Marker video installations by Thierry Kuntzel Keith Piper and Renate Ferro and interactive media works by Toni Dove David Rokeby and Jill Scott Sophisticated readings reveal the electronic psychosocial webs and digital representations that link text film and computer Murray puts forth an innovative Deleuzian psychophilosophical approach one that argues that understanding new media art requires a fundamental conceptual shift from linear visual projection to nonlinear temporal fields intrinsic to the digital form

Peter Greenaway Peter Greenaway,2000 Twenty one interviews with the controversial director of films such as Prospero's Books and The Cook The Thief His Wife and Her Lover

The Films of Peter Greenaway Douglas Keesey,2015-01-09 British filmmaker Peter Greenaway says life offers only two subjects One is sex and the other is death Greenaway uses both and romanticizes neither indeed his goal is the antithesis of the sanitary and sentimental portrayal of humanity Although his films have met with outrage from some viewers cult audiences praise them for insightful messages that people are detached from violence because they fail to see others bodies as identical to their own that predatory capitalism has caused humans to lose sight of our shared physicality and mortality and that taboos are simply a system allowing people to exercise power over others This book examines nine of Greenaway's feature films dedicating a chapter to each The Draughtsman's Contract A Zed and Two Noughts The Belly of an Architect Drowning by Numbers The Cook the Thief His Wife and Her Lover Prospero's Books The Baby of Macon The Pillow Book and 8 1 2 Women The author examines the characters and plot studies the structure and elements of the story explores Greenaway's motives and reactions and reveals audience reactions including comments from viewers A filmography lists films written and directed by Peter Greenaway from 1962 to 2004

Peter Greenaway's Prospero's Books Christel Stalpaert,2000 The critical essays collected in this volume reflect Greenaway's relocation of The Tempest along the fundamentally unstable boundaries between different discursive formations

The Politics of Popular Representation Kenneth MacKinnon,1992 These together with the emphasis on individual responsibility for health and material security not to mention resurgent machismo and a restored belief in the natural and unnatural help to explain the health disaster experienced in the United States United Kingdom and elsewhere A review of English language cinematic entertainment of the eighties reveals that the health crisis was scarcely alluded to although such values as those of militarism masculinity and family loyalty were addressed whether supportively or critically It is the argument of this book that the HIV virus and AIDS are approached if at all only obliquely particularly within the genre of the horror film and especially through those films dealing with corporeality or with lethal challenges to the traditional nuclear family

Weiner, John Cline, 2010-07-17 Cinema Inferno Celluloid Explosions from the Cultural Margins addresses significant areas and eras of transgressive filmmaking including many subgenres and styles that have not yet received much critical attention This collection of essays covers both contemporary films and those produced in the last 50 years to provide a theoretical framework for looking at transgressive cinema and what that means This volume begins with a number of essays that examine the aesthetic of realism tracing it through the late Italian Neo Realism of Pasolini the early films of Melvin Van Peebles and Canadian filmmaker Guy Maddin Another section focuses on 70s Italian horror and thrillers including a substantially different examination of filmmaker Dario Argento as well as essays on critically underrepresented directors Lucio Fulci and Sergio Martino A section on New York looks at both radical independents like Troma and Andy Milligan as well as the social context from which a view of the metropolis in decay emerged Sections also cover the experimental work of the Vienna Action Group and controversial filmmaker Michael Haneke as well as films and genres too idiosyncratic and disturbing to fit anywhere else including analyses of Nazi propaganda films fundamentalist Christian scare movies and postwar Japanese youth films The final essays try to come to terms with a mainstream flirtation with transgressive film and

Peter Greenaways Filme Detlef Kremer, 2016-12-16 **Second Takes** Andrew Repasky McElhinney, 2013-09-28
 Second Takes presents the history of English language cinema by focusing on cinematic remakes and on how cinema has been replaced by new forms of media Remakes with their innate plurality offer the most substance for concentrated cultural analysis of how movies reflect and shape American culture Analyzing the archetypes that recur in this culture reveals how movies are an increasingly dangerous surrogate for the actual Close readings are presented of such works as popular favorites as Cronenberg's Crash Disney's The Parent Trap Ferrara's Bad Lieutenant Hitchcock's Psycho Kubrick's A Clockwork Orange Lynch's Twin Peaks the film and Welles The Magnificent Ambersons while unearthing pictures ripe for rediscovery such as One More Tomorrow Strange Illusion and Andy Warhol's Vinyl Instructors considering this book for use in a course may request an examination copy here **Film - An International Bibliography** Malte Hagener, Michael Töteberg, 2016-12-16 Kommentierte Bibliografie Sie gibt Wissenschaftlern Studierenden und Journalisten zuverlässig Auskunft über rund 6000 internationale Veröffentlichungen zum Thema Film und Medien Die vorgestellten Rubriken reichen von Nachschlagewerk über Filmgeschichte bis hin zu Fernsehen Video Multimedia *APAIS 1994: Australian public affairs information service* , *Paper Cities* Susana S. Martins, Anne Reverseau, 2016-04-21 Thought provoking case studies on cities photographs and books Photographic books are almost as old as photography itself and the city is one of their first and more recurring themes Cities have been and they continue to be intensely photographed under a wide variety of forms materialities intentions and genres This volume examines how a city can be moulded through the particularities of a photographic book suggesting how urban portraits configure an overlooked yet quite specific photo textual practice Ranging from early photography to contemporary works Paper Cities gathers thought provoking case studies from several
