cult she prepares to assist her sister to do the same during Sharon's planned visit home. Just weeks before her anticipated visit, tragedy strikes. Sharon dies in mysterious circumstances while fundraising for the Moonies. The author recounts her legal investigation into her sister's death and takes us on a return journey to San Francisco in search of closure to revisit the place she and Sharon last saw each other. She offers insights to those who grapple with the impact of cults. Exploring two promises the sisters made: Sharon's vow to never leave Myra forever and the author's pledge made soon after Sharon died to live for both of them, the author blends letters, dreams, journals, and legal documents that shed light on Sharon's short life and honour their relationship, revealing an enduring bond not broken by death. Engaging travel writing and poignant reflection are two of the author's gifts to her readers who witness her working with the grief of sibling loss and finding peace through writing.

My Child, My Legacy C J Lim, 2022-03-15 I hope this book can inspire readers to unleash their greatest gifts in life. Value life as it is and help others to succeed. Living one's life by your own choices and not by default or choices of others. Be grateful for all that you have and not waste too much time dwelling at what you do not have. I wish entrepreneurs, parents, and anyone who read this book can share the gems they found in the book to their children, their families, friends, associates, and beyond. This book is written based on my life journey from an engineer graduate to an educator and then an entrepreneur. During the years of me exploring my career and business path, I discovered my passion and purpose in life. Then come along my family. I invited my wife and children to join me along this journey of personal development and we explored the wonders of the world together. We discovered the world through our travelling and we focus on being the better version of ourselves, daily learning from life experiences.

The Lost Teachings of Jesus Mark L. Prophet, Elizabeth Clare Prophet, 1986 Mark and Elizabeth Prophet show that many of Jesus' original teachings were lost. Some were removed from the Gospels. Others were suppressed or kept secret. In modern vernacular, the authors offer a unique blend of the mystical and the practical that goes beyond the orthodox view of Jesus to discover his original message. They answer questions that have puzzled readers of the Bible for centuries.
