Volume 2, Number 2

The Girl with the White Fur Muff

I raised the camera to my eye and found her in the viewfinder.

by Eric Kraft

Peter Leroy The Girl With The White Fur Muff

Raffaela Di Napoli

Peter Leroy The Girl With The White Fur Muff:

The Girl with the White Fur Muff Eric Kraft, 2008-12-10 Peter Leroy recalls the trouble that ensued when a well meaning teacher appointed him director of Babbington's annual fourth grade production of King Lear Three of his classmates wanted the role of Lear's loving daughter Cordelia and each had her strategy for ensuring that she got it Clarissa Bud the girl with the white fur muff used sweetness and charm Veronica McCall used sex and Lily O Grady known as Spike threatened to break his foot if he chose anyone but her

Take the Long Way Home Eric Kraft, 2009-01-20 Peter Leroy returns in memory to the fifth grade where he finds himself gazing at Veronica McCall across the Gulf of Puberty Remembering Veronica the hottest little number in Babbington's elementary grades at that time inevitably leads him to reflect on the many varieties of love and lust to which the human animal is subject to consider the roots of the animosity between Babbington's clamdiggers and chicken farmers to recall the occasion of his first meeting Porky White who was to become the brains behind the Kap n Klam chain of bivalve based fast food restaurants and forces him to recreate his attempt to skate on ice

The Little Follies Eric Kraft, 1995-01-15 In 1962 as a college sophomore Eric Kraft fell asleep in the library Among the books surrounding him he began to dream of a nameless boy sitting on a dilapidated dock in the warm sun of a summer day playing a game He was trying to bring the soles of his bare feet as close as he could to the surface of the water without touching it That boy became Peter Leroy and from Kraft's dream grew one of the most delightful unusual projects in contemporary literature Funny touching witty mythic and profound Kraft's novels featuring Peter his friends and family and the seaside town of Babbington create an alternate reality a world in which we see ourselves darkened and wavering as reflected by deep water Little Follies gathers nine Peter Leroy novellas into one volume the perfect introduction to an irresistible cycle of books by an author sometimes compared to Cheever Proust Twain Borges Russel Baker and Garrison Keillor but who is uniquely Eric Kraft

The Publishers Weekly, 1984 *Library Journal*, 1983 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **Books in Print**, 1977 **The Bloomsbury Review**, 1984 *Call Me*

Larry Eric Kraft, 2009-01-30 Peter Leroy recalls his childhood affection for the Larry Peters series of adventure books As a boy he entered the world of the books so completely that he went from wanting to be Larry Peters to believing sometimes that he was As Larry he relished the company of his wisecracking sister Lucy and his square jawed and capable pal Rocky King Later when he had become a grownup circumstances led to his taking his place as the last in a line of pseudonymous authors of the series so that in a way he really did become Larry Peters [The Young Tars](#) Eric Kraft, 2009-02-06 Peter Leroy recalls an episode from his grade school years an episode that he would really rather forget one of the dark gritty bits that one finds at the bottom of the chowder bowl of life It involves the Young Tars an organization originally intended to raise the morale of students at the new Babbington Central Upper Elementary School and the treacherous Mr Summers a teacher

whose armamentarium of instructional techniques featured humility sessions and a toy weapon that fired ping pong balls

My Mother Takes a Tumble Eric Kraft, 2008-08-08 Peter Leroy explores his earliest memories which involve a next door neighbor with a shady occupation a shapely blonde a product of his imagination six kittens and one red wagon and his mother's tumble from her lawn chair MY MOTHER TAKES A TUMBLE is included in LITTLE FOLLIES However it is also available on its own as a pocket size paperback **The Static of the Spheres** Eric Kraft, 2008-09-19 Leroy recalls his maternal grandfather's attempt to build a shortwave radio a project that begins with an article in Impractical Craftsman magazine promising hour after interminable hour of baffling precision work After many many hours spent watching his grandfather labor at his basement workbench Peter at last gets to put the earphones on flip the switch and twiddle the dials Through the crackling and sussurous static he detects the sounds of love and lust joy and sorrow hope and loss

Forthcoming Books Rose Arny, 1984-03 **Life on the Bolotomy** Eric Kraft, 2008-08-15 Peter Leroy recalls a childhood journey of discovery that he made from the mouth of the Bolotomy River to its source traveling with his best and imaginary friend Rodney Raskol Lodkochnikov The journey begins with the work of turning a packing case which Cap'n Andrew Leech intends to use later as a coffin into a shallow draft boat it involves encounters with a philosophical vagrant and a gaggle of beautiful nymphs and it ends with the metaphor of life as a river turned on its head *The Fox and the Clam* Eric Kraft, 2008-10-23 Leroy recalls his childhood friend Matthew Barber Peter and Matthew seem unlikely friends Matthew finds little to like in life and his outlook is decidedly blue Peter finds much to like in life though nearly everything puzzles him and he is essentially sanguine about his future no matter how groundless his optimism might be Eventually the friends find as most friends do that each has added to his developing self a little of the other A set of thematic variations ranging from a Saturday afternoon cartoon about a happy hippo and an unhappy one to a deadly competition having to do with skipping third grade that raise complicated farce to the level of calculus Anna Shapiro The New Yorker *The New York Times Book Review*, 1985-07 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback *Do Clams Bite?* Eric Kraft, 2008-08-11 Leroy considers the origins of his childhood pelecypodophobia the fear of bivalve mollusks meets the imaginary friend who will remain his best friend for life memorizes the legends of his ancestors in the Leroy line including Black Jacques Leroy who invented beer studies his father's nude photographs of family friend May Castle and enjoys a moonlight swim with Margot and Martha the Glynn twins after which he concludes that clams do not bite **Contemporary Authors**, 2003-11 These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up to date and completely replace the original Contemporary Authors entries A softcover cumulative index is published twice per year included in subscription **On the Wing** Eric Kraft, 2007-07-24 Teenager Peter Leroy describes his solo flight to New Mexico and back in the aerocycle he had built in his parents garage while in parallel chapters an adult

Leroy details his odyssey with his wife to retrace his original trip

Woman's World ,1929

Le Follet ,1863

The Enigmatic Realm of **Peter Leroy The Girl With The White Fur Muff**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary.
