Lords Of The Atlas The Rise And Fall Of The House Of Glaoua 1893 1956:

Lords of the Atlas Gavin Maxwell ,1966 **Lords of the Atlas** Gavin Maxwell,2000 **Historical Dictionary of Morocco** Thomas K. Park,Aomar Boum,2006-01-16 The Kingdom of Morocco achieved its independence in 1956 after over 40 years as a French protectorate Since its independence it has further expanded its area of control by reclaiming the formerly international city of Tangier as well as annexing Western Sahara from Spain in the 1970s In 1777 Morocco became the first nation to recognize the United States and the Moroccan American Treaty of Friendship of 1783 is the oldest unbroken friendship treaty with the U S Morocco of the past and present are covered in this second edition of the Historical Dictionary of Morocco A comprehensive introduction focusing on its history provides a helpful synopsis of the kingdom and is supplemented with a useful chronology of major events Hundreds of cross referenced dictionary entries on former rulers current leaders ancient capitals significant locations influential institutions and crucial aspects of the economy society culture and religion form the core of the book A bibliography of sources is included to promote further more specialized study **The Berbers** Robert Montagne,2020-07-15 France entered the North African world in 1830 Its overt political role there ended in 1962 The interpenetration of cultures and languages which resulted from the colonial conquest has not ended yet No doubt a time will come when an intellectual balance sheet of this epoch comes to be drawn up When this is done Robert Montagne s name will head the list of those Frenchmen who have made a study of Berber society The brilliance of his ideas the thoroughness and perceptiveness of his documentation the range of his historical and comparative vision and a trait not always found in scholarly writing on North Africa the simplicity and vigour of his style all help to make plain that we have here a social thinker and observer of the very first rank and one who deserves to be far better known outside the French speaking world than he is at present **The Holocaust and North Africa** Aomar Boum,Sarah Abrevaya Stein,2018-11-06 The Holocaust is usually understood as a European story Yet this pivotal episode unfolded across North Africa and reverberated through politics literature memoir and memory Muslim as well as Jewish in the post war years The Holocaust and North Africa offers the first English language study of the unfolding events in North Africa pushing at the boundaries of Holocaust Studies and North African Studies and suggesting powerfully that neither is complete without the other The essays in this volume reconstruct the implementation of race laws and forced labor across the Maghreb during World War II and consider the Holocaust as a North African local affair which took diverse form from town to town and city to city They explore how the Holocaust ruptured Muslim Jewish relations setting the stage for an entirely new post war reality Commentaries by leading scholars of Holocaust history complete the picture reflecting on why the history of the Holocaust and North Africa has been so widely ignored and what we have to gain by understanding it in all its nuances Published in association with the United States Holocaust Memorial Museum **Moroccan Monarchy and the Islamist Challenge** M. Daadaoui,2011-08-15 This book examines the factors behind the survival and persistence of monarchical authoritarianism in Morocco and argues that state

rituals of power affect the opposition forces ability to challenge the monarchy *International Dictionary of Historic Places: Middle East and Africa* Trudy Ring, Robert M. Salkin, Sharon La Boda, 1995 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company *Urbanisation and State Formation in the Ancient Sahara and Beyond* Martin Sterry, David J. Mattingly, 2020-03-26 This ground breaking volume pushes back conventional dating of the earliest sedentarisation urbanisation and state formation in the Sahara Guardians of Faith in Modern Times Meir Hatina, 2009 This collective volume provides an integrative historical and contemporary discussion of Sunni EulamaE3 4 in the Middle East in both an urban and a semi tribal context The various chapters reinforce a renewed interest in the position of the EulamaE3 4 in modern times and offer new insights as to their ideological vitality and contribution to the public discourse on moral and sociopolitical issues The Construction of Homosexuality David F. Greenberg, 2008-10-29 At various times homosexuality has been considered the noblest of loves a horrible sin a psychological condition or grounds for torture and execution David F Greenberg s careful encyclopedic and important new book argues that homosexuality is only deviant because society has constructed or defined it as deviant The book takes us over vast terrains of example and detail in the history of homosexuality Nicholas B Dirks New York Times Book Review Property, Social Structure, and Law in the Modern Middle East Ann E. Mayer, 1985-09-01 For too long the study of law and society in the modern Middle East has been left to specialists in narrow subcategories of law or the social sciences Property Social Structure and Law in the Modern Middle East lays the groundwork for a new field of scholarship in which analysis of the social dimensions of law and the legal dimensions of social structure are integrated It offers the stimulus of a variety of new models of scholarship by a distinguished international group of contributors whose work shares a common focus on regimes of property in the societies of the modern Middle East The case studies examine the regulations of many kinds of property in relation to the social structures of selected Middle Eastern communities form the eighteenth century to the present Most of the societies studied are subjected to pressures for rapid modernization and adjustment to major economic transformations The book features comparisons of property rights and relations under regimes of Islamic and customary law as well as modern statutory law Highlighted are new patterns of intervention by modern Middle Eastern states to alter traditional regimes of property and to transform the accompanying social structures Their implications for development are also considered The book s notes and bibliographies constitute a valuable resource for anyone interested in further research **Humor and Moroccan Culture** Matthew Helmke, 2007 This project started as a language learning experiment Matthew Helmke was sitting in a cafe with a Moroccan having a discussion in Moroccan Arabic The friend told a joke and it was quickly discovered that vocabulary alone would not insure an understanding of humor This prompted a question What did I miss In this book Matthew Helmke explores the hidden aspects of Moroccan culture These are the things that Moroccans know inherently without being taught The result is an intriguing look through the eyes of an American trying to make sense of Moroccan culture **Middle East**

Lapidus, 2014-10-13 This new edition of one of the most widely used course books on Islamic civilizations around the world has been substantially revised to incorporate the new scholarship and insights of the last twenty five years Ira Lapidus history explores the beginnings and transformations of Islamic civilizations in the Middle East and details Islam s worldwide diffusion The history is divided into four parts Part I is a comprehensive account of pre Islamic late antiquity the beginnings of Islam the early Islamic empires and Islamic religious artistic legal and intellectual cultures Part II deals with the construction in the Middle East of Islamic religious communities and states to the fifteenth century Part III includes the history to the nineteenth century of Islamic North Africa and Spain the Ottoman Safavid and Mughal empires and other Islamic societies in Asia and Africa Part IV accounts for the impact of European commercial and imperial domination on Islamic societies and traces the development of the modern national state system and the simultaneous Islamic revival from the early nineteenth century to the present Invisible Armies: An Epic History of Guerrilla Warfare from Ancient Times to the Present Max Boot, 2013-01-15 As fitting for the 21st century as von Clausewitz s On War was in its own time Invisible Armies is a complete global history of guerrilla uprisings through the ages At the Edge of the World Jean-Vincent Blanchard, 2017-04-04 The remarkable story of the French Foreign Legion its dramatic rise throughout the nineteenth century and its most committed champion General Hubert Lyautey An aura of mystery romance and danger surrounds the French Foreign Legion the all volunteer corps of the French Army founded in 1831 Famous for its physically grueling training in harsh climates the legion fought in French wars from Mexico to Madagascar Southeast Asia to North Africa To this day despite its reputation for being assigned the riskiest missions in the roughest terrain the mystique of the legion continues to attract men from every corner of the world In At the Edge of the World historian Jean Vincent Blanchard follows

the legion's rise to fame during the nineteenth century focusing on its campaigns in Indochina and especially in Africa when the corps played a central role in expanding and protecting the French Empire. As France struggled to be a power capable of rivaling the British, the figure of the legionnaire—deadly, self-sacrificing, uncompromisingly efficient—came to represent the might and morale that would secure a greater, stronger nation. Drawing from rare archival memoirs and testimonies of legionnaires from the period and tracing the fascinating career of Hubert Lyautey, France's first resident general in Morocco and a hero to many a legionnaire, *At the Edge of the World* chronicles the Foreign Legion at the height of its renown when the corps and its archetypically handsome, moody, and marginalized recruits became both the symbols of a triumphant colonialism and the stuff of legend.
