## **My Friend Tater:**

**My Friend Tater** Big Adam, 2004-09 A simple story of the friendship between a shy freshman college student and a security guard on a college campus in Alabama

My Friend Manny Big Adam, 2002-03 About the Author Big Adam was born and raised in Cherokee North Carolina and attends Faulkner University in Montgomery Alabama He plans to graduate in May 2003 with a degree in Journalism He loves to write go bowling take long walks alone late at night read go to church cats driving alone late at night and is a huge fan of Godzilla Garfield and race car driver Jeff Gordon He also serves as editor of the university newspaper He started to write at the young age of four when he discovered the wonder of pens and pencils His first stories were written and illustrated on plain white paper and stapled together By age nine he had written a story about a young boy who was the victim of sexual harassment from a babysitter It was a concept way ahead of his own time and knowledge His writings soon became more vivid and more chillingly realistic possibly due to years of child abuse and being harassed at school by both teachers and peers After one of his stories was discovered in his bedroom its realism content sent his folks into a fury They threatened him if he ever wrote something like that ever again which was nothing more than the truth of what he was going through at the time After that he had to write and express himself in secret when he was certain nobody would know that he was still cultivating his talent as a writer He was finally removed from this abusive environment when he was 12 A trip to the beach in 1993 sparked his imagination like nothing else The idea for one of his first novels was born and it would take him another seven years to finish That novel *The Writer* appeared in Spring 2001 He has also started several other novels and he vows to finish all of them

**The Death of a Friend** Big Adam, 2003-07 *The Death of a Friend* is the simple yet heartbreaking story of the young folks and residents of a small town in Western North Carolina in the midst of a tragedy just days before Christmas What is supposed to be a time of joy and merriment is ultimately shattered when one of the town's most prominent citizens leaves the house and never comes back and then the horror of the unimaginable happens Only God knows what has happened between the time of the disappearance and the time of the grisly discovery In the wake of the incident some of those left behind start to lose their sanity their job their zeal for life and all hope and faith in God until they learn that someone out there just might be a killer

**The Four Days** Big Adam, 2006-11 *Tater* I have something to tell you Thus begins *The Four Days* the sequel to Big Adam's previous novel *My Friend Tater* and chronicles the personal holocaustic suffering he endured in the days following the death of the man he called Dad his grandfather Adam has just returned to Faulkner University in Alabama following the funeral for his grandfather back home in North Carolina Soon after his family drops him off Adam descends into a perilous nightmare filled with pain grief and torture His vivid and heartfelt memories of Grandpa clash with the misery of waking up each day for the rest of his life knowing Grandpa is gone His friend Tater comes to his side and through Adam's tears of loss and grief he sees that something else happened to Adam while he was at home something so cruel and vicious it drives Adam near the point of

madness      **The Project** William D. Higgins,2007-09 Dave Reed works the midnight shift in the Message Watch Office at CIA Headquarters in Langley Virginia On a lark he and a coworker drive to Paw Paw West Virginia to investigate claims of strange glowing objects in the sky Reed and his coworker aren't the only ones interested in what's going on in Paw Paw Lester Stone a senior operations officer for a nameless ultra secret government project will be in Paw Paw on official project business to do whatever it takes to diffuse the situation and to make it look as if nothing out of the ordinary is happening in that little town When Dave returns home from Paw Paw he discovers that the FBI is waiting to interrogate him Falsely accused of espionage and with no clue about the whereabouts of his coworker Dave submits to a lie detector test and polygraphic hypnosis His story is practically impossible for his interrogators to believe but the sensors attached to Dave's head and torso indicate that he has to be telling the truth      **J.O.E. Adam Big Adam**,Big Adam,2009-12 Be nice Mr Giant please In an independent parish somewhere in the southern Appalachian Mountains a new leader suddenly comes to power following the unexplained death of his father Promising change to the tiny hamlet he orders a new decree put into effect with zero tolerance for opposition What follows are some of the most horrifying images Big Adam has ever created For four young officers the new decree is nothing short of a ghastly nightmare When they are ordered to assist in expanding the boundary of the parish they discover something living in the mountains that not only violates the new law but is something they learn should be left alone When the ruler decides otherwise an unforgiving and revengeful disaster is unleashed upon the town Inspired by his favorite monster movie and the demented perceptions that exist in modern society Big Adam's eighth novel is a simplistic vision of a brutal atrocity and genuine horror that must never become a reality      **The Shepherd's Song** Betsy Duffey,Laurie Myers,2014-03-11 Follow the incredible journey of one piece of paper a copy of Psalm 23 as it travels around the world linking lives and hearts with its simple but beautiful message The Lord is my shepherd I shall not want He makes me lie down in green pastures Shortly before a tragic car accident Kate McConnell wrote down the powerful words of Psalm 23 on a piece of paper for her wayward son Just before she loses consciousness Kate wonders if she's done enough with her life and prays Please let my life count Unbeknownst to Kate her handwritten copy of Psalm 23 soon begins a remarkable journey around the world From a lonely dry cleaning employee to a soldier wounded in Iraq to a young Kurdish girl fleeing her country to a Kenyan runner in the Rome Invitational Marathon this humble message forever changes the lives of twelve very different people Eventually Kate's paper makes it back to its starting place and she discovers the unexpected ways that God changes lives even through the smallest gestures With beautiful prose evocative of master storyteller Andy Andrews's *The Butterfly Effect* this intriguing and inspiring read RT Book Reviews will touch your heart and remind you of the ways God works through us to reach beyond what we can imagine      **You Can't Catch Me** Sherry Moss Walraven,2023-09-14 Oh no I just saw the serial killer walk behind that tall tree Run as fast as you can girls We can't let him see us They really didn't know how they got in this unusual predicament but they sure wanted to be finished with it The FBI came and told the ladies they

needed to be put in the Witness Protection Program because the crazy serial killer wanted to kill all the girls so they wouldn't testify against him due to them seeing the man shoot a young girl in a convenience store The eight cousins go on an annual vacation together in the summer for fun So far this has not been a fun vacation The crazy wanted to kill them Would the girls get away from the insane man Would he find them and do what he thought had to be done Could the FBI keep the girls safe
