The Lost Queen Anne M. Stott,2021-04-01 A look at the tragically short life of the only daughter of Britain's King George IV who won the heart of a nation As the only child of the Prince Regent and Caroline of Brunswick Princess Charlotte of Wales 1796-1817 was the heiress presumptive to the throne Her parents marriage had already broken up by the time she was born She had a difficult childhood and a turbulent adolescence but she was popular with the public who looked to her to restore the good name of the monarchy When she broke off her engagement to a Dutch prince her father put her under virtual imprisonment and she endured a period of profound unhappiness But she held out for the freedom to choose her husband and when she married Prince Leopold of Saxe

Coburg she finally achieved contentment Her happiness was cruelly cut short when she died in childbirth at the age of twenty one only eighteen months later A shocked nation went into mourning for its people s princess the queen who never was This perspicacious study of Charlotte s short life is superb Anne Stott is an accomplished and highly readable biographer whose earlier subjects have included William Wilberforce and Hannah More She wears her research lightly which is not to say that the book is anything less than scholastic quite the opposite Highly recommended Naomi Clifford author of *The Murder of Mary Ashford* *The Lost Queen's Forgotten Diary* Julie Mccarley,2024-04-27 In a forgotten attic filled with dusty debris history student Elias discovers a small leather bound book bearing the barely legible name Eleonora What he finds within is not a grand chronicle of royal life but the intimate reflections of a woman far removed from the stoic queen depicted in history books Queen Eleonora s diary reveals her fears passions and a clandestine love affair with a renowned artist named Lucian As Elias uncovers the cryptic clues hidden in the diary s margins he stumbles upon a hidden chamber within the palace ruins unearthing a lead box that confirms the court s involvement in Eleonora s mysterious fate *The Lost Queen's Forgotten Diary* is a tale of betrayal intrigue and the restoration of a silenced queen s voice challenging the established historical narrative *The Lost Queen of England* H.
