A Few of My Favorite Things Kathryn Lanza, **My Favorite Things** Nov, 2006-09 If you have ever had a dream If you have even wanted anything more for yourself than what you have go do it This is a book about the imagination that s all Enjoy **That'S How It Seems** Molly Stringer, 2016-05-31 This book is filled with stories about ordinary everyday life One story is Does Butter Grow on Trees It just seemed to me that most of our younger generation might just think that I ended the story with being thankful that we are blessed with butter in the store without us having to do anything but pay for it so maybe it does grow on trees You just need to read that story it will take you back to churns cream and milking cows Some of the stories are funny Some are sad they brought tears to my eyes as I wrote them A sad story shares the pain and sorrow that my good friend endured as she lost her young daughter to cancer It moves from just surviving to being comforted this is a must read I get most of my funny stories from life with my sweet Bill Just this week I remember him getting up early I asked why and he said he couldnt sleep He continued to be quiet and seemed sad I asked why and he replied that the hairdresser cut his hair too short And if that wasnt bad enough he did not know how we were going to get our riding lawn mower loaded to take it to the shop all really big stuff Well did I ever have some words of wisdom for him That will one day be a story His hair will grow and we did get the mower loaded And there are people right around us that really have problems This book will not be boring It moves from sad to glad it moves from heartbreak to hope I will take you on trips of understanding and bring you back smarter than when you left Its a good book full of truth that will reflect Gods love right into your very soul
