes of diverse

authors From the vast frontier to the bustling urban centers from the halls of power to the margins of society this anthology delves into the depths of American identity its complexities and contradictions It invites readers to confront questions of belonging the pursuit of happiness and the ongoing struggle for a more perfect union With contributions from renowned and emerging voices In American Literature An Anthology offers a multifaceted perspective on the forces that have shaped American society It examines the birth of artistic movements the rise of social and political movements and the evolving relationship between humanity and the environment Through the works of these literary luminaries readers gain a profound understanding of the American experience its triumphs and its challenges They witness the power of literature to reflect and shape the world to inspire change and to ignite hope in the face of adversity In American Literature An Anthology is more than just a collection of stories it is a testament to the enduring spirit of America its resilience its creativity and its unwavering pursuit of a more just and equitable society It is an invitation to explore the depths of the American soul to celebrate its diversity and to grapple with its complexities Immerse yourself in the pages of In American Literature An Anthology and embark on a literary odyssey that will leave you with a renewed appreciation for the power of words and the resilience of the human spirit If you like this book write a review *The Losses of Our Lives* Nancy Copeland-Payton,2009 Shows us that by becoming aware of what our lesser losses have to teach us the larger losses become less terrifying Includes spiritual practices and questions for reflection weaving in spiritual and classical themes scripture and personal story **The Absentee American** Carolyn D. Smith,1991-10-30 During the 1950s and 1960s increasing numbers of American citizens were stationed in foreign countries and a whole generation of American children grew up abroad As the interdependence of nations increases new generations of Absentee Americans will be raised outside the United States Based on interviews and questionnaire responses this unique volume describes the impact of overseas living on Americans who spent at least some of their formative years in countries other than the United States It touches on a wide range of subjects such as schooling living arrangements social life abroad and the experience of reentry into the United States and it also provides a comprehensive view of the distinctive opinions shared by these global nomads By exploring the lives and experiences of repatriates the author emphasizes the need for increased intercultural contact and for educational programs that prepare young Americans to better understand the United States as part of the world community This work will be of interest to sociologists and psychologists as well as to Absentee Americans themselves and to managers of public and private institutions with an international or intercultural dimension [Perspectives on International Relations](#) Henry R. Nau,2015-12-11 Henry R Nau s bestselling book *Perspectives on International Relations* is admired for its even handed presentation of realism liberalism constructivism and critical theory and for expertly applying those perspectives in every chapter Students focus on the ways the different perspectives shape our understanding of the root causes of historical events and current controversies in world affairs and learn to think critically about the world s most urgent issues In the new fifth edition updates include the rise of

ISIS new developments in Russia China and the Middle East ongoing environmental concerns and more Instructors will find a new primer for students on how to learn to identify the perspectives and levels of analysis in the introduction and chapter one

*America Reflected* Peter C. Rollins, 2021-10-15 Eclectic criticism and insightful observations from one of the most respected cultural historians working today Ronald A Wells Professor of History Emeritus Calvin College From cowboy philosopher Will Rogers to popular perceptions of two world wars and Vietnam from the history of language to the language of film and television Peter Rollins has devoted his career to exploring the intriguing ways in which the creative impulse both shapes and reflects American culture His observations are fresh illuminating and of enduring value John E O Connor co founder editor of *Film History An Interdisciplinary Journal of Film and Television Studies* Examines the roles of language satire and film in reflecting the American consciousness through such diverse sources as Orestes Brownson Benjamin Lee Whorf Will Rogers and Hollywood Readers of *America Reflected* are in for a delightful voyage as they travel through American history and culture with Peter Rollins as their guide providing personal and scholarly insights into the shaping of the American mind Ron Briley editor of *The Politics of Baseball Essays on the Pastime and Power at Home and Abroad* Even those who have known and admired Peter Rollins s acclaimed works will here find enlightening surprises Epistemology language theory war s polemics filmed history and an array of significant creators of American culture are all elegantly displayed This book will make you a wiser person and charm you while it does it John Shelton Lawrence Emeritus Professor of Philosophy Morningside College Two decades ago I was privileged to work on a book *America Observed* with Alistair Cooke Now we have *America Reflected* by Peter Rollins Not only does Rollins make good observations about our lives and times his reflections on a diverse set of subjects helps us to see the meanings of our observations Ronald A Wells Professor of History Emeritus Calvin College Rollins gathers together glimpses of our shared worlds so that we may observe their interconnections across media genres and time From down home values and front porch philosophy to tales of wars and chronicles of lives the subjects considered here are all part of the stories we tell about ourselves and our social worlds Cynthia J Miller President Literature Film Association

**America, The City of Great Hopes and Dreams** Pasquale De Marco, *America The City of Great Hopes and Dreams* is a captivating exploration of the people culture and spirit of the United States Through vivid storytelling and insightful analysis this book delves into the heart of the American experience painting a vibrant portrait of a nation that is both awe inspiring and deeply flawed From the bustling streets of New York City to the wide open spaces of the Midwest America is a land of contrasts and contradictions It is a place where dreams are born and where dreams are shattered It is a place of opportunity and a place of struggle It is a place of beauty and a place of pain But above all America is a place of hope It is a place where people from all over the world come to reinvent themselves and pursue a better life It is a place where anything is possible if you are willing to work hard and never give up *America The City of Great Hopes and Dreams* tells the stories of these people the dreamers and the doers the immigrants and the natives the

rich and the poor It is a book about the challenges they face the triumphs they achieve and the unwavering optimism that keeps them going This book is a must read for anyone who wants to understand the true spirit of America It is a book that will inspire you challenge you and ultimately leave you with a deeper appreciation for this complex and fascinating country America The City of Great Hopes and Dreams is a book that will stay with you long after you finish reading it It is a book that will make you think a book that will make you feel and a book that will ultimately change the way you see the world If you like this book write a review

**How to Do Good & Avoid Evil** Hans Küng, Walter Homolka, 2009 Explore how the principles of a global ethic can be found in Judaism and how they can provide the ethical norms for all religions to work together toward a more peaceful humankind In 1993 the Parliament of the World's Religions endorsed the Declaration toward a Global Ethic composed by Hans Küng In it representatives from all the world's religions agreed on principles for a global ethic and committed themselves to directives of nonviolence respect for life solidarity a just economic order tolerance and equal rights and partnership between men and women But the declaration was just the first step In this impressive volume Hans Küng probably the most famous living Roman Catholic theologian and Rabbi Walter Homolka head of Germany's Abraham Geiger rabbinical seminary and distinguished professor draw on the Jewish tradition to show the riches that Judaism can offer people of all faiths and nonbelievers in achieving these directives Presenting key sacred texts and theological writings the authors make the case for binding values and basic moral attitudes that can be found in Judaism's universal message of a better world Exploring Judaism's focus on ethical conduct over declarations of faith the authors show that making ethical decisions is indispensable in an ever changing world

**American Cultural Studies** Neil Campbell, Alasdair Kean, 2013-06-17 Praise for previous editions Something of a godsend as a teaching resource this book is second to none achieves levels of multiplicity rarely if ever reached by others Borderlines Studies in American Culture This third edition of American Cultural Studies has been updated throughout to take into account the developments of the last six years providing an introduction to the central themes in modern American culture and explores how these themes can be interpreted Chapters in the book discuss the various aspects of American cultural life such as religion gender and sexuality and regionalism Updates and revisions include discussion of Barack Obama's rise to power and the end of the Bush Years consideration of Hemispheric American Studies and the increasing debates about globalisation and the role of the USA up to date case studies such as The Wire and Nurse Jackie more on suburbia the Mexican border crossing the Twilight phenomena etc updated further reading lists Accompanying website American Cultural Studies is a core text and an accessible introduction to the interdisciplinary study of American culture

**Perspectives in Defense Management**, 1967 *Time Perspective in Aboriginal American Culture* Edward Sapir, 1916 *America's Role in a Complex World: A Path to Peace and Stability* Pasquale De Marco, 2025-05-08 America's Role in a Complex World A Path to Peace and Stability examines the challenges and opportunities facing America in the 21st century Drawing on his decades of experience in government and

the military Pasquale De Marco argues that America must continue to play a leading role in the world in order to promote peace stability and prosperity America s Role in a Complex World A Path to Peace and Stability is divided into ten chapters each of which focuses on a different region or issue In Chapter 1 Pasquale De Marco discusses the global landscape and the challenges facing America in the 21st century In Chapter 2 he examines America s role in the world and the importance of diplomacy and military power In Chapters 3 7 Pasquale De Marco discusses the challenges and opportunities facing America in different regions of the world including the Middle East Asia Europe Africa and Latin America He argues that America must develop a comprehensive strategy for each region in order to promote its interests and values In Chapters 8 and 9 Pasquale De Marco discusses the challenges of cyber security and climate change He argues that these are two of the most pressing challenges facing America in the 21st century and that America must develop a comprehensive strategy to address them In Chapter 10 Pasquale De Marco discusses the future of peace and stability in the world He argues that America must continue to play a leading role in promoting peace and stability and that America must work with other countries to build a more peaceful and prosperous future for all America s Role in a Complex World A Path to Peace and Stability is a timely and important book that provides a clear eyed assessment of the challenges and opportunities facing America in the 21st century Pasquale De Marco draws on his decades of experience in government and the military to provide a unique perspective on America s role in the world This book is essential reading for anyone who wants to understand the challenges and opportunities facing America in the 21st century If you like this book write a review on google books

**Does America Really Know God—Or Will It Be as in the Days of Noah?** Walt Thrun,2023-11-22 Walt Thrun connects Scripture together better than anyone I have read This book on America and her future prospects is a considerate solemn and hopeful offering While the world can seem at times like it is falling apart the fact is that God is going to bring it together under His rule and reign Get right with God today and Buckle up Rev Keith Wiginton II Pastor Claremore First Baptist Walt Thrun is one of America s prophetically insightful writers This book Does America Really Know God introduces the reader to Israel America and the other nations of the world in prophecy Abraham and his two sons Ishmael and Isaac are presented as they relate to successive generations and find their relationship reflected in today s news Mr Thrun s book also helps to disclose how the Fertile Crescent plays a significant role in today s world This book will confirm the place of Israel America and other nations in prophecy Dr Wayne Norton B A Religion Psychology M A Min M Div and D Min 40 years pastoral service I have known Walt Thrun for two decades and have read all of his previous books His latest book Does America Really Know God is extremely relevant to current times for America Walt stresses that God s standard of righteousness has not changed over the ages Then it is stressed that Israel as God s chosen nation disobeyed God s laws which brought on severe consequences This is a book serious Christ followers should read It will help you to pray for America as well as challenge you to examine your own walk with Christ Dr Ted Kersh D Min Bible Teacher Ted Kersh Ministries Edmond Oklahoma Other books by Walt Thrun

in this genre God's Plan for His Chosen The Cost and the Conflict Looking Backward from the Future Until Messiah the Prince The Scarlet Thread of the Bible Behold the Lamb Housing Urban America E. Jay Howenstine, 2017-09-04 Life liberty and the pursuit of housing an increasingly difficult quest in the contemporary urban United States where crime urban blight and continuing capital decay undercut the advantages of city living The American dream has moved to the suburbs the nightmare of our cities prompts new recognition both in the president's cabinet and the college curriculum The editors of this book have updated their acclaimed earlier collection providing new introductory articles new papers such as Discrimination in Housing Prices and Mortgage Lending A Summary Report of Current Findings from the Experimental Housing Allowance Program Alternative Mortgage Designs and Their Effectiveness in Eliminating Demand and Supply Effects on Inflation and a new bibliography of the literature Additional chapters focus on differing strategies for improved urban housing and renewal by providing concrete suggestions for distributing existing resources and allocating new funding The bibliography provides the best single guide to the current literature on housing Housing Urban America in this new edition is an important guide to those students and scholars fascinated by the essential questions of adequate housing its social costs and the source of the revenues to provide it **The Dossier by IndraStra** Monish Tourangbam, Tridivesh Singh Maini, Sriparna Pathak, 2017-09-11 On August 21 2017 United States President Donald Trump provided the roadmap to America's next South Asia strategy mainly centered on America's Afghanistan Policy Given the United States longtime involvement in the region America's Afghanistan policy plays a key role in United States overall foreign policy Given the primacy attached Trump's speech reflected two very significant factors First there was a clear identification and condemnation of Pakistan as a significant actor contributing to terrorism Secondly there was greater confidence expressed in India's role in the region at large and Afghanistan in particular Keeping this context the present series attempts to articulate three key questions 1 What does Trump's new South Asia policy hold for U S India and China 2 Is there a continuity change in America's policy and what can be further expected 3 What will be the larger implications of Trump's new South Asia policy if any To address the queries the series is divided into three perspectives American Indian and Chinese Reflecting on America's foreign policy under the Trump administration Dr Monish Tourangbam argues that the new U S strategy on Afghanistan is designed to avoid losing rather than winning in Afghanistan While arguing from an Indian perspective Tridivesh Singh Maini suggests that while it is tough to predict how U S policy will pan out towards Afghanistan one major shift in Trump's approach is that unlike previous U S administrations he has not really drawn any red lines for India's role in Afghanistan Drawing on the Chinese perspective Dr Sriparna Pathak argues that as China shares an all weather friendship with Pakistan public shaming of Pakistan for shielding terrorists is clearly not something that is acceptable to China However with respect to terrorism China has its own woes emanating primarily from its Xinjiang province Therefore the American policy in South Asia which in all probability will see greater American involvement in the region will have to be carefully

considered by the foreign policy mandarins in Beijing Amrita Jash Editor in Chief IndraStra Global **Youth Perspectives**  
Bonnie B. Snedeker,1980 Wake Up, America: Unmasking the Trump Presidency--A Nation Enclosed in an Open Air Prison  
Michael Veluppillai,2024-09-16 Wake Up America Unmasking the Trump Presidency A Nation Enclosed in an Open Air Prison  
serves as a piercing insightful dissection of one of the most controversial periods in American history It brings a critical eye  
to the dichotomy at the heart of the Trump administration an immigrant son who became a fortress building president and a  
First Lady whose ambiguous citizenship journey stands in stark contrast to her husband s stringent immigration policies This  
book explores the deep ironies embedded within Donald Trump s presidency examining how a leader born from immigrants  
imposed policies that undercut the very essence of America s foundational mythos a nation built by and for immigrants At the  
same time Foster delves into the contentious debate surrounding Melania Trump s path to US citizenship raising questions  
about fairness transparency and the double standards that appear to pervade the upper echelons of power Through  
meticulous research and compelling narratives it exposes how the Trump administration s actions created a paradoxical open  
air prison a country where liberty is a headline yet often a hollow promise The book interlaces analysis with real life impacts  
showing how these policies have reshaped American society and how they continue to influence the national conversation  
Wake Up America is more than a political critique it is a clarion call to all citizens to reconsider what it means to be American  
in the modern world urging a recommitment to the ideals of diversity openness and justice This thought provoking work is  
essential for anyone seeking to understand the complexities and contradictions of recent American history and its  
implications for the future **The Oxford Handbook of Church and State in the United States** Derek H.  
Davis,2010-11-18 Study of church and state in the United States is incredibly complex Scholars working in this area have  
backgrounds in law religious studies history theology and politics among other fields Historically they have focused on  
particular angles or dimensions of the church state relationship because the field is so vast The results have mostly been  
monographs that focus only on narrow cross sections of the field and the few works that do aim to give larger perspectives  
are reference works of factual compendia which offer little or no analysis The Oxford Handbook of Church and State in the  
United States fills this gap presenting an extensive multidimensional overview of the field Twenty one essays offer a scholarly  
look at the intricacies and past and current debates that frame the American system of church and state within five main  
areas history law theology philosophy politics and sociology These essays provide factual accounts but also address issues  
problems debates controversies and where appropriate suggest resolutions They also offer analysis of the range of  
interpretations of the subject offered by various American scholars This Handbook is an invaluable resource for the study of  
church state relations in the United States
