

Portraits Of American Politics

Justin Patch

Portraits Of American Politics:

Portraits of American Politics Bruce Allen Murphy, 1991 **Portraits of American Politics** Bruce Allen Murphy, 1994
Focusing on individuals in American government and politics this text contains readings chosen from bestselling books and prominent journals to present a range of high profile personalities Ancillary package available upon adoption *The Political Portrait* Luciano Cheles, Alessandro Giaccone, 2020-06-10 The leader's portrait produced in a variety of media statues coins billboards posters stamps is a key instrument of propaganda in totalitarian regimes but increasingly also dominates political communication in democratic countries as a result of the personalization and spectacularization of campaigning
Written by an international group of contributors this volume focuses on the last one hundred years covering a wide range of countries around the globe and dealing with dictatorial regimes and democratic systems alike As well as discussing the effigies that are produced by the powers that be for propaganda purposes it looks at the uses of portraiture by antagonistic groups or movements as forms of resistance derision denunciation and demonization This volume will be of interest to researchers in visual studies art history media studies cultural studies politics and contemporary history *The Boundaries of American Political Culture in the Civil War Era* Mark E. Neely Jr., 2009-11-17 Did preoccupations with family and work crowd out interest in politics in the nineteenth century as some have argued Arguing that social historians have gone too far in concluding that Americans were not deeply engaged in public life and that political historians have gone too far in asserting that politics informed all of Americans lives Mark Neely seeks to gauge the importance of politics for ordinary people in the Civil War era Looking beyond the usual markers of political activity Neely sifts through the political bric a brac of the era lithographs and engravings of political heroes campaign buttons songsters filled with political lyrics photo albums newspapers and political cartoons In each of four chapters he examines a different sphere the home the workplace the gentlemen's Union League Club and the minstrel stage where political engagement was expressed in material culture Neely acknowledges that there were boundaries to political life however But as his investigation shows political expression permeated the public and private realms of Civil War America **A Portrait Catalogue of the Books Published by Houghton, Mifflin and Company** Houghton Mifflin Company, 1906 *American Faces* Richard H. Saunders, 2016-09-06 A sweeping exploration of why and how we look at ourselves through art *Library of Congress Subject Headings* Library of Congress, 2001 **American Government** Marc Landy, 2018-12-13 Prompts students to consider how the past shapes the present and future of American politics and government **Al Smith: Hero of the Cities (A Political Portrait Drawing on the Papers of Frances Perkins)** Matthew Josephson, Hannah Josephson, 2019-10-28 Al Smith 1873 1944 was born and grew up in New York's Lower East Side slums and got his start in politics under Tammany Hall sponsorship Frances Perkins was a New Englander a trained social worker who became a public figure when Smith appointed her to the New York State Industrial Commission They shared a concern for working people and a love for the Empire State which Smith served as

governor for four precedent breaking terms between 1919 and 1928 after serving in the New York State Assembly between 1904 and 1915 as a member and later as Speaker Smith considered himself an Assemblyman His record as governor is based on the solid understanding of politics he acquired in those years It was also fostered by his encounter at a decisive stage with a group of reformers and social workers including Belle Moskowitz who became his chief political strategist Smith s own great contribution was to show how reform could be made practicable As governor Smith fought a running battle with an obstructive legislature he was able to reorganize New York State s sprawling executive departments protect women and children in industry strengthen workmen s compensation laws and shorten their working hours stop the handouts of state resources to private companies and expand recreational areas for the benefit of the public He cut taxes while building hospitals schools and low cost housing developments When the legislature balked he appealed to the people on radio and they responded with avalanches of letters and telegrams to their representatives The dauntless spirit with which he battled his adversaries earned him the title The fighting Governor After his defeat for the Presidency in 1928 Smith was able to hand on to his successor a comparatively inexperienced politician named Franklin D Roosevelt a working state government and a blueprint for social reform which Roosevelt would put to good use At the time of her death in 1965 Frances Perkins was working on a book about Al Smith as she knew him Her notes the few chapters she had written and the oral history she recorded for Columbia University were turned over to Matthew and Hannah Josephson who used them and their own exhaustive research to write this biography The Josephsons both authors in their own right were invited to complete the unfinished biography of Smith that Frances Perkins left behind at her death in 1965 Finding only a rather bare start they ended up writing it 90% themselves The sections on Smith s early years provide a delightful picture of the Old East Side and a thriving Tammany Hall A happily executed portrait of an eminent and engaging American Kirkus Reviews The most thorough study yet available of Smith s career and one that also pays considerable attention to Frances Perkins contributions to reform during the Progressive period and during Smith s gubernatorial administrations a useful biography of Al Smith Joel A Tarr The American Historical Review The book reflects the warmth and vigour of its subject The book s principal contribution is its emphasis on Smith s tremendous effectiveness both as a party leader and as a reformer His quarter century of almost continuous success was founded on exceptional memory intense application a sharp wit and shrewd appeals to the people His enduring monuments are his reform of the state administration his fight against the utilities and his work in housing conservation and social reform Michael Simpson History The Josephsons political portrait is of a man who was at one and the same time an ambitious and successful politician who could skillfully manipulate the party system reward friends and punish enemies hold personal grudges yet temper his actions with genuine humanistic concern for the welfare of the first and second generation immigrants for whom he was both spokesman and symbol John L Shover The Pacific Northwest Quarterly The Josephsons biography is comprehensive providing careful and discerning detail about Smith s life

and career William W Bremer The Wisconsin Magazine of History **Library of Congress Subject Headings** Library of Congress. Cataloging Policy and Support Office,2006 *Library of Congress Subject Headings* ,2009 **The Pageant of America: Builders of the Republic, by F.A. Ogg** Ralph Henry Gabriel,1927 **Portrait of an English Migration** William E. Van Vugt,2021-03-15 Portrait of an English Migration recounts the history of those who left North Yorkshire for North America between the eighteenth century and the early twentieth century Focusing on individual stories of migrants and their families this book provides many personal glimpses of the migration experience of those who left England s largest county to build new lives in the United States and Canada Exploring the local history geography and cultures of Yorkshire and the key places of settlement in North America William Van Vugt deepens our understanding of the historic migration process how local conditions and access to information influenced migration decisions the role of local networks in migration patterns and the significance of family connections religious identities and land ownership to the migrants themselves He considers the extent to which English migrants shaped regional culture and contributed to economic development addressing ongoing questions about identity and what it meant to be English in North America Full of first person accounts and stories from migrants themselves Portrait of an English Migration is both a sweeping history of two centuries of migration and an intimate look at the lives of generations of Yorkshire people who crossed the ocean to make a new home PORTRAIT OF A RABBI-HISTORIAN: How Did We Get Here? Rabbi Lance J. Sussman Ph.D.,2025-01-08 There is no information about the book as of this time *Annual List of New and Important Books Added to the Public Library of the City of Boston* Boston Public Library,1908 A Portrait of Race and Ethnicity in California Public Policy Institute of California,2001 This document examines differences in socioeconomic status by racial and ethnic groups in California exploring changing patterns over time It analyzes trends and outcomes in demography geographic distribution health education crime labor markets economic status and political participation Data on educational outcomes include education of mothers English language ability preschool activities of children ages 3 and 4 reading and math proficiency for grade 4 and 8 public school students high school completion rates college completion rates and measures of basic skills in the adult population The educational outcomes of Hispanics and African Americans are the lowest among all racial and ethnic groups Most recent population growth has occurred among Hispanics and Asians Most counties were predominantly White in 1970 but between 1970 98 the share of Whites declined in all but one county African Americans have the worst health status of any group Hispanics often have less access to health care and lower health status than Whites Health indicators for Asians are similar to those for Whites Nonwhites generally have lower earnings than whites Hispanics and African Americans have particularly high unemployment rates Asian and White family incomes are substantially higher than those for African Americans and Hispanics The ethnic distribution of those arrested and incarcerated has shifted dramatically The proportion of Hispanics incarcerated has risen at a faster rate than has the Hispanic proportion of the general population African Americans experience the

highest risk of arrest and incarceration and are most likely to experience violence Whites are over represented in the voting population Asians and Hispanics have the lowest participation rates An appendix presents additional sources of information Contains 103 bibliographic references SM **The Art of Populism in US Politics** Justin Patch,2024-08-26 The Art of Populism in US Politics investigates connections between populist politics and artistic expressions in the United States in the Trump era Beginning with comparisons between frontier populism and millennial era populism the author examines how citizens imitate and improvise on political sentiments global histories images and discourses to create their own senses of community identity belonging and exclusion Political art narratives opinions polemics and abstract artistic expressions are shared instantly creating new political and affective communities that challenge the power and stability of previous institutions and ideologies These modes of digital sharing create communities of practice groups who come together through shared creation and consumption whether it be memes and vlogs homemade signs and T shirts music videos or political dialogues The book analyzes the physical and digital art practices that support the growth and proliferation of populist politics and the fractious communities in America that support it With modular chapters providing in depth case studies within the larger context of populism this book provides alternate methodologies for working through key issues of politics production distribution globalization and political economy particularly because of the ways in which different forms of media art video text music are brought into productive dialogue with each other This book is aimed at undergraduate and graduate students of political science cultural studies music studies American studies and art and media studies **Library of Congress Subject Headings: A-E** Library of Congress. Subject Cataloging Division,1989 **Library of Congress Subject Headings** Library of Congress. Office for Subject Cataloging Policy,1992 Religion and American Politics Mark A. Noll,Luke E. Harlow,2007 These essays examine how religious beliefs and practices have shaped political thought and behaviour and vice versa and how in certain periods religious and political thought has coincided or moved in opposition and how minority perspectives have challenged majority views
