The Book of Life Secrets for Today's World Rai Flowers,Rasheed Flowers,2021-05-09 The Book of Secrets is a unique manuscript that aims to help its reader focus on different mindful thoughts for each day of the year Each day s entry includes a focus point and that point is emphasized and supported by specific citations from The Bible The author hopes to invite the reader to explore different aspects of their life and to find meaning and support for that exploration through God s words Each day is structured with a thought starter and at least one Bible reference to support the idea that this thought starter is not unique but rather something that originates from God s words The format of this manuscript is engaging The daily entries give the reader a new thought to ponder each day The inclusion of a Bible citation further solidifies the importance of that thought and gives the reader the motivation to think deeply about that prompt as well as feel comfort knowing that God s words support this thought

Called From Failure Charles A. Gaskins, Sr.,2014-09-05 Called from Failure is the second book that our Lord has placed upon my heart the task of writing The first book written by me at the inspiration of the Lord our God being Preparing the Way was and still is filled with hopeful enlightments This book Called from Failure being also filled with hopeful enlightments but much more As the Lord our God has had me to reveal much more of myself That you and others may know the hope and degree of my calling The Sower A minister of Teaching Being at one time lost and in darkness Filled with many faults and carrying a hatred towards myself and many others because of the poor choices that I had made in life Seeking faults in others while being blinded by my own Knowing the Word of God but putting fun before right Seeking after righteousness while trying to hold on to the unfaithful acts of yesterday Trading life for livelihood as if it was indeed my possession to trade Heavens forbid Truly God has a calling for many of us that our eyes were not meant to foresee As you come to know the Lord our God you will find as I did that the Light of the Lord is not to be seen with your eyes For enlightments comes from within You ll know when you ve found it because compassion will have you compelled to cry for others more so than for yourself It is then that you are being shaped and molded into an image of Christ Jesus to be used by God

Recipes for the Bread of God Deacon Eugene A. Knox,2019-03-14 Profoundly written The author uses a this is not rocket science approach in teaching the reader how to walk in grace as you live the Word Recipes for the Bread of God will help you maintain godliness in this world of ungodliness An amazing opportunity for the reader to discern the truth of the Word of God in simple terms This book will make the believer s belief more believable Whether you use the topical index or read the book in its entirety there is something here for everyone This book is about learning how to run your carnal race in a spiritual way so that you become pleasing in God s sight No one has ever said that living your life would be easy but reading this book surely helps one navigate through the rough times As you read this book there will be many times that you will pause and say Now that makes a lot of sense to me A must read for preachers and Sunday school teachers Sermons and Bible studies with biblical correctness can be shared This book will help take the confusion out of understanding the Word of God Every recipe has its own ingredients John 6 33 says The bread of God is He who comes down from heaven and gives life to the world Jesus said in John 6 48 I am the bread of life He says of Himself in John 6 51 I am the living bread which came down from heaven He who eats this bread will live forever and the bread that I shall give is My flesh which I shall give for the life of the world Amen
