Sergei Prokofiev composed his *Peter and the Wolf* in 1936 with the hope of introducing children to the instruments of the orchestra. It happens that he also devised a wonderfully dramatic story. The characters boy, bird, duck, cat, grandfather, wolf, hunters and their doings have been beloved by young and old for decades. Writer, artist, musician and Caldecott Medalist Chris Raschka has given the original story a new setting, a stage performance. Here you will relish language inspired music, enjoy mischief, suspense and triumph in the theater and delight in a surprise and an additional character. Prokofiev's merry tale didn't provide. Please do not turn immediately to the last page.

But children are curious and don't always do what they are told. Along with his friends the duck, the bird and the cat, Peter ventures out into the snow and encounters a terrifying wolf. He'll need all his courage and brains to make it back in one piece. With haunting illustrations and an explanation of its musical origins, this story will captivate its readers.
