day had some leftover time This was the perfect time for one of Miss M s storiesstories that were told over and over again to keep students riveted to the teacher in front of the room She never repeated the same story twice to the same class And all these stories are true This book has many of these stories Many stories are classified as comedy serious and some may be downright scary Many also have a moral This paperback book can be taken on the bus on trips and even read in the bathroom Characters in the book have initials in order to save some people embarrassment The family members know who they are All Miss M has to say now after compiling all her real life stories for others to read and share is Enjoy as all her former students did And if anyone doesnt enjoy the book well theres always that bathroom

**Murder in the Storybook Cottage** Ellery Adams, 2020-04-28. Storyton Hall, Virginia, is a top travel destination for book lovers and the perfect spot for literary events. But as a children's book publisher, hosts a gathering there, some folks aren't going to live happier ever after or otherwise. Jane Steward's resort is hopping, not only is Peppermint Press's conference in full swing, there are also lots of families staying on the premises, bringing their kids to events like a scavenger hunt through the Fairy Tale Forest. Then a woman dressed like Little Red Riding Hood is found dead from a plot device straight out of a fairy tale, with a rare and valuable copy of Grimm's *Fairy Tales* in her basket. Not long after, a second victim is killed, with yet another treasure nearby: a volume by Hans Christian Andersen worth thousands of dollars. It looks like a big bad wolf may be lurking among the guests, and Jane can't just wait for a handsome prince to come to the rescue. Readers will find themselves wanting to live in Storyton, no matter how many people end up dead there.
