Presidential Indiscretions:

Presidential Indiscretions Turner Joy, 2004-06-07 *Presidential Indiscretions* explores the life of the President and his closest advisors. The chapters are glimpses into the world of politics, deceit, and promiscuity. The book begs the question: What happens when a political icon uses cruelty and promiscuity as a mechanism of control? The President's past, present, and future relationships impact on all other main prominent characters throughout the book. Experience the engaging satire and deception that is woven into each chapter. This powerful mix of political and emotional intrigue is set against a backdrop of a Washington D.C. that few Americans ever see. It will touch your heart with its realism, warmth, surprise, sensuality, and emotions of unparalleled love for power.

Brutal and Ruthless Politics Leo L. Minasian, 2008-11 [Democrats Do the Dumbest Things](#) Bill Crawford, 2025-09-23 If you think you've heard every dumb thing they've said or done, think again. Outrageous, indulgent, and downright dumb. That's right, we're talking about the words and deeds committed by politicians, our favorite and least favorite people in the whole world. In this hilarious collection, it's the Democrats who step up to the mike, open their mouths, and insert their collective feet. Democrats do the dumbest things. Just ask any Republican who might wonder how Senator Ted Kennedy, whose legacy may have as much to do with his partying as with his party affiliation, kept his pants on long enough to serve the public. When Ted was photographed atop a twenty-two-year-old woman on a speed boat, a fellow senator quipped, "Well, Teddy, I see you've changed your position on offshore drilling. You'll howl with laughter and wince in pain at the misguided actions, bizarre statements, and embarrassing moments of notable Democrats, including Hillary Clinton, Jimmy Carter, Rev. Al B. Sharpton, Ed Koch, Gary Hart, Rev. Jesse Jackson, Jerry Brown, Lyndon Johnson, and of course, Bill Clinton." Find out the latest from the presidential campaign 2000: namely, what are Al Gore and local Democratic loonies doing to keep the dumb hall of fame from running out of members? Highlights include: After the Chicago Bulls won their sixth NBA championship in 1998, Vice President Al Gore gushed, "I tell you that Michael Jackson is unbelievable." Isn't it? He, John F. Kennedy, had this to say about aging: "There are two naked girls in the room, but I'm sitting here reading *The Wall Street Journal*." Does that mean I'm getting old? Washington D.C. mayor Marion Barry once said, "Outside of the killing, we have one of the lowest crime rates in the country." These funny, edgy examinations of crazy political antics are sure to be as controversial as they are entertaining. Democrats will hate them, Republicans will love them, and everyone will want to read more.

Hillary Clinton in the News Shawn J. Parry-Giles, 2014-02-15 The charge of inauthenticity has trailed Hillary Clinton from the moment she entered the national spotlight and stood in front of television cameras *Hillary Clinton in the News* Gender and Authenticity in American Politics shows how the U S news media created their own news frames of Clinton's political authenticity and image making from her participation in Bill Clinton's 1992 presidential campaign through her own 2008 presidential bid Using theories of nationalism feminism and authenticity Parry Giles tracks the evolving ways the major networks and cable news programs framed Clinton's image as she assumed roles ranging from surrogate campaigner legislative advocate and financial investor to international emissary scorned wife and political candidate This study magnifies how the coverage that preceded Clinton's entry into electoral politics was grounded in her earliest presence in the national spotlight and in long standing nationalistic

beliefs about the boundaries of authentic womanhood and first lady comportment Once Clinton dared to cross those gender boundaries and vie for office in her own right the news exuded a rhetoric of sexual violence These portrayals served as a warning to other women who dared to enter the political arena and violate the protocols of authentic womanhood *JFK - The Conspiracy and Truth Behind the Assassination* John Hughes-Wilson,2023-10-26 The killing of US President John F Kennedy in Dallas Texas in November 1963 sent a shockwave around the world The charismatic young Democrat was seen as a beacon of hope in the West but his liberal reforming policies had made him many powerful enemies at home For sixty years numerous theories have swirled around this key event in American and world history Yet whatever the conclusions of the official Warren Report that the President had been assassinated by a lone gunman Lee Harvey Oswald many people doubt that to be true Indeed President Nixon later admitted on tape that the report was a hoax committed on the American people John Hughes Wilson a former colonel in British Intelligence has sifted through the millions of words and thousands of pieces of evidence to put together an intelligence assessment of what really happened that dreadful high noon in Dallas in 1963 John Hughes Wilson highlights the facts behind why Marilyn Monroe had to be silenced LBJ s corrupt secrets the Kennedys secret Cuban coup plans how the Mafia manipulated politicians and the CIA and how the assassination was covered up Reading this astounding book no one can be in any doubt that JFK s death was not at the hands of a lone deranged gunman but a deadly plot to remove a President who threatened vested interests at home and abroad Prorogatio Donald Chivers,2012-05-11 Those that had the secret word Prorogatioon a chain around their neck belonged to a world of chosen elite for special life prolonging surgery that would keep them going until the medical research papers of Dr Reichmann were found The world population was too great to share the secret of immortality and the answer was a pseudo nuclear war to rid the world of unwanted billions The son of a Jew who knew Dr Reichmann in a concentration camp found out the long range plan and set out to thwart the instigators **Presidential Anecdotes** Paul F. Boller,1996-10-03 Dramatic poignant hilarious and sentimental anecdotes about our presidents are as varied as the presidents themselves This new and revised edition of *Presidential Anecdotes* recounts some of the most striking stories about America s 42 chief executives from Washington to Clinton shedding light on the presidents as human beings and on the culture that produced them *The Politics of Lying* L. Cliffe,M. Ramsay,D. Bartlett,2000-03-17 This book provides the first attempt to synthesise what is a pervasive phenomenon and one that is mentioned tangentially in many political analyses but nowhere receives the systematic and theoretical treatment that its significance to the working of democratic political practice deserves It will thus be a volume that should interest a range of scholars in government and political theory in comparative politics and communications Presidents and Presidencies in American History Jolyon P. Presidential Campaigns Paul F. Boller Jr.,2004-07-22 Were presidential campaigns always as bitter as they have been in recent years Or is the current style of campaigning a new political development In this revised and updated edition of Presidential Campaigns the answers to these questions are clear the race for the presidency although at times mean and nasty has always been an endlessly entertaining and highly charged spectacle for the American public This book unveils the whole history of American presidential elections from the seamless ascent of General George Washington to the bitterly contested election of George W Bush bringing these boisterous contests to life in all their richness and complexity In the old days Boller shows campaigns were much rowdier than they are today Back in the nineteenth century the invective at election

time was exuberant and the mudslinging unrestrained a candidate might be called everything from a carbuncle faced old drunkard to a howling atheist But there was plenty of fun and games too with songs and slogans speeches and parades all livening up the scene in order to get people to the polls Presidential Campaigns takes note of the serious side of elections even as it documents the frenzy frolic and the sleaze Each chapter contains a brief essay describing an election and presenting campaign highlights that bring to life the quadrennial confrontation in all its shame and glory With a postscript analyzing the major changes in the ways Americans have chosen their Presidents from Washington s time to the present Presidential Campaigns gives the reader a full picture of this somewhat flawed procedure For all of its shortcomings though this great American shindig is an essential part of the American democratic system and for better or for worse tells us much about ourselves *Presidential Campaign Activities of 1972, Senate Resolution 60* United States. Congress. Senate. Select Committee on Presidential Campaign Activities,1973
