Peter and the Wolf, Op. 67 Sergei Prokofiev, 2001-06 Study Score      The Broken Violin M. Bradley Davis, 2009-10 The Grim Reaper's scythe barely missed his head He wished it hadn't Stephen Ingalls has quite enough on his plate Starting his freshman year at Clarkstowne High School a tough enough challenge for any young man he finds that he and his friend Doug have been given the unprecedented opportunity to become the first student conductors of the high school orchestra Dr Donaldson their teacher and mentor will help them push the limits of their talents while weathering the storm of controversy and opposition to this innovative program When Stephen meets Jason Anderson he seems to know instinctively that the young man will also be important to him this new school year It isn't that Jason is using a wheelchair nor even that the boy is still grieving the loss of his best friend Tony killed in the same accident that caused Jason to lose the use of his legs Jason has lost something else The connection to a musical ability that Stephen is certain still burns inside Jason is convinced that his music died with Tony with the violin a twin to his own damaged in the accident Doctors are certain that Jason's paralysis is psychological that he could walk if only they could find and treat the dark blockage in his mind Stephen determined not to let either talent or hope disappear must find the way to mend the pieces of the broken heart and the broken violin to help Jason overcome the past and live beyond the day the music died      **Orchestral and Band Parts** State Reference Library of
