Slocum #282: Slocum and the Lady in Black Jake Logan, 2002-07-30 If Slocum doesn t skidaddle he ll be horsemeat If his Appaloosa hadn t twisted its ankle on the way to Springfield Missouri Slocum might never have looked into buying a new horse there He might also have missed meeting two of the prettiest cowhands ever to walk on God s green earth And now he might not be running for his life In Springfield a man looking to buy a horse has two choices he can go see the Tolliver brothers costly horses or he can look at Linda Collins s cheaper ones and risk getting pumped full of lead by the Tollivers hired hands So when Slocum a stranger to the town and its rules shows up on the wrong side of the fence he ll have to use his horse sense to protect the very grateful Collins sisters not to mention stay alive himself

Orleans of Fiction James A. Kaser, 2014-07-29 The importance of New Orleans in American culture has made the city's place in the American imagination a crucial topic for literary scholars and cultural historians. While databases of bibliographical information on New Orleans centered fiction are available, they are of little use to scholars researching works written before the 1980s. In *The New Orleans of Fiction: A Research Guide*, James A. Kaser provides detailed synopses for more than 500 works of fiction significantly set in New Orleans and published between 1836 and 1980. The synopses include plot summaries, names of major characters, and an indication of physical settings. An appendix provides bibliographical information for works dating from 1981 well into the 21st century, while a biographical section provides basic information about the authors, some of whom are obscure and would be difficult to find in other sources. Written to assist researchers in locating works of fiction for analysis, the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies, i.e., class, ethnicity, gender, immigrant experience, and race. The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading, particularly since genre, juvenile, and young adult fiction, as well as literary fiction, are included. **Halliwell's Film Guide**, 1989
