Animal-Assisted Brief Therapy Teri Pichot, 2013-05-13 This book provides an overview of Animal Assisted Activities AAA and Animal Assisted Therapy AAT and demonstrates how they can be incorporated into solution focused treatment programs Pichot focusing on the use of therapy dogs starts with a discussion of the basics of AAA T and solution focused therapy as well as what every practitioner should know about dogs before partnering with them Successfully combining all of this into an effective treatment program is considered next Pichot draws upon her own experience developing an AAA T program in the substance abuse counseling program at a county public health agency to illustrate the effective implementation of such a program and the struggles and lessons learned in doing so Using AAA T with special populations cultural considerations and the impact a therapy dog can have on the handler New in this edition are client scenarios that demonstrate the therapist's thought process when making clinical decisions about when and how to use a therapy dog Sample forms and treatment plans are also provided that professionals can use to modify or structure in their work with clients The concepts and information provided in this valuable guide will be helpful for any therapist regardless of whether he or she is in private practice or working in an agency setting

Ditransitive structures : the English preposition TO and the Romanian preposition LA Tania MORARU-ZAMFIR, 2023-01-01 This book examines the syntactic properties of the English preposition to and the Romanian preposition la at to within ditransitive structures Being a study of comparative syntax from a generative perspective it aims at bringing into discussion the properties of these two functional prepositions in both English and Romanian The comparative approach shows that the English to is a functional preposition fully predictable from the structure of the verb which can be deleted To is a case marker and the dative arguments introduced by this preposition are DPs By way of contrast Romanian la has shifted from a case marker to a Person marker La has a double status as follows it has a functional status only when the Dat argument analysed as DP can be doubled by the clitic where la is a Person marker In the absence of the clitic la phrases are interpreted as PPs and la will be attributed a lexical status Thus unlike the functional to la is both a functional dative

marker and b a core lexical preposition of the location and movement frames where la assigns accusative case to its object
