Lost Tribe

Asahel Grant

Lost Tribe:

The Lost Tribe Mark Lee, 1999-06-12 In a volatile African country American journalist Ben Chase joins the unusual expedition of David Mather a relief worker who believes that a mysterious group of nomads the Maji are the descendants of the Lost Tribes of Israel Together with a handful of others Mather and Chase travel through a war torn region to find the Maji But when the search for the veiled tribe draws the group into the hostile Northern District Chase must balance Mather's apocalyptic vision with his own changing perception of this dangerous landscape *Melungeons* Elizabeth Caldwell Hirschman, 2005 Most of us probably think of America as being settled by British Protestant colonists who fought the Indians tamed the wilderness and brought democracy or at least a representative republic to North America To the contrary Elizabeth Caldwell Hirschman's research indicates the earliest settlers were of Mediterranean extraction and of a Jewish or Muslim religious persuasion Sometimes called Melungeons these early settlers were among the earliest nonnative Americans to live in the Carolinas Tennessee Kentucky Virginia and West Virginia For fear of discrimination since Muslims Jews Indians and other persons of color were often disenfranchised and abused the Melungeons were reticent regarding their heritage In fact over time many of the Melungeons themselves forgot where they came from Hence today the Melungeons remain the last lost tribe in America even to themselves Yet Hirschman supported by DNA testing genealogies and a variety of historical documents suggests that the Melungeons included such notable early Americans as Daniel Boone John Sevier Abraham Lincoln Jefferson Davis and Andrew Jackson Once lost but now forgotten no more The Ten Lost Tribes Zvi Ben-Dor Benite, 2013-11 In The Ten Lost Tribes Zvi Ben Dor Benite shows for the first time the extent to which the search for the lost tribes of Israel became over two millennia an engine for global exploration and a key mechanism for understanding the world

Lost Tribes of Israel: A Journey of Adventure in History, Myth, and Memory AJ Carmichael, 2025-08-04 Why do the Lost Tribes Matter The Mystery That Simply Refuses to Die They went into captivity and vanished from the face of the earth but their memory haunts the corridors of time Throughout the annals of sacred scripture imperial conquest and cultural folklore few mysteries have endured with such fierce fascination as that of the Lost Tribes of Israel The idea that ten of the twelve tribes descendants of the patriarch Jacob were scattered absorbed or vanished into the great silence of history has ignited the imaginations of prophets and poets kings and conquistadors rabbis and revolutionaries Their story rooted in ancient scripture and echoing through the chants of distant nations is not merely a tale of disappearance It is a tale of survival transformation and longing For nearly 3 000 years from the dusty roads of Mesopotamia to the stone circles of Ireland voices have whispered that the Lost Tribes were not lost at all but simply hidden waiting to be revealed in some future reckoning **The Nestorians, Or, The Lost Tribes** Asahel Grant, 1841 **British Celts and Teutons Not the Lost Tribes** Alfred Lionel LEWIS, 1874 **The Myth of the Twelve Tribes of Israel** Andrew Tobolowsky, 2022-03-17 The Myth of the Twelve Tribes of Israel is the first study to treat the history of claims to an Israelite identity as an ongoing

historical phenomenon from biblical times to the present By treating the Hebrew Bible s accounts of Israel as one of many efforts to construct an Israelite history rather than source material for later legends Andrew Tobolowsky brings a long term comparative approach to biblical and nonbiblical Israelite histories In the process he sheds new light on how the structure of the twelve tribes tradition enables the creation of so many different visions of Israel and generates new questions How can we explain the enduring power of the myth of the twelve tribes of Israel How does becoming Israel work why has it proven so popular and how did it change over time Finally what can the changing shape of Israel itself reveal about those who claimed it

The Lost Tribe Jane Downing,2005 Marianne finds she has inherited the ancestral home maybe because of her curious connection with her adventurous ancestor Mary Anne Clarissa Purcell Then she discovers the existence of a sunken treasure ship While the present for Marianne contains the possibility of romance and adventure the past for Mary Anne confronts the tension of missionary ambitions and chiefly power struggles the loneliness of the one of the first woman adventurers in the Pacific and the possible discovery of the Lost Tribe

50 Jewish Messiahs Jerry Rabow,2002 It is a little known fact that there have been more than fifty prominent Jewish Messiahs These characters though unrenowned today inspired messianic fervour that at times seized the whole Jewish Christian Muslim and even secular worlds The stories of these fifty Messiahs both male and female are unknown suppressed by Jewish religious authorities or ignored by historians of all religions Until now In this book these Jewish Messiahs are remembered and now their forgotten stories whether humorous bizarre tragic or solemn are finally told The Messiah who killed the Pope The Messiah who was saved from the Inquisition when the Pope hid him in the

Vatican The Messiah who demanded that his head be cut off in order to prove his immortality The Messiah who defied the Holy Roman Emperor The 17th century Messiah whose followers continued their secret society into the 20th century And to contemporary times and the story of the late Lubavitcher Rebbe Menachem Mendel Schneerson and how he inspired a passionate and devoted following Above all Fifty Jewish Messiahs examines humanity not divinity and history rather than theology Taken together these intriguing stories paint a vivid portrait of the universal and timeless human need for optimism and hope in a better future

The Modernist God State Michael Lackey,2012-03-15 The Modernist God State seeks to overturn the traditional secularization approach to intellectual and political history and to replace it with a fuller understanding of the religious basis of modernist political movements Lackey demonstrates that Christianity instead of fading after the Enlightenment actually increased its power by becoming embedded within the concept of what was considered the legitimate nation state thus determining the political agendas of prominent political leaders from King Leopold II to Hitler Lackey first argues that novelists can represent intellectual and political history in a way that no other intellectual can Specifically they can picture a subconscious ideology which often conflicts with consciously held systems of belief short circuiting straight into political action an idea articulated by E M Forster Second in contrast to many literary scholars who discuss Hitler and the Nazis without studying and quoting their texts Lackey draws his conclusions from close readings of their writings In doing so he shows that one cannot understand the Nazis without taking into account the specific version of Christianity underwriting their political agenda
