Choreography And The Specific Image Daniel Nagrin, 2001-08-15 The world outside has burst into the studio writes the influential dancer teacher and choreographer Daniel Nagrin Many dancers want passionately to confront concrete difficult subjects But their formalistic training hasn't prepared them for what they need to say This book the first on choreography approached through content rather than structure is designed with them in mind Spiced with wit and strong opinions *Choreography and the Specific Image* explores in nineteen far ranging essays the art of choreography through the life's work of an important artist A career of performance creativity and teaching spanning five decades Nagrin reveals the philosophy and strategy of his work with Helen Tamiris a founder of modern American dance and of Workgroup his maverick improvisation company of the 1970s During an era when many dancers were working with movement as abstraction Nagrin turned instead toward movement as metaphor in the belief that dance should be about something In *Choreography and the Specific Image* Nagrin shares with the next generation of dancers just how that turn was accomplished It makes no sense to make dances unless you bring news he writes You bring something that a community needs something from you a vision an insight a question from where you are and what churns you up In a workbook following the essays Nagrin lays out a wealth of clear effective exercises to guide dancers toward such constructive self discovery Unlike all other choreography books Nagrin addresses the concerns of both modern and commercial show dance choreographers The need to discover the inner life he maintains is what fires the motion This is Nagrin's third book of a trilogy following *Dance and the Specific Image* *Improvisation and The Six Questions* *Acting Technique for Dance Performance* Each focuses on a different aspect of dance improvisation performance and choreography engaging the specific image as a creative tool Part history part philosophy part nuts and bolts manual *Choreography and the Specific Image* will be
