One Great Truth Jonathan Falwell,2009-11-24 Jonathan Falwell carries on the legacy of his father the internationally known fundamentalist and founder of the Moral Majority Jerry Falwell in this book about the single most important truth for believers Reverend Falwell affirms in *One Great Truth* that regardless of situations Christians face there is a simple underlying foundational truth that will enable them to have the strength needed to carry on and bring purpose to their lives Above all else it seems as if people are always looking to be significant They are trying to determine what it will take to make a difference to be a leader In the midst of this challenge people also face the trials and tribulations of life that seem to bring great discouragement While many look to various sources for the answer of how to succeed and how to make it through their problems the only answer that can actually bring success is found within the words of the Bible The one great truth is that our focus must be on Christ When everything we do revolves around serving Him we find the great answers to all of life s mysteries Within the Bible we find the hope we need to forge ahead despite life s challenges and disappointments The one great truth is that with God all things are possible and He will give us the strength and abilities we need to succeed

A Change of Heart Kevin J. McCarthy, Ph.D, 2014-09-25 Any attempt to produce a change of mind or a change in behaviors is doomed to fail given our human natures While we may have thoughts of creating this process in our personal life we are unable to sustain our focus given the constant barrage of worldly distractions Slowly or quickly our resolve ebbs away and once more we re caught up in the choices that bring pain and shame into our life and the lives of those we love Nothing changes until we experience a change of heart This is not an event but rather a journey that guides life and transforms character This change of heart is a gift that is extended to those who have come to the realization that of themselves they can do nothing Surrender is the key word and that is likely a difficult concept to tolerate in our human condition Yet as you surrender your will on a regular basis your life purpose will slowly and consistently be revealed in the opportunities that arise With each succeeding door that opens there will come a flow of challenges blessings and gifts that serve to sustain and nourish continued growth Out of this process you will come to fully understand that there is a purpose for life and that the greatest joy comes from fulfilling that promise This is not a preachy book filled with solemn sayings rather it is a tribute to Jesus Christ who can work His purpose in any surrendered life My desire is that you join me on this pathway to personal transformation Your faith will grow as you come to understand the dynamic of surrender Out of your faith will grow a new and profound sense of hope that will complete its work in your life You cannot buy this gift or steal it as a possession yet it is offered freely to those who are committed to finding the truth
