Touch of Passion Susan Spencer Paul, 2025-09-23 My Dearest Reader When you hear my story perhaps you will think me a man unable to control his own hungers his own temptations But I warn you that I am no such thing I am simply a man who knows what he wants and what he can t live without It is only fair to tell you that my clan is one descended from magic I have learned these powers are both a blessing and a curse for the magic that flows through my blood controls my fate utterly and completely When I first saw the beautiful Loris I knew she was my unoliaeth my oneness the woman I am destined to unite with for all eternity At that moment I allowed my passion to lead me to do the unthinkable I employed a forbidden magic to win Loris s heart How did I know that my error would lead to a black curse that still haunts me today How could I have known that the curse would irrevocably cast Loris affection for me to another man Now I am left to ponder how I might win Loris back black curse be damned I believe there must be a way For while it is the darkest realms of magic that keeps Loris from becoming mine there is another power at play the undying unending love of one man for one woman And I pray that in the end that will be enough Your obedient servant Kian Seymour Castle Tylluan London
