Los Angeles Unfolds VanDam,1989-04-01 Two detailed maps unfold to show each section of the city *The Unfolding* A.M. Homes,2022-09-06 A much anticipated wickedly funny and sharply observed political satire This novel of politics and family brings readers to the fault line of American politics The New York Times Book Review Beyond being good or bad the characters in this impressive book are above all things unpredictable Wall Street Journal One family will remake America Even if they fall apart trying A M Homes delivers us back to ourselves in this stunning alternative history that is both terrifyingly prescient deeply tender and devastatingly funny The Big Guy loves his family money and country Undone by the results of the 2008 presidential election he taps a group of like minded men to reclaim their version of the American Dream As they build a scheme to disturb and disrupt the Big Guy also faces turbulence within his family His wife Charlotte grieves a life not lived while his 18 year old daughter Meghan begins to realize that her favorite subject history is not exactly what her father taught her In a story that is as much about the dynamics within a family as it is about the desire for those in power to remain in power Homes presciently unpacks a dangerous rift in American identity prompting a reconsideration of the definition of truth freedom and democracy and exploring the explosive consequences of what happens when the same words mean such different things to people living together under one roof From the writer who is always razor sharp and furiously good Zadie Smith a darkly comic political parable braided with a Bildungsroman that takes us inside the heart of a divided country *Hope Unfolding* Becky Thompson,2016-03-15 God s love plans and promises for you are forever unfolding I get it Momma I totally get it Every day you wake up and try your very best You love give and pour out your life for the ones who call you Momma But no matter how much you offer there are still days you feel as though you come up short You worry Am I loving these babies enough Is this ever going to get easier Why does it seem like I am the only one who cannot balance it all Sometimes we just need hope and maybe a long uninterrupted nap We need someone to help tune our hearts to the voice of the Father and to remind us that He has not forgotten about us In *Hope Unfolding* Becky Thompson is a friend who reminds you that you aren t alone and that God is still writing your story She guides you to encounter the Truth of God s presence that not only fuels you with strength but also a fresh confidence And beyond gaining faith that tomorrow could be different you find hope and purpose where you are standing today *Unfolding Consciousness* Edi Bilimoria,2024-03-11 Exploring the Living Universe and Intelligent Powers in Nature and Humans author Edi Bilimoria heralds the new science of consciousness and offers the readers a roadmap and necessary tools to achieve future growth Presented in three volumes plus volume IV contains references resources further reading they reveal the unity of the Eastern and Western branches of our perineal wisdom Bilimoria shows how science seeks truth using a synthesis of both traditions Evidence from a wide range of sources scientific medical philosophical religious and cultural is put forward to argue the case that humans are spiritual beings primarily and not merely complicated biological machines Bilimoria teaches that consciousness is not the product of matter
