Earthbound: Beacon 2 Valerie Parv,2016-05-12 It is one thing to find your path another entirely to walk it The beacons Adam Garrett and Elaine are cut off from their homeworld In finding each other they obliterated the first wave of an alien attack on Earth and together they remain humanity s only chance of salvation But they are little help to Earth when they are being tracked like prey by a relentless assassin and are unable to tap into the source of their power their distant planet of origin When an assassin sole survivor of the decimated alien attack force captures Garrett Elaine must make vital decisions that will change their relationship forever putting at risk the crucial role they share in keeping Earth safe Meanwhile Adam must reforge the severed connection to their distant homeworld before the threat returns If the beacons are to avert catastrophe they must rescue Garrett and make a connection with their home planet before the invaders return but will it be too late This thrilling story of aliens living among us is perfect for fans of A G Riddle Rysa Walker and Linnea Sinclair *The Brothers Seven* Aleksis Kivi,2017-01-16 Seitsem n veljest The Brothers Seven the 1870 Finnish novel by Aleksis Kivi 1834 1872 is one of the most in famously unknown classics of world literature unknown not only because so few people in the world can read Finnish but also because the novel is so incredibly difficult to translate the Mount Everest of translating from Finnish It is difficult to translate not only because it blends a saturation in Homer Shakespeare Dante Cervantes and the Bible with a brilliantly stylized form of local dialect but because it is wild grotesque carnivalesque and laugh out loud funny on every page It has been translated 58 times into 34 languages but somehow the translations always seem to fall short of their flamboyant original Douglas Robinson s new translation is a bold attempt to remedy that He aims to make Kivi as rhythmic as alliterative as brash as grotesque and as funny in English as he is in Finnish Since Kivi deliberately used an archaic Finnish but used it playfully and since Kivi was steeped in Shakespeare to the point of memorizing whole plays Robinson translates him into a playful Shakespearean register As he notes in his Preface this makes the translation a bit difficult to read but the original is difficult for Finns to read as well and the Finnish readers who love Kivi and that is most of them read him with pleasure despite the words they don t know because his prose is so intensely alive Happy Is the One Katie
