Political Leadership In Industrialized Societies Studies In Comparative Analysis:

Political Leadership in Industrialized Societies. Studies in Comparative Analysis. Lewis J. Edinger, Editor. [By Various Authors.]. Lewis Joachim EDINGER,1967 *POLITICAL LEADERSHIP IN INDUSTRIALIZED SOCIETIES.*

STUDIES IN COMPARATIVE ANALYSIS. ED. BY LEWIS J. EDINGER. ,1976 **Political Leadership in Industrialized Societies** Lewis Joachim Edinger,1976 The Ashgate Research Companion to Political Leadership Mikhail A.

Molchanov,2016-03-23 Discussing the major theories of political leadership with a focus on contemporary challenges that political leaders face worldwide this research companion provides a comprehensive and up to date resource for an international readership The editors combine empirical and normative approaches to emphasize the centrality of political culture as well as the limits of culture and the universal demands of innovative adaptation The volume examines

Political Leadership in Industrialized Societies ,1967 *Harold D. Lasswell: An Annotated Bibliography* Rodney Muth,Mary M. Finley,Marcia F. Muth,1990-07-31 **Patterns of Political Leadership** R. Hrair Dekmejian,1975-06-30 Patterns of Political Leadership is a study of political leaders in one of the world s most volatile areas the Middle East It focuses on the highest levels of political leadership in three countries Egypt Israel and Lebanon Within a cross national framework the three elite groups are analyzed both aggregately and over time in terms of recruitment circulation social background and behavioral characteristics Theoretical and methodological problems of equivalence and comparability are confronted and a number of hypotheses advanced regarding elite characteristics many of which are expected to shape internal and external policies of the three countries The Israeli and Egyptian groups are analyzed as elites in confrontation enabling the reader to acquire new insights on the Arab Israeli conflict The specific leaders under study are those of cabinet level and higher rank totalling more than 400 individuals In each polity the unique characteristics of the leadership are explicated in considerable detail In Lebanon the linkages between the political and economic elites are explored as these relate to that country s commercial centrality in the Arab world The phenomena of za imism and dynastic power receive particular attention as do the dynamics of sectarian politics in this most unique Middle Eastern democracy The Israeli political leadership is studied from both socializational and behavioral perspectives The process of elite formation is analyzed against a background of European persecution and the emerging garrison democracy in Palestine An attempt has been made to gauge the impact of the October 1973 War on the Israeli elite and the concomitant transfer of power to a younger generation of leaders The Egyptian political leadership is studied in the Nasir Sadat milieu characterized by a blending of charisma and military rule Particular attention is given to the formative forces and events that shaped the behavior of modern Egypt s elite President Sadat s efforts to defeat the Ali Sabri coalition is presented in detail as is Sadat s dramatic ascendance after the relative success of Egyptian arms in October 1973 The final chapter presents a comparative assessment of the three elite contingents A number of contrasts and similarities emerge regarding elite recruitment political culture

education tenure age representativeness and integration Changes in elite composition and efficiency are related to systemic stability and the future configuration of the Arab Israeli conflict itself The author concludes that recent fundamental changes in the composition and orientations of Egyptian and Israeli leaders are likely to improve the prospects for peace in the Middle East

The Art of Political Leadership Fred I. Greenstein, 2006 Fred Greenstein has been a paragon of scholarship and practical advice in his many years of work on the presidency Here some of the leading scholars of the presidency and leadership studies come together to pay tribute to Greenstein and his work Original essays reflect the broad sweep of Greenstein's scholarship from the systematic study of personality and politics to the analysis of chief executives from Woodrow Wilson on The essayists pay special attention to the political styles advisory systems and decision making processes of presidents from the 1920s to today In his studies of the American presidency Greenstein pioneered the use of archival documents to test hypotheses and illuminate issues that bear on the performance of the modern executive office The distinguished list of contributors to this volume include John Burke Robert A Dahl Alexander and Juliette George Betty Glad Alonzo Hamby Erwin Hargrove John Kessel Anthony King Kenneth Kitts J Donald Moon and Fred Greenstein's first and last graduate students at Princeton Larry Berman and Meena Bose Greenstein himself generously writes a new essay on Plumbing the Presidential Psyche adding to his substantial contributions to political psychology

Jacques Delors Helen Drake, 2002-09-11 Drawing on exclusive interviews with Jacques Delors himself this comprehensive accessibly written study of his life and Commission presidency is an invaluable resource for all those interested in European and French Politics Debunking populist images and myths about him this book presents a balanced examination of a widely misinterpreted political figure This book also raises important issues such as the role of individual leaders in contemporary politics the legitimacy of the European Union as a political system

The Islamic Polity And Political Leadership Mehran Tamadonfar, 2019-07-09 This book is employed for the study of the Islamic polity and political leadership and examines the basic features of the Islamic polity It provides a theoretical framework for the study of political authority in the Islamic world signifying individual leaders characteristics

Political and Civic Leadership Richard A. Couto, 2010-09-14 This work within The SAGE Reference Series on Leadership provides undergraduate students with an authoritative reference resource on political and civic leadership This 2 volume set focuses on the 100 most important topics issues question and debates specific to politics and civic society Entries provide students with more detailed information and depth of discussion than typically found in an encyclopedia entry while avoiding much of the jargon detail and density one might find in a journal article or a research handbook chapter Key Features Includes entries written by a global panel of renowned experts Offers broad coverage of important of the moment topics related to political and civic leadership including explorations of the personalities and environments of political leaders leadership roles in governance and allegiance citizen activists and civic engagement political campaigning urban politics and leadership public management ethics in politics policy development and

implementation executive management of public opinion political speechmaking and the bully pulpit congressional leadership crisis management and more Considers the history of political and civic leadership with examples from the lives of pivotal figures as well as the institutional settings and processes that lead to both opportunities and constraints unique to the political realm Provides students with more depth than usual encyclopedic entries while avoiding the jargon detail and density of more advanced works Features an approachable and clear writing style with appeal to undergraduate researchers and offers a list of further readings after each entry as well as a detailed index and an online version of the work to maximize accessibility for today's students

Human Jurisprudence Glendon Schubert, 2019-09-30 This book provides a rare view of a creative scholar at work during a highly productive phase of his career It shows him as an innovator theorist methodologist missionary critic and scientist but he remains withal in his fashion a humanist He believes that institutions and processes particularly law politics and scholarship are best understood in human terms With Holmes he believes that law is a prediction of what courts will do hence to understand law it is necessary to understand judicial behavior A full explanation of a judge's behavior would take into account his health both physical and mental his personality his culture and society and his ideology Glendon Schubert concedes this but focuses primarily on ideology because he believes the other variables are sublimated in it Therefore to him ideology attitudes toward human values is the basic explanation of judicial behavior and jurisprudence is necessarily human The studies in this volume are important in the study of judicial behavior for they broke new ground and some were forerunners of major books such as *The Judicial Mind* which was published in 1965 Each shows Professor Schubert's concern at the time they were written and taken together they show the movement and growth of his ideas and interests

The Hatoyama Dynasty M. Itoh, 2003-11-07 This is a multi generational political history of the Hatoyamas a family that has participated at the highest levels of Japan's parliamentary government from its inception in the late 1800s The Hatoyama family is one of the most prominent political families in modern Japanese government It has produced six members of the Diet Japan's parliament many of whom have served as cabinet members and party leaders Due to the family's political legacy they have often been likened to the Kennedy family in American politics though they have been spared the tragedy and scandal visited upon the Kennedys Despite the significance of the Hatoyamas to modern Japanese politics this is the first comprehensive study available in English In tracing the rising political fortunes of this family it is also possible to study the role of hereditary politicians in Japan the growth and evolution of Japanese political parties and perhaps most importantly the way political leadership functions in Japan a society known more for consensus building than strong leaders

Global Encyclopedia of Public Administration, Public Policy, and Governance Ali Farazmand, 2023-04-05 This global encyclopedic work serves as a comprehensive collection of global scholarship regarding the vast fields of public administration public policy governance and management Written and edited by leading international scholars and practitioners this exhaustive resource covers all areas of the above fields and their numerous subfields of study In keeping

Management, Organisation, and Ethics in the Public Sector Patrick Bishop, Carmel Connors, 2018-04-27 This title was first published in 2003 Over the past two decades in Australia and other developed nations public sector management philosophies and how the public sector is organised have changed dramatically At the same time there have been many demands and several attempts to preserve and promote ethical behaviour within the public sector though few go much beyond the publication of a Code Both developments require an understanding of how public organisations operate in this new environment Organisational and management theory are seen as providing important potential insights into the opportunities and pitfalls for building ethics into the practices culture and norms of public organisations This book brings together the experience and research of a range of reflective practitioners and engaged academics in public sector management organisational theory management theory public sector ethics and law It addresses what management and organisation theory might suggest about the nature of public organisations and the institutionalisation of ethics

Alan S. Milward and Contemporary European History Fernando Guirao, Frances M.B. Lynch, 2015-10-14 Alan S Milward was a renowned historian of contemporary Europe In addition to his books as well as articles and chapters in edited books he also wrote nearly 250 book reviews and review articles some in French and German which were published in journals world wide Taken together they reveal a remarkable degree of theoretical consistency in his approach to understanding the history of Europe since the French Revolution This book brings together these previously unexamined pieces of historical analysis in order to trace and shed light on key intellectual debates taking place in the second half of the 20th century Many of these discussions continue to influence us today such as the role of Germany in

Europe the economic social and political foundations of European integration the European rescue of the nation state the reasons for launching the single currency the conditions for retaining the allegiance of European citizens to the notions of nation and supra nation and ultimately the issue of democratic governance in a global environment In bringing together these reviews and review articles the book provides an introduction to the main scholarly achievements of Milward in his own words Fernando Guirao and Frances M B Lynch provide an introduction to the volume which both guides the reader through many of the academic debates embedded within the text while underlining their contemporary relevance By introducing and bringing together this hitherto overlooked treasure trove of historical analysis this book maps a close itinerary of some of the most salient intellectual debates of the second half of the 20th century and beyond This unique volume will be of great interest to scholars of economic history European history and historiography *Johannes Bjelke-Petersen* Rae Wear,2002 A saviour to some reviled by others Johannes Bjelke Petersen became the butt of jokes and even assassination attempts His influence spread well beyond Queensland and in the mid 1970s he put an unknown french polisher into the Senate to help rub out the Whitlam government Young Joh had been a loner who worked hard to overcome crippling childhood polio and the poverty of life on his family s farm Enduring a long apprenticeship as an opposition backbencher he finally made it to the top bringing to his old style autocratic rule a more media savvy appeal to the electorate As this long awaited biography reveals Joh was as cunning as he was ruthless throughout his forty year political career Rae Wear analyses in detail his political psyche his unique leadership style and the reasons for his electoral support taking into account his Danish immigrant background and lifelong Christian piety Essential reading for anyone interested in Australian politics this biographical study explains in depth for the first time Bjelke Petersen s unlikely elevation to the premiership and his ultimate disgrace amid revelations of widespread corruption **Rotten Foundations** Peter W. Sperlich,2002-11-30 Sperlich examines the ideological foundations of the socialist regime of the former German Democratic Republic He provides a detailed analysis of the nature of the GDR s legitimating ideology and of the reasons why the ideology ultimately failed to legitimate the regime The study uses primary source documents extensively as well as the little existing secondary literature This is part of Sperlich s larger project dealing with the government society economy political participation and administration of the law and the system of courts of the GDR This definitive treatment of the GDR provides the background essential to an understanding of all communist systems of the twentieth century As such it is vital reading for scholars students and other researchers seeking to understand the rise and ultimate collapse of communist systems and in particular the decline of the German Democratic Republic *From East Germans to Germans?* Jennifer A. Yoder,1999 This study examines the problems of integrating East Germans into a political system that they did not create **German Democratic Republ** Lyman H. Legters,2019-03-12 The shifting patterns of relationships in Central and Eastern Europe require that students of international relations be well versed in the attitudes and internal structures of the nations involved Until now material in

English on the German Democratic Republic has consisted primarily of journalistic reminiscences or narrow scholarly treatments Recognizing the need and responding to it the authors of this book leaders in the study of the GDR present an up to date and comprehensive look at the country focusing on domestic political and social change The authors are agreed that the GDR is not only here to stay but is also a rather stable society that can withstand moderate well regulated processes of change They address education intellectual life the military foreign relations and the economy as well as the customary subjects of politics and governmental direction

Political Leadership In Industrialized Societies Studies In Comparative Analysis Introduction

In the digital age, access to information has become easier than ever before. The ability to download Political Leadership In Industrialized Societies Studies In Comparative Analysis has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Political Leadership In Industrialized Societies Studies In Comparative Analysis has opened up a world of possibilities. Downloading Political Leadership In Industrialized Societies Studies In Comparative Analysis provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Political Leadership In Industrialized Societies Studies In Comparative Analysis has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Political Leadership In Industrialized Societies Studies In Comparative Analysis. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Political Leadership In Industrialized Societies Studies In Comparative Analysis. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Political Leadership In Industrialized Societies Studies In Comparative Analysis, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Political Leadership In Industrialized Societies Studies In Comparative Analysis has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Political Leadership In Industrialized Societies Studies In Comparative Analysis Books

1. Where can I buy Political Leadership In Industrialized Societies Studies In Comparative Analysis books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
