New Perspectives on the American Presidency

Perspectives On The Presidency

**Wilfried Mausbach, Dietmar
Schloss, Martin Thunert**

Perspectives On The Presidency:

The Vantage Point Lyndon Baines Johnson, 1971 Thirty sixth President of the United States describes the challenges the trials and achievements of his eventful years in the White House *The Vantage Point* Lyndon Baines Johnson, 1972

Perspectives on the Presidency Stanley Bach, 1974 *TRB, Views and Perspectives on the Presidency* Richard Lee Strout, 1979 TRB columns reprinted from the New republic Includes index *The Vantage point* Lyndon Baines Johnson, 1972 *Perspectives on Presidential Leadership* Michael Patrick Cullinane, Clare Frances Elliott, 2014-02-18 In 2011 Barack Obama invited ten distinguished biographers to the White House to ask them one question which past American president should I emulate This was not the first time Obama asked scholars this but the answer he received would differ as presidential legacies waxed and waned In 2008 Obama chose Lincoln in 2009 Reagan and in 2010 Theodore Roosevelt *Perspectives on Presidential Leadership* is an examination of presidential legacy and in particular an analysis of the first ever UK ranking of American presidents which took place in 2011 In thirteen chapters thirteen individual presidential administrations are assessed Some presidents have been considered a success others a failure both types are featured in these thirteen case studies in a measured attempt to understand how the perception of presidential leadership evolves shifts and contorts across three centuries of American politics The case studies also derive from the expertise of the collected British Irish and Canadian authors all of whom are leading scholars in their fields and many of which took part in the 2011 survey At a time when understanding presidential legacy is in high demand this book offers a unique international perspective Through extended commentary and inter disciplinary study of the UK perspective it provides groundbreaking research **Rhetorical Perspectives on Argumentation** David Zarefsky, 2014-04-01 This book contains 20 essays tracing the work of David Zarefsky a leading North American scholar of argumentation from a rhetorical perspective The essays cohere around 4 general themes objectives for studying argumentation rhetorically approaches to rhetorical study of argumentation patterns and schemes of rhetorical argumentation and case studies illustrating the potential of studying argumentation rhetorically These articles are drawn from across Zarefsky s 45 year career Many of these articles originally appeared in publications that are difficult to access today and this collection brings the reader up to date on the topic Zarefsky s scholarship focuses on the role of language in political argumentation the ways in which argumentation creates public knowledge and belief the influence of framing and context on what is said and understood the deployment of particular patterns and schemes of argumentation in public reasoning and the influence of debate on politics and governance All these topics are addressed in this book Each of the conceptual essays includes brief application to specific cases and five extended case studies are also presented in this volume The case studies cover different themes two explore famous political debates the third focuses on presidential rhetoric across the course of United States history the fourth on the arguments for liberalism at a time of political polarization and the fifth on the contemporary effort to engage the United States with the

Muslim world This book is of interest to scholars in the fields of philosophy logic law philosophy of law and legal history The range of topics and concepts addressed the interplay of concepts and cases and the unifying perspective of rhetorical argumentation make this book a valuable read for students of argumentative practice whether rhetorically or otherwise

Perspectives on the Presidency Aaron B. Wildavsky,1975 **Secrets and Perspectives: Inside the Mind of a President** Pasquale De Marco,2025-07-11 Dive into the enigmatic world of Richard Nixon the 37th President of the United States in this comprehensive and thought provoking book Unveiling the complexities of his presidency this book offers a fresh perspective on Nixon s policies decisions and personal life shedding light on both his achievements and controversies Through meticulous research and analysis this book delves into the motivations and actions that shaped Nixon s presidency It draws upon a wealth of primary sources including Nixon s personal papers White House tapes and interviews with key figures in his administration to provide a nuanced and balanced assessment of his legacy The book explores Nixon s rise to power from his humble beginnings to his election as President in 1969 It examines his domestic and foreign policies including his efforts to pursue détente with the Soviet Union his environmental initiatives and his handling of the Vietnam War It also delves into the controversies that plagued Nixon s presidency particularly the Watergate scandal which ultimately led to his resignation The book analyzes the events leading up to the scandal the cover up attempt and the subsequent investigations providing a comprehensive overview of this pivotal moment in American history Beyond the controversies the book highlights Nixon s significant achievements such as his opening of relations with China his arms control agreements with the Soviet Union and his establishment of the Environmental Protection Agency It examines the impact of these policies and assesses Nixon s lasting legacy on American politics and society This book is a must read for anyone seeking a deeper understanding of Richard Nixon and his presidency It offers a fresh perspective on this complex and controversial figure inviting readers to engage with the debates and controversies that continue to surround him If you like this book write a review [Perspectives on the Legacy of George W. Bush](#) Michael Orlov Grossman,Ronald Eric Matthews Jr.,2008-12-18

Opinions of the Presidency of George W Bush and his perceived legacy seem to exist only at the extremes From the contentious outcome of the 2000 election to the attacks on September 11 to the ongoing War in Iraq and Afghanistan to the efforts to transform major domestic policies and culminating with the financial crisis of 2008 it is little wonder that the name George W Bush tends not to evoke lukewarm opinion During his time in office Bush obtained the highest approval ratings of any sitting president but also the lowest Scholars and other observers of the Bush Presidency have been similarly divided Across the board the presidency of George W Bush raises questions that invite challenges to political scientists scholarly questions of significant general interest The authors in this volume begin the process of addressing some of these questions with essays that cover an array of issues related to his presidency and the legacy it leaves This collection of essays presented at the Mount Union College Symposium on the Legacy of George W Bush seeks to provide some balance offering some initial

assessments of the consequences of this controversial president and his eventful tenure in office **New Perspectives on the Presidency** Curtis Arthur Amlund,1969 Debating the Presidency Richard J. Ellis,Michael Nelson,2019-12-20 The study of the presidency the power of the office the evolution of the executive as an institution the men who have served has generated a great body of research and scholarship What better way to get students to grapple with the ideas of the literature than through conflicting perspectives on some of the most pivotal issues facing the modern presidency Richard Ellis and Michael Nelson have once again assembled a cadre of top scholars to offer a series of pro con essays that will inspire spirited debate beyond the pages of the book Each essay written in the form of a debate resolution offers a compelling yet concise view on the American executive *Life As Theater* Dennis Brissett,Charles Edgley,2005-01-01 Life as Theater is about understanding people and how the dramaturgical way of thinking helps or hinders such understanding A volume that has deservedly attained the status of a landmark work this was the first book to explore systematically the material and subject matter of social psychology from the dramaturgical viewpoint It has been widely used and quoted and has sparked ferment and debate in fields as diverse as sociology psychology anthropology political science speech communication and formal theater studies Life as Theater is organized around five substantive issues in social psychology Social Relationships as Drama The Dramaturgical Self Motivation and Drama Organizational Dramas and Political Dramas This classic text was revised and updated for a second edition in 1990 and includes approximately 66 percent new materials all featuring individual introductions that provide the dramaturgical perspective and reflect the most learned thinking and work being done within this point of view This book s sophistication will appeal to the scholar and its clarity and conciseness to the student Like its predecessor it is designed to serve as a primary text or supplementary reader in classes This new paperback edition includes an introduction by Robert A Stebbins that explains why even fifteen years after its publication Life as Theater remains the best single sourcebook on the dramaturgic perspective as applied in the social sciences Dennis Brissett died 1996 was professor of behavioral science at the University of Minnesota School of Medicine in Duluth and also taught at the State University of New York at Buffalo and Portland State University Charles Edgley is a professor in and head of the Department of Sociology at Oklahoma State University and has been a member of the faculty since 1972 He is coeditor of The Handbook of Thanatology and does editorial work regularly for the journal Symbolic Interaction where he has published a portion of his research on the health and fitness movement Robert A Stebbins is faculty professor and professor of sociology emeritus at the University of Calgary He is the author of many books including Between Work and Leisure from Transaction Publishers *The Changing American Presidency* Richard W. Waterman,2007 **The American Presidency** Harry A. Bailey,Jay M. Shafritz,1988-01-01 *The American Presidency* Wilfried Mausbach,Dietmar Schloss,Martin Thunert,2012 Understanding the presidency of the United States requires taking seriously the role that individuals play in history but at the same time also taking seriously the realization that individual presidents are bound by legal and

institutional structures as well as by cultural and economic forces often beyond their control This is why the task of this book is to characterize the modern American presidency from a variety of academic disciplines such as history political science and cultural studies as well as from different theoretical approaches The essays collected in this volume grew out of conference papers held at the 2008 Annual Meeting of the German Association for American Studies DGfA which was held in Heidelberg between May 15 and 18 2008 Many essays are deliberately interpretive some offer assessments of individual presidents and of particular events others are more contextual and focus on presidential performance on presidential rhetoric or on representations of the presidency in fiction film and drama

Perspectives on Theological Education

Walter B. Shurden, 1989 Conservative Thought and American Constitutionalism since the New Deal Johnathan O'Neill, 2022-11-29 An intellectual history of American conservatism since the New Deal The New Deal fundamentally changed the institutions of American constitutional government and in turn the relationship of Americans to their government Johnathan O'Neill's *Conservative Thought and American Constitutionalism since the New Deal* examines how various types of conservative thinkers responded to this significant turning point in the second half of the twentieth century O'Neill identifies four fundamental transformations engendered by the New Deal the rise of the administrative state the erosion of federalism the ascendance of the modern presidency and the development of modern judicial review He then considers how various schools of conservative thought traditionalists neoconservatives libertarians Straussians responded to these major changes in American politics and culture Conservatives frequently argued among themselves and their responses to the New Deal ranged from adaptation to condemnation to political mobilization Ultimately the New Deal pulled American governance and society permanently leftward Although some of the New Deal's liberal gains have been eroded a true conservative counterrevolution was never O'Neill argues a realistic possibility He concludes with a plea for conservative thinkers to seriously reconsider the role of Congress a body that is relatively ignored by conservative intellectuals in favor of the courts and the presidency in America's constitutional order *Conservative Thought and American Constitutionalism since the New Deal* explores the scope and significance of conservative constitutional analysis amid the broader field of American political thought

The Liberal Hour G. Calvin Mackenzie, Robert Weisbrot, 2008 A history of the liberal movement in the 1960s argues that the government was largely responsible for many of the positive changes associated with the period in an account that evaluates the cultural and political factors that enabled key reforms

Presidential Greatness Marc Karnis Landy, Sidney M. Milkis, 2000 Searching for common threads in these five presidencies Landy and Milkis enable us to better understand both the possibilities and the limitations of the office

BOOK JACKET

Perspectives On The Presidency Introduction

In the digital age, access to information has become easier than ever before. The ability to download Perspectives On The Presidency has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Perspectives On The Presidency has opened up a world of possibilities. Downloading Perspectives On The Presidency provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Perspectives On The Presidency has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Perspectives On The Presidency. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Perspectives On The Presidency. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Perspectives On The Presidency, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Perspectives On The Presidency has transformed the way we access information. With the convenience, cost-

effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Perspectives On The Presidency Books

1. Where can I buy Perspectives On The Presidency books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Perspectives On The Presidency book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Perspectives On The Presidency books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Perspectives On The Presidency audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media

or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
