**Australian Music and Modernism, 1960-1975** Michael Hooper, 2019-10-31 Drawing on newly available archival material key works and correspondence of the era Australian Music

and Modernism defines Australian Music as an idea that emerged through the lens of the modernist discourse of the 1960s and 70s At the same time that the new Australian Music was distinctive of the nation it was also thoroughly connected to practices from Europe and shaped by a new engagement with the music of Southeast Asia This book examines the intersection of nationalism and modernism at this formative time During the early stages of Australian Music there was disagreement about what the idea itself ought to represent and indeed whether the idea ought to apply at all Michael Hooper considers various perspectives offered by such composers as Peter Sculthorpe Richard Meale and Nigel Butterley and analyzes some of the era s significant works to articulate a complex understanding of Australian Music at its inception

Paul Creston Monica J. Slomski,1994-11-21 Although born Giuseppe Guttovorgi to a poor immigrant Italian family it was as Paul Creston that Giuseppe rose to prominence becoming one of the most widely performed American composers Rhythm was a continued subject of research for this composer and by 1945 he had established a terminology of rhythmic structures which he observed both in his music and the music of other composers even writing two books on the subject This volume presents for the first time a complete descriptive account of the life of the composer as well as access to currently available materials by and about him      **Reader's Guide to Music** Murray Steib,2013-12-02 The Reader s Guide to Music is designed to provide a useful single volume guide to the ever increasing number of English language book length studies in music Each entry consists of a bibliography of some 3 20 titles and an essay in which these titles are evaluated by an expert in the field in light of the history of writing and scholarship on the given topic The more than 500 entries include not just writings on major composers in music history but also the genres in which they worked from early chant to rock and roll and topics important to the various disciplines of music scholarship from aesthetics to gay lesbian musicology      Historical Dictionary of Choral Music Melvin P. Unger,2023-08-14 A Library Journal Starred Review March 2024 praises the book as a remarkable resource that will please both musical professionals and amateurs along with teachers and their students and conductors and singers Throughout the ages people have wanted to sing in a communal context This desire apparently stems from a deeply rooted human instinct Consequently choral performance historically has often been related to human rituals and ceremonies especially rites of a religious nature Historical Dictionary of Choral Music Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 1 300 cross referenced entries on composers conductors choral ensembles choral genres and choral repertoire This book is an excellent resource for students researchers and anyone wanting to know more about choral music      **The Soundscapes of Australia** Fiona Richards,2018-01-17 Australia offers tremendous scope for understanding the relationship between music spirituality and landscape This major generously illustrated new volume examines in fifteen chapters some of the ways in which composers and performers have attempted to convey a sense of the Australian landscape through musical means The book embraces the different approaches of ethnomusicology gender studies musical analysis performance studies and cultural history Ranging

across the country from remote parts of the Northern Territory to the bustling east coast cities from Tasmanian wilderness to tropical Queensland the book includes references to art and literature as well as music Issues of national identity belonging and aboriginalization are an integral part of the book with indigenous responses to place examined alongside music from the western orchestral chamber and choral repertoires The book provides valuable insight into a wide range of music inspired by Australia from the Yanyuwa people to Jewish communities in Victoria from Peter Sculthorpe's opera *Quiros* to the work of European expats living in Australia before the Second World War from historic Ealing film scores to contemporary sound installations The work of many significant composers is discussed in detail among them Ross Edwards Barry Conyngham David Lumsdaine Anne Boyd and Fritz Hart Throughout the book there is a sense of the vibrancy and diversity of the music inspired by the sights and sounds of the Australian landscape
