Loscalzo, 1995-10-24 Craig A Loscalzo shows how to develop evangelistic sermons that will appeal to today's audiences He includes a rationale for evangelistic preaching sample sermons and lots of practical advice **Handbook of Contemporary Preaching** Dr. Michael Duduit, 1993-03-01 Contributors included Calvin Miller Joel Gregory Stuart Briscoe James Cox Elizabeth Achtemeier Thomas Long James Earl Massey and many more **Preaching in HD** Dr. Michael O. Oyedokun , 2023-12-22 In *Preaching in HD High Definition* Dr Michael O Oyedokun II invites preachers on an enlightening journey to unlock the true potential of their preaching Drawing from his extensive experience and advanced studies in Expository Preaching Dr Oyedokun presents a comprehensive guide that will revolutionize the way you approach the pulpit As proclaimers of the Gospel our mission is to expose the Word of God with utmost clarity relevance and truth In this thought provoking book Dr Oyedokun reveals the key to achieving this goal embracing the power of high definition preaching With meticulous attention to detail and a deep understanding of the components of Hermeneutics and Homiletics Dr Oyedokun equips preachers with practical tools for effective sermon preparation and delivery Through his insightful teachings you will learn how to infuse your sermons with depth precision and biblical truth capturing the hearts and minds of your audience Challenging the notion that previous generations of preachers lacked the capacity to convey detailed and relevant messages Dr Oyedokun highlights the timeless anointing that has been bestowed upon proclaimers throughout history Are you ready to unleash the power of high definition preaching Step into the pulpit with confidence embrace the Word of God as your high definition source and become the monitor through which His message resounds **Preaching Like the Prophets** Robert A. Carlson, 2017-02-08 The Old Testament prophets are a neglected treasury of biblical examples for pastoral preaching Too often the prophets are misunderstood as focusing on future or social justice issues This book shows that the prophets are essentially preachers very good ones whom we must learn from By comparing recent rhetorical analysis of the prophets to some of the best of current preaching literature this book shows that the prophets preached the way that we ought to preach It will help you to hear the prophets the same way that a pastor benefits from listening to a seasoned and exceptionally gifted preacher We can benefit not only from what the prophets say but how they say it By seeing how the prophets grab and keep their listeners how they enhance clarity and relevancy how they make truth come alive and how they persevere in their ministry you too can learn to preach like the prophets The Persuasive Preacher David A. Christensen, 2020-07-16 How can we preach persuasively without huckstering manipulating or coercing people Sadly we are seeing the fall of many pastors not for reasons of sexual immorality but the pursuit of pride and power The skillful use of marketing methods creates celebrity pastors who become significant influencers in the evangelical church The lure of success is seductive turning pastors into hucksters and Christians into consumers We need to heed the warnings of the New Testament about the pride of

rhetoric and the pursuit of power David Christensen carefully analyzes the biblical warnings of Paul about the temptations of rhetorical sophistry in the first century church and applies them to pastoral ministry today God calls preachers to be ethical and effective persuaders David develops an ethical grid for pastoral persuasion using principles drawn from the Bible and social science along with practical illustrations from his years of ministry He calls preachers to be ethical and effective persuaders by emphasizing the centrality of the word of God while depending on the power of the Spirit of God **A**

Homiletical Praxeology on the Persuasiveness of Literary Forms Ferdi P. Kruger, 2025-04-29 This book is aimed at academic scholars and preachers who deal with homiletical praxeology weekly Its purpose is to focus on the rhetorical appeal of the Biblical text which is alluded to from the viewpoint of the five preaching blocks according to Matthew's Gospel and the Hebrew sermon The book's uniqueness is encapsulated in the idea that it is a practical theological and homiletical study Consequently the book offers empirical perspectives on literary forms and an inter disciplinary engagement with neighbour sciences before presenting normative perspectives This book posits that faith communities should be exposed to more literary forms to realise that the library of the Gospel and its literature does have a rhetorical appeal that should be preached according to its purpose The unique structure and way the Gospel portrays the Kingdom that has come near as well as the Hebrews sermon offering perspectives on attitude change could enrich a homiletical practice Anointed Expository

Lybrand, 2008 Preaching on Your Feet presents a unique pastoral style based on an in the moment approach to addressing audiences relying less on notes and more on Spirit led communication Features a helpful Frequently Asked Questions chapter about the concept of preaching on your feet **Killing the Church** Jeff Parker, 2012 Do you have any

voices of truth in your life Is there someone anyone who can be brutally honest with you about you Is the only thing more frightening than listening to a voice of truth being one If there is a responsibility of the church it is to confront to hold us accountable to be that voice of truth But what happens if she doesn't or worse her leaders desire popularity more than our purity Killing the Church is not to be seen as an attack against the Church no more than discipline is an attack against a child

The reality is that without correction little can be done to keep child or Church on course And for correction to be effective it first requires confrontation

The Anatomy of Preaching David L. Larsen, 1989 Insight and commentary on fifteen issues that affect a pastor's effectiveness including making a sermon flow escaping predictability and using narrative effectively

How Effective Sermons Advance Ben Awbrey, 2010-12-20 Sermon structure has been deemed an important component of preaching throughout the history of preaching by preaching instructors and practitioners alike Many have made a case for the bearing that sermon structure has for the effective preaching of Scripture However sermon structure when incorporated in a sermon often is not as serviceable as it could and should be This book provides instruction for how sermon structure can serve to principle Scripture by using statements of theological principle in the sermon outline Therefore the timelessness and the timeliness of Scripture are prioritized through statements of theological principle providing doctrinal accuracy and personal relevance which are apparent in the outline of the sermon

How Effective Sermons Advance provides a thorough and comprehensive treatment on the highly significant matter of sermon structure

How Effective Sermons End Ben Awbrey, 2022-07-21 Extremely rare is the preacher whose preaching could not be improved substantially by readdressing his sermon conclusions Moreover a sermon conclusion marks the typical preacher's greatest need for improvement in his preaching This most significant element of a sermon has been championed for its importance in a sermon and yet the conclusion is trivialized in if not omitted from the preaching of sermons Whether textual topical or expository in preaching methodology the typical preacher has a greater understanding and better implementation of everything else related to preaching in contrast to what is understood and done in concluding sermons Much is not done and much more is not understood to conclude sermons with clarity strength and persuasiveness

How Effective Sermons End provides a comprehensive approach and thorough examination of the sorely needed and long

overlooked instruction regarding that most vital of all elements of a sermon the sermon conclusion This book fills the existing void in homiletical pedagogy about concluding sermons a void that prevents preachers from reaching their full potential of effectiveness in the ministry of preaching the Word of God The pathway of better preaching is knowledge and skill to effectively conclude sermons and this book floods that pathway with light *How We Preach* Eben Kanukayi
