The Jew as Legitimation David J. Wertheim, 2017-01-20 This book traces the historical phenomenon of the Jew as Legitimation Contributors discuss how Jews have been used through time to validate non Jewish beliefs The volume dissects the dilemmas and challenges this pattern has presented to Jews Throughout history Jews and Judaism have served to legitimize the beliefs of Gentiles Jews functioned as Augustine's witnesses to the truth of Christianity as Christian Kabbalist's source for Protestant truths as an argument for the enlightened claim for tolerance as the focus of modern Christian Zionist reverence and as a weapon of contemporary right wing populism against fears of Islamization This volume challenges understandings of Jewish Gentile relations offering a counter perspective to discourses of antisemitism and philosemitism

The Art & Craft of Writing Christian Fiction Jeff Gerke, 2012-06-01 Let's face it Christian fiction is fun Even if you're writing a serious minded study of man's inhumanity to man there is something exhilarating about story about creating people and worlds and events about telling a tale that keeps readers enraptured and maybe just maybe leaves them fortified in their walk with Jesus But for all of the fun it's also hard work There is skill involved in writing excellent Christian fiction There is craftsmanship to be learned And there are the long hours pounding away on a manuscript that by the time you're done with it has you convinced it's the worst piece of garbage ever penned by man That's not even talking about trying to get your book published It's a wonder anyone would choose such a way to spend otherwise useful time So maybe you put your novel away for awhile You've tried to do more sensible things with your spare moments You've attempted to be engaged with workaday matters laundry and bills But one day a new story idea will pop into your head or you won't be able to stop hearing the voice of a character demanding to be written about On that day you'll be right back where you were counting the cost of writing Christian fiction and loving it like nothing else

The Oxford Handbook of Millennialism

Catherine Wessinger, 2016-07 Seventh Day Adventists Melanesian cargo cults David Koresh's Branch Davidians and the Raelian UFO religion would seem to have little in common. What these groups share however is a millennial orientation: the audacious human hope for a collective salvation which may be either heavenly or earthly. The Oxford Handbook of Millennialism offers readers an in-depth look at both the theoretical underpinnings of the study of millennialism and its many manifestations across history and cultures.

Raiding the Lost Ark Jonty Rhodes, 2013-11-15 The Bible is a story; the gospel is a message. But how does one lead to the other? Raiding the Lost Ark shows how covenants hold the key and demonstrates how the gospel of salvation by grace alone grows naturally out of the story God tells. At the centre of Israel's worship was the tabernacle. At the centre of the tabernacle was a box: the Ark of the

Covenant Within the box was a covenant Covenant dominates the Bible s story from start to finish shaping the gospel the church and the day to day experience of God s people But for many of us covenant is a lost concept Raiding the Lost Ark seeks to recover the great news of Jesus Christ as Covenant King demonstrating the natural flow from the story God tells to the gospel of grace Along the way it addresses hot topics such as baptism in the Spirit predestination and water baptism showing how they all fit together in one covenant story to bring God s people into fullness of life under the Covenant King

Jerusalem in Memory and Eschatology Emma O'Donnell Polyakov, 2025-06-12 Investigating a range of eschatological ideologies this volume explores the connection between notions of sacred space and time in Jewish Christian and Muslim understandings of Jerusalem The recognition of

Jerusalem as a holy city both unites and divides Judaism Christianity and Islam While these three religious traditions share a reverence for the same ancient city this veneration leads more often to tension and violence than to commonality and cooperation Each of these religions draws heavily from religious memory and eschatological prophecies and sees Jerusalem as a site of past and future upheaval however the distinctions in their visions imbue Jerusalem with meanings that reinforce conflicting and contested ideologies Offering multiple analyses of religious interpretations of the city and its sacred sites this volume explores these divergent visions of the remembered and anticipated Jerusalem Heroes and Heroines of Fiction
