

## perspective

some days i want to get out of my body,  
see things through a different lens.  
one that hasn't been tainted  
by twenty years of living.

the idea haunts me.

there are so many lives i haven't lived.  
so many people that haven't lived mine.

(would they do it any better?)

and i know we read to learn.  
travel to grow.  
to find ourselves in places  
that aren't our own skin.

get some perspective  
(or whatever they call it these days).

i am not old by any means.  
just curious.

my bones aren't aching  
unless you count longing as an ache.

oh, some days i am just a little restless.  
that's all.

just overwhelmed with possibility.

i consider myself lucky.  
i consider that free.
