Lost Mines and Buried Treasures of the West Thomas Probert,1977 This large easy to use volume lists the works of more than eleven hundred different authors covering thousands of stories of lost mines and buried treasures supposedly located in fifteen Western and Southwestern states and in Mexico In addition to being a boon to those adventurers who are tempted to search for lost mines and buried treasures it will be an important basic research tool for historians geologists geographers anthropologists archaeologists and folklorists and it will be useful in identifying the man treasure hoards and mining claims all the way from the Lost Adams Diggings in Arizona to the Stagecoach in Wyoming The information given in this important bibliography was acquired through perusal of an unusually large number of books newspapers magazines unpublished manuscripts deposits in private and public libraries holdings of various historical foundations and governmental records and archives The task took Mr Probert three full years of steady patient work Many of these stories of lost mines and buried treasures have resulted in the discovery of some that are rarely acknowledged largely because as Mr Probert points out those who have been so fortunate as to find the pot of gold at the end of the rainbow have deemed it wiser and much safer to keep their own counsel Book jacket *Official Proceedings of the Grand Lodge, Free and Accepted Masons, State of Georgia, at Its Annual Communication* ,1908

Modeling Change in Potential Landscape Vulnerability to Forest Insect and Pathogen Disturbances ,1999 The assessment area included the portion of the Columbia River basin occurring in the United States east of the crest of the Cascade Range Subbasins in the upper reaches of the Klamath River basin and the northern Great Basin were also included in order to fully represent conditions in eastern Oregon and Washington Idaho and western Montana **General Technical Report PNW-GTR** ,1999 *Land Resource Regions and Major Land Resource Areas of the United States, the Caribbean, and the Pacific Basin* Agriculture Department, Natural Resources Conservation Service,2006 Department of Agriculture Handbook 296 Issued 2006 Map in pocket measures 28 x 30 in Revision of Land Resource Regions and Major Land Resource Areas of the United States USDA Handbook 296 published in 1981 Contains
